While completion of Form WH-347 is optional, it is mandatory for covered contractors and subcontractors performing work on Federally financed or assisted construction contracts to respond to the information collection contained in 29 C.F.R. §§ 3.3, 5.5(a). The Copeland Act (40 U.S.C. § 3145) contractors and subcontractors performing work on Federally financed or assisted construction contracts to "furnish weekly a statement with respect to the wages paid each employee during the preceding week." U.S. Department of Labor (DOL) regulations at 29 C.F.R. § 5.5(a)(3)(ii) require contractors to submit weekly a copy of all payrolls to the Federal agency contracting for or financing the construction project, accompanied by a signed "Statement of Compliance" indicating that the payrolls are correct and complete and that each laborer or mechanic has been paid not less than the proper Davis-Bacon prevailing wage rate for the work performed. DOL and federal contracting agencies receiving this information review the information to determine that employees have received legally required wages and fringe benefits.

While completion of Form WH-347 is optional, it is mandatory for covered contractors and subcontractors performing work on Federally financed or assisted construction contracts to respond to the information collection contained in 29 C.F.R. §§ 3.3, 5.5(a). The Copeland Act (40 U.S.C. § 3145) contractors and subcontractors performing work on Federally financed or assisted construction contracts to "furnish weekly a statement with respect to the wages paid each employee during the preceding week." U.S. Department of Labor (DOL) regulations at 29 C.F.R. § 5.5(a)(3)(ii) require contractors to submit weekly a copy of all payrolls to the Federal agency contracting for or financing the construction project, accompanied by a signed "Statement of Compliance" indicating that the payrolls are correct and complete and that each laborer or mechanic has been paid not less than the proper Davis-Bacon prevailing wage rate for the work performed. Re: **Town of Rotterdam**
Guilderland Water Sale Rate Study
Proposal for Engineering Services

Dear Mrs. Collins:

KB Engineering & Architecture, P.C. (KB) is pleased to submit this Proposal to provide Professional Engineering Services related to assisting the Town of Rotterdam with negotiating a renewal of the water sales agreement with the Town of Guilderland. We propose the following scope of engineering services:

A. Base Services

1. KB will review the existing water sales agreement between the Town of Rotterdam and the Town of Guilderland.
2. KB will perform an evaluation of the total water production versus expenditures (base cost) for the last five years with an estimated impact of capital expenditures, minimum and maximum annual water withdrawals, maximum month withdrawal, maximum rate of withdrawal, emergency limitations, and phased water rate over a five-year renewal period depending on the phasing of the Town's proposed capital water project.
3. KB will present the background information, evaluation and recommendations in a letter report to the Town of Rotterdam.

B. Fee

We propose to provide the above services for a lump sum amount not to exceed **\$9,900.00**, to be billed monthly on a percentage complete basis.

C. Exceptions and Limitations:

1. Town to provide copies of existing documents and data necessary for the analysis.

D. Additional Services

Additional projects and services will be the subject of a mutually agreed and separately executed Change Order. In the event that you request additional routine services that substantively relate to the subject of this Proposal and which in our judgement do not rise to the level of a Change Order or require a new proposal, ("Out-of-Scope Services"), our fees for such services will be based on the time required for the work

performed at our standard rates, plus expenses. All such services will be subject to the terms of this Proposal, including KB's Standard Terms and Conditions, attached hereto.

E. Access to Client Facilities.

In providing the Services, KB may from time to time need to test, access, or use the Client's systems, applications, or hardware (collectively, "Client Network"). Client shall provide KB in advance of the commencement of the affected Services with a copy of Client's safety, security, and facilities policies which are applicable to the use of, and access to, the Client Network and KB shall use commercially reasonable efforts to abide by such communicated policies as appropriate under the circumstances. If compliance with such policies will prevent or impair KB from performing the Services or its obligations under this Agreement, the Parties shall work in good faith to develop reasonable exceptions to such policies. If such exceptions cannot be agreed upon, the applicable Statement(s) of Work will be modified to excuse KB's performance of the affected Services. If KB's adherence to Client's policies increases KB's costs of providing the Services, KB shall notify Client of the foregoing and Client shall pay KB for the increased costs associated with adherence to such policies.

