Each bidder must state that no officer of the Town of Rotterdam or member of the Town Board is directly or indirectly interested in the proposal. 10. Delivery: Time is of the essence. Material is required as soon as possible and guaranteed date of delivery may be taken into consideration in making award. Upon failure to make delivery as promised, the Town Board of the Town of Rotterdam, New York, may consider the contract breached and will then feel free to go into the open market and to maintain an action against the contractor to recover any differences which the Town Board might stand to lose between the contract price and the market price.

11. Where items or articles or equipment or supplies are designated as manufactured by a specific manufacturer, it is to be understood that the articles as specified represent an accepted standard. Where certain brands of materials, apparatus, or equipment are specified, such goods have been selected in order to establish a standard for the particular service required, but it is not the intention to limit competition thereby. If the bidder proposes to furnish the article which is specified, he is to fill in the amount on the line indicated. If he desires to bid on a substitute for the article specified, which is claimed to be equivalent to the standard specified, the amount should be recorded and also identified as "substitute" bid and furnish the required information relating to the manufacturer. In cases where the bid is based upon a substitute article, the bidder will be asked to submit a sample. Samples will be returned, if desired, as soon as the award is made.

12. The Town Board of the Town of Rotterdam reserves the right to waiver any informalities on bids received, and to accept reasonable substitutes for specified items as long as such substitutes in no way affect the performance of the item for which the bid has been requested.

13. The approximate quantities shown in the bidding documents are not meant to imply that said quantities will in fact be purchased. Payment will be based on an "as delivered" basis at the facilities listed using actual quantities received.

14. Failure to adequately and fully complete the bid packet and/or questions contained in the RFP shall be disqualified and the bid shall be rejected.

NON-COLLUSION BIDDING CERTIFICATION

903 Non-Discrimination and Harassment (Including Sexual Harassment) in the Workplace

Policy Statement – It is the policy of the Town of Rotterdam to promote a productive work environment and to prohibit conduct by any Elected Official or employee (as defined in Section 104 of the Employee Handbook) that disrupts or interferes with another's work performance or that creates an intimidating, offensive, or hostile work environment. In keeping with this goal, the Town is committed to educate Elected Officials and employees in the recognition and prevention of workplace discrimination and harassment, including sexual harassment, and to provide an effective means of eliminating such discrimination and harassment from the workplace. In short, the Town does not tolerate any form of discrimination or harassment, including sexual harassment, and will take all steps necessary to prevent and stop the occurrence of such activity in the workplace. The accompanying complaint procedure is intended to provide an effective mechanism for reporting, and resolving promptly, complaints of discrimination and harassment, including sexual harassment, without any risk of repercussion to any individual covered by this policy who, in good faith, files such complaint.

Applicability of Policy – This policy applies to all Elected Officials, Appointed Members of Boards and Commissions, employees, supervisors, and Department Heads, whether employed full or part-time, temporary or seasonal, paid or unpaid interns, volunteers, and those employed by companies contracting to provide services in the workplace. Depending on the extent of the Town's exercise of control, this policy may be applied to the conduct of non-Town employees with respect to harassment of Town employees in the workplace.

Prohibited harassment (including sexual harassment) is not limited to the physical workplace itself. It can occur while Elected Officials, employees or other individuals covered by this policy are traveling for Town business or at Town sponsored events or parties. Calls, texts, emails, and social media usage by employees or other individuals covered by this policy can constitute workplace harassment, even if they occur away from the workplace premises, on personal devices, or during non-work hours.

Prohibited Activity – No Elected Official, employee or other individuals covered by this policy shall engage in any of the following:

- Harassment: Unwanted, unreasonable verbal or physical conduct directed toward or affecting another person that disturbs, frightens, insults, threatens, intimidates, demeans, or offends that other person, that continues or is repeated after a request to cease, and that: 1) has the purpose or effect of creating an intimidating, hostile, or offensive work environment; 2) has the purpose or effect of unreasonably interfering with an individual's work performance; or 3) otherwise adversely affects an individual's employment opportunities. Harassment includes offensive or inappropriate images or written materials or electronic communications (e.g. letters, e-mail, text messages, or graffiti) as well as bias-based harassment and sexual harassment (see below).

