

ROTTERDAM TOWN BAND

SUMMER 2026

Dear Community Members:

The Town of Rotterdam Parks and Recreation Department will again be sponsoring the Rotterdam Town Band, under the direction of Mr. Mike Salamone and Associate Conductor Jacob Hatfield.

A graduate of the Ithaca College School of Music, holding a Bachelors and Masters in Music Education, Mike is currently the band director at Mohonasen High School in the great town of Rotterdam, NY, where he has taught for the last 4 years. Mike has previously taught in the Schalmont Central School District for 4 years. Along with teaching, Mike seeks every opportunity to gig in the capital region, appearing in many big bands, pit orchestras, and chamber ensembles over the last decade. Mike is most excited for the work he gets to do designing, instructing and coordinating with the marching arts.

We would enthusiastically encourage and welcome veterans of this ensemble from years past, as well as new members to perform with us this summer. We are extending this invitation to community members, music/band teachers, advanced middle school students, and high school students looking to play their instrument through this summer.

Concert dates are June 22nd, July 13th, and July 27th

Rehearsals: June 1st, June 15th, June 29th, July 6th, and July 20th, from 6-8 PM.