F. Terms & Conditions

Our work under this Proposal shall be performed in accordance with KB's Standard Terms and Conditions, attached hereto and hereby incorporated herein and made a part of this Proposal for all purposes as if fully set forth herein.

If you agree with this Proposal, please return an executed copy of this Proposal. If you have any questions, please feel free to contact me.

Sincerely,

KB Engineering & Architecture, P.C.

Standard Subconsultant Terms & Conditions

1. **General.** These Standard SUBCONSULTANT Terms & Conditions, together with the Subconsultant Agreement, and its exhibits, constitute the full and complete Agreement between KB Engineering & Architecture, PC ("KB") and the entity or person identified as the SUBCONSULTANT in the Subconsultant Agreement. KB hereby gives notice that it objects to and expressly rejects the inclusion of any additional or different terms proposed by SUBCONSULTANT, and any reference to SUBCONSULTANT'S proposal is solely for the purpose of incorporating the description and specifications of any goods, materials or services contained therein. SUBCONSULTANT shall diligently perform all services, furnish all labor and materials and perform all tasks necessary to produce all of the deliverables required and perform all of the Services reasonably implied, incidental or inferred under the terms of this Agreement, its Exhibits, as well as all other documents attached to or incorporated by reference as forming a part of this Agreement ("Services"). The SUBCONSULTANT is not entitled to request a change order if the changes do not "materially" increase the Scope of Work. SUBCONSULTANT, its employees, and its agents are not the agents, representatives, or employees of KB, and SUBCONSULTANT is and shall be an independent contractor with regard to the Services. KB and the SUBCONSULTANT may be referred to collectively herein as "the parties", and any one of them may be referred to as "a party".

2. **Standard of Care.** SUBCONSULTANT'S Services will be performed in accordance with generally accepted practices and ordinary skill and care of architects, engineers, scientists, and/or technical professionals providing similar services at the same time, in the same locale, and under like circumstances. SUBCONSULTANT agrees to promptly reperform, repair or replace, at KB's option and at SUBCONSULTANT'S cost and expense, any Services which fail to conform to such requirements or in the event such a degree of skill and care is not exercised.

3. **Compliance.** SUBCONSULTANT shall comply with all applicable laws and regulations of any governmental agency having jurisdiction (including any requirement to obtain and maintain any permits, licenses, or approvals) to complete the Services. SUBCONSULTANT certifies compliance with all applicable federal, provincial, state, local, occupational, health and safety, labor, and other anti-discrimination

laws, the standards and regulations issued thereunder, and the amendments thereto. The SUBCONSULTANT represents it shall comply, to the extent applicable, with all applicable provisions of the standards and regulations issued thereunder. Such rules and regulations are incorporated herein by reference with the same force and effect as if set forth herein verbatim. Furthermore, SUBCONSULTANT shall abide by the requirements of 41 CFR 60-300.5(a) and 41 CFR 60-741 (a), regulations that prohibit discrimination against qualified individuals and protected veterans on the basis of disability or veteran status, and requires affirmative action by covered prime contractors and subconsultants to employ and advance in employment qualified individuals with disabilities and protected veterans.

4. **Schedule.** Time is of the essence in the performance of the obligations created by this Agreement if required by the Prime Contract between KB and KB's Client. Otherwise, SUBCONSULTANT agrees to commence and complete the Services in accordance with any schedule incorporated into this Agreement, or any schedule submitted by SUBCONSULTANT and otherwise accepted in writing by KB; and with respect to any changes, out of scope or additional Services, SUBCONSULTANT shall expeditiously perform such Services according to any schedule therefore agreed to by the parties. In addition, no Services shall be delayed and SUBCONSULTANT shall be required to proceed diligently with the performance of the Services under this Agreement during all disputes pending final resolution for any request for relief, claim, appeal or action arising under this Agreement.