- Bias-Based Harassment: Harassment that denigrates, offends or shows hostility or aversion toward an individual on the basis of sex, (including gender identity and the status of being transgender), sexual orientation, race, color, national origin, religion, disability, pregnancy, age, marital status, veteran status, military status, arrest or conviction record, genetic information or predisposing characteristics, domestic violence victim status, or any other protected status. Bias-based harassment includes, but is not limited to: epithets, slurs or negative stereotyping; threatening, intimidating,

or hostile acts; denigrating jokes; and written, electronic, or graphic material that denigrates, ridicules, objectifies, or shows hostility, aversion or contempt toward an individual or group and that is placed on walls, bulletin boards, lockers or elsewhere on or in the Town's premises, vehicles, or equipment, or is circulated in the workplace, including through electronic means.

- Discrimination: The Town of Rotterdam is an Equal Opportunity Employer. The Town does not unlawfully discriminate on the basis of sex, (including gender identity and the status of being transgender), sexual orientation, race, color, national origin, religion, disability, pregnancy, age, marital status, veteran status, military status, arrest or conviction record, genetic information or predisposing characteristics, domestic violence victim status, or any other protected status. Unlawful discrimination based on membership in these categories is prohibited by applicable federal, state, or local laws. This policy applies to all terms and conditions of employment, including, but not limited to, hiring, placement, assignments, compensation, promotion, transfer, training, leave of absence, and termination.

Definition of Sexual Harassment – This policy places special attention on the prohibition of sexual harassment in the workplace.
Sexual harassment is a form of sex discrimination and is unlawful under federal, state, and (where applicable) local law. Sexual harassment includes harassment on the basis of sex, sexual orientation, self-identified or perceived sex, gender expression, gender identity and the status of being transgender.
Sexual harassment includes unwelcome conduct which is either of a sexual nature, or which is directed at an individual because of that individual's sex when:

- Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive work environment, even if the reporting individual is not the intended target of the sexual harassment;

- Such conduct is made either explicitly or implicitly a term or condition of employment; or

- Submission to or rejection of such conduct is used as the basis for employment decisions affecting an individual's employment.

A sexually harassing hostile work environment includes, but is not limited to, words, signs, jokes, pranks, intimidation or physical violence which are of a sexual nature, or which are directed at an individual because of that individual's sex. Sexual harassment also consists of any unwanted verbal or physical advances, sexually explicit derogatory statements or sexually discriminatory remarks made by someone which are offensive or objectionable to the recipient, which cause the recipient discomfort or humiliation, or which interfere with the recipient's job performance.
Sexual harassment also occurs when a person in authority tries to trade job benefits for sexual favors. This can include hiring, promotion, continued employment or any other terms, conditions or privileges of employment. This is also called "quid pro quo" harassment.
Any employee who feels harassed should report so that any violation of this policy can be corrected promptly. Any harassing conduct, even a single incident, can be addressed under this policy.

Examples of Sexual Harassment - The following describes some of the types of acts that may be unlawful sexual harassment and that are strictly prohibited:

- Physical acts of a sexual nature, such as:
    - Touching, pinching, patting, kissing, hugging, grabbing, brushing against another employee's body or poking another employee's body;
    - Rape, sexual battery, molestation or attempts to commit these assaults.
- Unwanted sexual advances or propositions, such as:
    - Requests for sexual favors accompanied by implied or overt threats concerning the target's job performance evaluation, a promotion or other job benefits or detriments;
    - Subtle or obvious pressure for unwelcome sexual activities.
- Sexually oriented gestures, noises, remarks or jokes, or comments about a person's sexuality or sexual experience, which create a hostile work environment.
- Sex stereotyping occurs when conduct or personality traits are considered inappropriate simply because they may not conform to other people's ideas or perceptions about how individuals of a particular sex should act or look.
- Sexual or discriminatory displays or publications anywhere in the workplace, such as:
    - Displaying pictures, posters, calendars, graffiti, objects, promotional material, reading materials or other materials that are sexually demeaning or pornographic. This includes such sexual displays on workplace computers or cell phones and sharing such displays while in the workplace.
- Hostile actions taken against an individual because of that individual's sex, sexual orientation, gender identity and the status of being transgender, such as:
    - Interfering with, destroying or damaging a person's workstation, tools or equipment, or otherwise interfering with the individual's ability to perform the job;
    - Sabotaging an individual's work;
    - Bullying, yelling, name-calling.

Prohibition Against Retaliation – Unlawful retaliation can be any action that could discourage an employee from coming forward to make or support a claim of discrimination or harassment, including sexual harassment. Adverse action need not be job-related or occur in the workplace to constitute unlawful retaliation (e.g., threats of physical violence outside of work hours).
Unlawful retaliation against any employee who has engaged in "protected activity" is strictly prohibited by this policy as well as (where applicable) federal, state, and local law. Protected activity occurs when a person has:

- made a complaint of harassment or discrimination, either internally or with any anti-discrimination agency;

- opposed harassment or discrimination by making a verbal or informal complaint to management, or by simply informing a supervisor or management of harassment or discrimination;
- reported that another employee has been subjected to harassment or discrimination;
- encouraged a fellow employee to report harassment or discrimination;
- participated in a workplace investigation regarding harassment or discrimination;
- testified or assisted in a proceeding involving harassment or discrimination under the Human Rights Law or other anti-discrimination laws.

Even if the alleged discrimination or harassment does not turn out to rise to the level of a violation of law, the individual is protected from retaliation if the person had a good faith belief that the practices were unlawful. However, the retaliation provision is not intended to protect persons making intentionally false charges of discrimination or harassment.

Reporting of Discrimination and Harassment (including Sexual Harassment) – Reports of alleged discrimination and/or harassment (including sexual harassment) or retaliation may be made verbally or in writing. A form for the submission of a written complaint is attached to this policy and individuals are encouraged to use this form. If an individual chooses to submit a verbal complaint, such complaint will be recorded by the receiver of this complaint on this form. Employees are encouraged to report incidents of discrimination, harassment (including sexual harassment), or retaliation to their Department Head and/or the Town Supervisor as soon as possible after their occurrence. If the employee's Department Head is believed to be involved in the incident, or if the employee is not comfortable in addressing the incident with the Department Head, the report should be made directly to the Town Supervisor. If the Town Supervisor is believed to be involved in the incident or the employee is not comfortable reporting the incident to the Town Supervisor, the employee should report the incident to a member of the Town Board. Employees who believe they have been discriminated against or harassed and would like to obtain guidance as to how to proceed in filing a complaint, should contact their immediate supervisor, their Department Head, the Town Supervisor, or any member of the Town Board. Employees who work during off-hours are encouraged to contact their supervisor, their Department Head, the Town Supervisor, or any member of the Town Board at home if these individuals do not work during the employee's shift. Non-employees are encouraged to report incidents of alleged discrimination and harassment (including sexual harassment) to either the Department Head of the department where services are being provided, the Town Supervisor, or a member of the Town Board.

Supervisory Responsibility – Supervisory personnel must make every effort to ensure a work environment that is free from discrimination and harassment, including sexual harassment. Any Department Head or supervisor who receives a complaint or information about suspected prohibited activity (as outlined above), observes behavior that may constitute prohibited activity, or for any reason suspects that prohibited activity is occurring, is required to report such suspected prohibited activity to the Town Supervisor, or any member of the Town Board.

In addition to being subject to corrective action or discipline if they engaged in prohibited activity themselves, supervisory personnel will be subject to discipline for failing to report suspected prohibited activity or otherwise knowingly allowing prohibited activity to continue. Supervisory

personnel will also be subject to corrective action or discipline for engaging in any form of retaliation prohibited by this policy.

Investigation of Complaint – The Town Supervisor, in consultation with the Town Board, will determine the appropriate individual(s) to conduct the investigation. All complaints pursuant to this policy, whether reported in verbal or written form, will be investigated promptly, thoroughly, and in as impartial a manner as possible. The investigation will normally include conferring with the parties involved and any named or apparent witnesses. All employees are required to cooperate in an investigation, if so directed. All persons involved, including complainants, witnesses and alleged perpetrators will be accorded due process to protect their rights to a fair and impartial investigation. All relevant materials, including all electronic communications, documents, emails or phone records that are relevant to the allegations will also be considered. A written report will be prepared documenting the results of the investigation. The individual who reported the complaint and the individual about whom the complaint was made will be notified of the final determination.