5. **Compensation.** (a) SUBCONSULTANT may invoice KB after it has completed the Services, or portions thereof, and any required corrections to the satisfaction of KB, and delivered in accordance with the terms of this Agreement all maintenance and operating instructions, schedules, guarantees, bonds, certificates or other evidence of insurance required hereunder, certificates of inspection, marked-up record documents, required itemizations and other documents required for progress payments. INVOICES MUST BE SUBMITTED TO SUBINVOICES@PRIMEENG.COM. INVOICES SUBMITTED TO KB SHALL INCLUDE A VALID, CURRENT COPY OF THE CERTIFICATE OF INSURANCE REQUIRED UNDER THIS AGREEMENT (IF NOT PREVIOUSLY PROVIDED DURING THE CURRENT YEAR). (b) KB agrees to

KB Engineering & Architecture, PC**Standard Subconsultant Terms & Conditions**

pay SUBCONSULTANT within thirty (30) days of KB's receipt of payment from Client for SUBCONSULTANT's satisfactory Services which has been accepted by the Client. SUBCONSULTANT expressly agrees that it shall be a condition to any payment that KB shall have received payment from the Client for such Services of the SUBCONSULTANT, and that such payment by the Client shall be a condition precedent to KB's obligations hereunder, and that KB shall have no obligation to SUBCONSULTANT unless payment for such Services is made to KB by the Client. However, in the event KB's Client disputes or otherwise withholds a payment to KB, which payment includes some non-disputed portion due SUBCONSULTANT, KB will make all reasonable efforts to secure release of non-disputed portion of payment from its Client. (c) SUBCONSULTANT warrants that title to and ownership of the Services shall transfer to KB free and clear of all liens or rights of liens. No payment shall be made to SUBCONSULTANT without a duly executed Agreement and a valid, current Certificate of Insurance in compliance with this Agreement. Payments made to the SUBCONSULTANT will include compensation for all applicable sales, use, gross receipts, or excises taxes. (d) In recognition that KB's Client requires the prompt submission of invoices for payment, the parties agree that all invoices must be submitted by SUBCONSULTANT to KB within ninety (90) days of the date costs are incurred or the scheduled completion date whichever occurs first. SUBCONSULTANT waives its right to receive payment on all invoices which are not submitted within that time. KB may set-off or counterclaim against amounts payable to SUBCONSULTANT, or asserted to be payable to SUBCONSULTANT, under this or any other contract, any claim KB may have against SUBCONSULTANT, including any failure to comply with any terms herein.

6. Changes. No changes to this Agreement and no extra charges will be allowed unless a duly authorized representative of KB specifically agrees to them in writing. As a condition precedent to SUBCONSULTANT's recovery on any claim for an increase in the cost of the Services or for an extension of time to complete the Services (a "Claim"), SUBCONSULTANT shall, immediately after the occurrence of the event which SUBCONSULTANT believes may give rise to a Claim, give KB written notice of the claim, which notice shall contain a verified statement that supports the claim and details the estimated change in the Subcontract cost and the time to

complete the Services. SUBCONSULTANT's failure to provide notice as required by this paragraph shall be a waiver of SUBCONSULTANT's right to recovery under the Agreement and on a Claim. In no event shall SUBCONSULTANT be entitled to compensation for changes which are not reimbursable to KB by its Client. Any determination by KB or Client regarding same shall be binding upon SUBCONSULTANT.

7. Insurance. SUBCONSULTANT shall provide and maintain during the term of this Agreement and for three (3) years after completion of Services, at SUBCONSULTANT's expense, the minimum limits of insurance described below. SUBCONSULTANT's failure to procure the required types and limits of insurance as set forth herein, shall not relieve SUBCONSULTANT of its indemnification obligations hereunder.