Confidentiality – Complaints of discrimination and harassment, including sexual harassment, will be handled and investigated promptly and in a manner that is as impartial and confidential as possible. In no event will information concerning a complaint be released by the Town to third parties or to anyone within the Town employment who is not directly involved in the investigation or handling of the complaint unless otherwise required by law.

Corrective Action and Discipline – Any employee who is found to have violated any aspect of this policy will be subject to corrective or disciplinary action, up to and including termination of employment, as provided by Town operating procedures, including Civil Service Law Section 75, or a collective bargaining agreement. Any Elected Official who violates this policy will be subject to remedial action as provided for and/or allowed under NYS Public Officers Law, as well as any other applicable statutes. Any vendor, supplier, visitor, customer, or other non-employee who violates this policy will be subject to remedial action, to the extent that the Town is empowered to take such action.

Legal Protections and External Remedies – Nothing in this policy should be construed as in any way limiting employees' rights to file a formal complaint with the appropriate state or federal agencies responsible for administering anti-discrimination laws. Complainants should be aware that time restrictions may apply and need to be considered.

Harassment (including sexual harassment) is not only prohibited by Town policy but is also prohibited by federal, state, and (where applicable) local law. Aside from the Town's internal process, employees may also choose to pursue legal remedies with the following governmental entities at any time.

<u>New York State Division of Human Rights (DHR)</u>

The Human Rights Law (HRL) applies to employers in New York State with regard to harassment and protects employees and non-employees regardless of immigration status. A complaint alleging violation of the Human Rights Law may be filed either with DHR or in New York State Supreme Court. Complaints with DHR may be filed any time within one year of the harassment. If an individual did not file at DHR, they can sue directly in state court under the HRL, within three years of the alleged discrimination. An individual may not file with DHR if they have already filed an HRL complaint in state court. Filing an internal complaint with the Town does not extend the time limits to file with DHR or in court. The one year or three years is counted from date of the most recent incident of harassment. An attorney is not needed to file a complaint with DHR, and

there is no cost to file with DHR. DHR will investigate the complaint and determine whether there is probable cause to believe that discrimination has occurred. Probable cause cases are forwarded to a public hearing before an administrative law judge. If discrimination is found after a hearing, DHR has the power to award relief, which varies but may include requiring the Town to take action to stop the harassment, or redress the damage caused, including paying monetary damages, attorney's fees and civil fines.

DHR's main office contact information is: NYS Division of Human Rights, One Fordham Plaza, Fourth Floor, Bronx, New York 10458, (718) 741-8400. Contact DHR at (888) 392- 3644 or visit dhr.ny.gov/complaint for more information about filing a complaint. The website has a complaint form that can be downloaded, filled out, notarized and mailed to DHR. The website also contains contact information for DHR's regional offices across New York State.

United States Equal Employment Opportunity Commission (EEOC)

The EEOC enforces federal anti-discrimination laws, including Title VII of the 1964 federal Civil Rights Act (codified as 42 U.S.C. § 2000e et seq.). An individual can file a complaint with the EEOC anytime within 300 days from the harassment. There is no cost to file a complaint with the EEOC. The EEOC will investigate the complaint and determine whether there is reasonable cause to believe that discrimination has occurred, at which point the EEOC will issue a Right to Sue letter permitting the individual to file a complaint in federal court. The EEOC does not hold hearings or award relief but may take other action including pursuing cases in federal court on behalf of complaining parties. Federal courts may award remedies if discrimination is found to have occurred. If an employee believes that he/she has been discriminated against at work, he/she can file a "Charge of Discrimination." The EEOC has district, area, and field offices where complaints can be filed. Contact the EEOC by calling 1-800-669-4000 (1-800-669-6820 (TTY)), visiting their website at www.eeoc.gov or via email at info@eeoc.gov. If an individual filed an administrative complaint with DHR, DHR will file the complaint with the EEOC to preserve the right to proceed in federal court.

Local Protections

Many localities enforce laws protecting individuals from sexual harassment and discrimination. An individual should contact the county, city or town in which they live to find out if such a law exists.

Contact the Rotterdam Police Department

If the harassment involves physical touching, coerced physical confinement or coerced sex acts, the conduct may constitute a crime. Contact the Rotterdam Police Department.

13. The approximate quantities shown in the bidding documents are not meant to imply that said quantities will in fact be purchased. Payment will be based on an "as delivered" basis at the facilities listed using actual quantities received.

14. Failure to adequately and fully complete the bid packet and/or questions contained in the RFP shall be disqualified and the bid shall be rejected.

903 Non-Discrimination and Harassment (Including Sexual Harassment) in the Workplace

Policy Statement – It is the policy of the Town of Rotterdam to promote a productive work environment and to prohibit conduct by any Elected Official or employee (as defined in Section 104 of the Employee Handbook) that disrupts or interferes with another's work performance or that creates an intimidating, offensive, or hostile work environment. In keeping with this goal, the Town is committed to educate Elected Officials and employees in the recognition and prevention of workplace discrimination and harassment, including sexual harassment, and to provide an effective means of eliminating such discrimination and harassment from the workplace. In short, the Town does not tolerate any form of discrimination or harassment, including sexual harassment, and will take all steps necessary to prevent and stop the occurrence of such activity in the workplace. The accompanying complaint procedure is intended to provide an effective mechanism for reporting, and resolving promptly, complaints of discrimination and harassment, including sexual harassment, without any risk of repercussion to any individual covered by this policy who, in good faith, files such complaint.

Applicability of Policy – This policy applies to all Elected Officials, Appointed Members of Boards and Commissions, employees, supervisors, and Department Heads, whether employed full or part-time, temporary or seasonal, paid or unpaid interns, volunteers, and those employed by companies contracting to provide services in the workplace. Depending on the extent of the Town's exercise of control, this policy may be applied to the conduct of non-Town employees with respect to harassment of Town employees in the workplace.

Prohibited harassment (including sexual harassment) is not limited to the physical workplace itself. It can occur while Elected Officials, employees or other individuals covered by this policy are traveling for Town business or at Town sponsored events or parties. Calls, texts, emails, and social media usage by employees or other individuals covered by this policy can constitute workplace harassment, even if they occur away from the workplace premises, on personal devices, or during non-work hours.

Prohibited Activity – No Elected Official, employee or other individuals covered by this policy shall engage in any of the following:

- Harassment: Unwanted, unreasonable verbal or physical conduct directed toward or affecting another person that disturbs, frightens, insults, threatens, intimidates, demeans, or offends that other person, that continues or is repeated after a request to cease, and that: 1) has the purpose or effect of creating an intimidating, hostile, or offensive work environment; 2) has the purpose or effect of unreasonably interfering with an individual's work performance; or 3) otherwise adversely affects an individual's employment opportunities. Harassment includes offensive or inappropriate images or written materials or electronic communications (e.g. letters, e-mail, text messages, or graffiti) as well as bias-based harassment and sexual harassment (see below).

- Bias-Based Harassment: Harassment that denigrates, offends or shows hostility or aversion toward an individual on the basis of sex, (including gender identity and the status of being transgender), sexual orientation, race, color, national origin, religion, disability, pregnancy, age, marital status, veteran status, military status, arrest or conviction record, genetic information or predisposing characteristics, domestic violence victim status, or any other protected status. Bias-based harassment includes, but is not limited to: epithets, slurs or negative stereotyping; threatening, intimidating,

or hostile acts; denigrating jokes; and written, electronic, or graphic material that denigrates, ridicules, objectifies, or shows hostility, aversion or contempt toward an individual or group and that is placed on walls, bulletin boards, lockers or elsewhere on or in the Town's premises, vehicles, or equipment, or is circulated in the workplace, including through electronic means.

- Discrimination: The Town of Rotterdam is an Equal Opportunity Employer. The Town does not unlawfully discriminate on the basis of sex, (including gender identity and the status of being transgender), sexual orientation, race, color, national origin, religion, disability, pregnancy, age, marital status, veteran status, military status, arrest or conviction record, genetic information or predisposing characteristics, domestic violence victim status, or any other protected status. Unlawful discrimination based on membership in these categories is prohibited by applicable federal, state, or local laws. This policy applies to all terms and conditions of employment, including, but not limited to, hiring, placement, assignments, compensation, promotion, transfer, training, leave of absence, and termination.

Definition of Sexual Harassment – This policy places special attention on the prohibition of sexual harassment in the workplace.
Sexual harassment is a form of sex discrimination and is unlawful under federal, state, and (where applicable) local law. Sexual harassment includes harassment on the basis of sex, sexual orientation, self-identified or perceived sex, gender expression, gender identity and the status of being transgender.
Sexual harassment includes unwelcome conduct which is either of a sexual nature, or which is directed at an individual because of that individual's sex when:

- Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive work environment, even if the reporting individual is not the intended target of the sexual harassment;

- Such conduct is made either explicitly or implicitly a term or condition of employment; or

- Submission to or rejection of such conduct is used as the basis for employment decisions affecting an individual's employment.

A sexually harassing hostile work environment includes, but is not limited to, words, signs, jokes, pranks, intimidation or physical violence which are of a sexual nature, or which are directed at an individual because of that individual's sex. Sexual harassment also consists of any unwanted verbal or physical advances, sexually explicit derogatory statements or sexually discriminatory remarks made by someone which are offensive or objectionable to the recipient, which cause the recipient discomfort or humiliation, or which interfere with the recipient's job performance.
Sexual harassment also occurs when a person in authority tries to trade job benefits for sexual favors. This can include hiring, promotion, continued employment or any other terms, conditions or privileges of employment. This is also called "quid pro quo" harassment.
Any employee who feels harassed should report so that any violation of this policy can be corrected promptly. Any harassing conduct, even a single incident, can be addressed under this policy.

Examples of Sexual Harassment - The following describes some of the types of acts that may be unlawful sexual harassment and that are strictly prohibited:

- Physical acts of a sexual nature, such as:
    - Touching, pinching, patting, kissing, hugging, grabbing, brushing against another employee's body or poking another employee's body;
    - Rape, sexual battery, molestation or attempts to commit these assaults.
- Unwanted sexual advances or propositions, such as:
    - Requests for sexual favors accompanied by implied or overt threats concerning the target's job performance evaluation, a promotion or other job benefits or detriments;
    - Subtle or obvious pressure for unwelcome sexual activities.
- Sexually oriented gestures, noises, remarks or jokes, or comments about a person's sexuality or sexual experience, which create a hostile work environment.
- Sex stereotyping occurs when conduct or personality traits are considered inappropriate simply because they may not conform to other people's ideas or perceptions about how individuals of a particular sex should act or look.
- Sexual or discriminatory displays or publications anywhere in the workplace, such as:
    - Displaying pictures, posters, calendars, graffiti, objects, promotional material, reading materials or other materials that are sexually demeaning or pornographic. This includes such sexual displays on workplace computers or cell phones and sharing such displays while in the workplace.
- Hostile actions taken against an individual because of that individual's sex, sexual orientation, gender identity and the status of being transgender, such as:
    - Interfering with, destroying or damaging a person's workstation, tools or equipment, or otherwise interfering with the individual's ability to perform the job;
    - Sabotaging an individual's work;
    - Bullying, yelling, name-calling.

Prohibition Against Retaliation – Unlawful retaliation can be any action that could discourage an employee from coming forward to make or support a claim of discrimination or harassment, including sexual harassment. Adverse action need not be job-related or occur in the workplace to constitute unlawful retaliation (e.g., threats of physical violence outside of work hours).
Unlawful retaliation against any employee who has engaged in "protected activity" is strictly prohibited by this policy as well as (where applicable) federal, state, and local law. Protected activity occurs when a person has:

- made a complaint of harassment or discrimination, either internally or with any anti-discrimination agency;

- opposed harassment or discrimination by making a verbal or informal complaint to management, or by simply informing a supervisor or management of harassment or discrimination;
- reported that another employee has been subjected to harassment or discrimination;
- encouraged a fellow employee to report harassment or discrimination;
- participated in a workplace investigation regarding harassment or discrimination;
- testified or assisted in a proceeding involving harassment or discrimination under the Human Rights Law or other anti-discrimination laws.

Even if the alleged discrimination or harassment does not turn out to rise to the level of a violation of law, the individual is protected from retaliation if the person had a good faith belief that the practices were unlawful. However, the retaliation provision is not intended to protect persons making intentionally false charges of discrimination or harassment.

Reporting of Discrimination and Harassment (including Sexual Harassment) – Reports of alleged discrimination and/or harassment (including sexual harassment) or retaliation may be made verbally or in writing. A form for the submission of a written complaint is attached to this policy and individuals are encouraged to use this form. If an individual chooses to submit a verbal complaint, such complaint will be recorded by the receiver of this complaint on this form. Employees are encouraged to report incidents of discrimination, harassment (including sexual harassment), or retaliation to their Department Head and/or the Town Supervisor as soon as possible after their occurrence. If the employee's Department Head is believed to be involved in the incident, or if the employee is not comfortable in addressing the incident with the Department Head, the report should be made directly to the Town Supervisor. If the Town Supervisor is believed to be involved in the incident or the employee is not comfortable reporting the incident to the Town Supervisor, the employee should report the incident to a member of the Town Board. Employees who believe they have been discriminated against or harassed and would like to obtain guidance as to how to proceed in filing a complaint, should contact their immediate supervisor, their Department Head, the Town Supervisor, or any member of the Town Board. Employees who work during off-hours are encouraged to contact their supervisor, their Department Head, the Town Supervisor, or any member of the Town Board at home if these individuals do not work during the employee's shift. Non-employees are encouraged to report incidents of alleged discrimination and harassment (including sexual harassment) to either the Department Head of the department where services are being provided, the Town Supervisor, or a member of the Town Board.

Supervisory Responsibility – Supervisory personnel must make every effort to ensure a work environment that is free from discrimination and harassment, including sexual harassment. Any Department Head or supervisor who receives a complaint or information about suspected prohibited activity (as outlined above), observes behavior that may constitute prohibited activity, or for any reason suspects that prohibited activity is occurring, is required to report such suspected prohibited activity to the Town Supervisor, or any member of the Town Board.

In addition to being subject to corrective action or discipline if they engaged in prohibited activity themselves, supervisory personnel will be subject to discipline for failing to report suspected prohibited activity or otherwise knowingly allowing prohibited activity to continue. Supervisory

personnel will also be subject to corrective action or discipline for engaging in any form of retaliation prohibited by this policy.

Investigation of Complaint – The Town Supervisor, in consultation with the Town Board, will determine the appropriate individual(s) to conduct the investigation. All complaints pursuant to this policy, whether reported in verbal or written form, will be investigated promptly, thoroughly, and in as impartial a manner as possible. The investigation will normally include conferring with the parties involved and any named or apparent witnesses. All employees are required to cooperate in an investigation, if so directed. All persons involved, including complainants, witnesses and alleged perpetrators will be accorded due process to protect their rights to a fair and impartial investigation. All relevant materials, including all electronic communications, documents, emails or phone records that are relevant to the allegations will also be considered. A written report will be prepared documenting the results of the investigation. The individual who reported the complaint and the individual about whom the complaint was made will be notified of the final determination.

Confidentiality – Complaints of discrimination and harassment, including sexual harassment, will be handled and investigated promptly and in a manner that is as impartial and confidential as possible. In no event will information concerning a complaint be released by the Town to third parties or to anyone within the Town employment who is not directly involved in the investigation or handling of the complaint unless otherwise required by law.

Corrective Action and Discipline – Any employee who is found to have violated any aspect of this policy will be subject to corrective or disciplinary action, up to and including termination of employment, as provided by Town operating procedures, including Civil Service Law Section 75, or a collective bargaining agreement. Any Elected Official who violates this policy will be subject to remedial action as provided for and/or allowed under NYS Public Officers Law, as well as any other applicable statutes. Any vendor, supplier, visitor, customer, or other non-employee who violates this policy will be subject to remedial action, to the extent that the Town is empowered to take such action.

Legal Protections and External Remedies – Nothing in this policy should be construed as in any way limiting employees' rights to file a formal complaint with the appropriate state or federal agencies responsible for administering anti-discrimination laws. Complainants should be aware that time restrictions may apply and need to be considered.

Harassment (including sexual harassment) is not only prohibited by Town policy but is also prohibited by federal, state, and (where applicable) local law. Aside from the Town's internal process, employees may also choose to pursue legal remedies with the following governmental entities at any time.

<u>New York State Division of Human Rights (DHR)</u>

The Human Rights Law (HRL) applies to employers in New York State with regard to harassment and protects employees and non-employees regardless of immigration status. A complaint alleging violation of the Human Rights Law may be filed either with DHR or in New York State Supreme Court. Complaints with DHR may be filed any time within one year of the harassment. If an individual did not file at DHR, they can sue directly in state court under the HRL, within three years of the alleged discrimination. An individual may not file with DHR if they have already filed an HRL complaint in state court. Filing an internal complaint with the Town does not extend the time limits to file with DHR or in court. The one year or three years is counted from date of the most recent incident of harassment. An attorney is not needed to file a complaint with DHR, and

there is no cost to file with DHR. DHR will investigate the complaint and determine whether there is probable cause to believe that discrimination has occurred. Probable cause cases are forwarded to a public hearing before an administrative law judge. If discrimination is found after a hearing, DHR has the power to award relief, which varies but may include requiring the Town to take action to stop the harassment, or redress the damage caused, including paying monetary damages, attorney's fees and civil fines.

DHR's main office contact information is: NYS Division of Human Rights, One Fordham Plaza, Fourth Floor, Bronx, New York 10458, (718) 741-8400. Contact DHR at (888) 392- 3644 or visit dhr.ny.gov/complaint for more information about filing a complaint. The website has a complaint form that can be downloaded, filled out, notarized and mailed to DHR. The website also contains contact information for DHR's regional offices across New York State.

United States Equal Employment Opportunity Commission (EEOC)

The EEOC enforces federal anti-discrimination laws, including Title VII of the 1964 federal Civil Rights Act (codified as 42 U.S.C. § 2000e et seq.). An individual can file a complaint with the EEOC anytime within 300 days from the harassment. There is no cost to file a complaint with the EEOC. The EEOC will investigate the complaint and determine whether there is reasonable cause to believe that discrimination has occurred, at which point the EEOC will issue a Right to Sue letter permitting the individual to file a complaint in federal court. The EEOC does not hold hearings or award relief but may take other action including pursuing cases in federal court on behalf of complaining parties. Federal courts may award remedies if discrimination is found to have occurred. If an employee believes that he/she has been discriminated against at work, he/she can file a "Charge of Discrimination." The EEOC has district, area, and field offices where complaints can be filed. Contact the EEOC by calling 1-800-669-4000 (1-800-669-6820 (TTY)), visiting their website at www.eeoc.gov or via email at info@eeoc.gov. If an individual filed an administrative complaint with DHR, DHR will file the complaint with the EEOC to preserve the right to proceed in federal court.

Local Protections

Many localities enforce laws protecting individuals from sexual harassment and discrimination. An individual should contact the county, city or town in which they live to find out if such a law exists.

Contact the Rotterdam Police Department

If the harassment involves physical touching, coerced physical confinement or coerced sex acts, the conduct may constitute a crime. Contact the Rotterdam Police Department.

14. Failure to adequately and fully complete the bid packet and/or questions contained in the RFB shall be disqualified and the bid shall be rejected.

SECTION 4: NON-DESCRIMINATION AND HARRASSMENT (Including Sexual Harassment) IN THE WORKPLACE

Policy Statement – It is the policy of the Town of Rotterdam to promote a productive work environment and to prohibit conduct by any Elected Official or employee (as defined in Section 104 of the Employee Handbook) that disrupts or interferes with another's work performance or that creates an intimidating, offensive, or hostile work environment. In keeping with this goal, the Town is committed to educate Elected Officials and employees in the recognition and prevention of workplace discrimination and harassment, including sexual harassment, and to provide an effective means of eliminating such discrimination and harassment from the workplace. In short, the Town does not tolerate any form of discrimination or harassment, including sexual harassment, and will take all steps necessary to prevent and stop the occurrence of such activity in the workplace. The accompanying complaint procedure is intended to provide an effective mechanism for reporting, and resolving promptly, complaints of discrimination and harassment, including sexual harassment, without any risk of repercussion to any individual covered by this policy who, in good faith, files such complaint.

Applicability of Policy – This policy applies to all Elected Officials, Appointed Members of Boards and Commissions, employees, supervisors, and Department Heads, whether employed full or part-time, temporary or seasonal, paid or unpaid interns, volunteers, and those employed by companies contracting to provide services in the workplace. Depending on the extent of the Town's exercise of control, this policy may be applied to the conduct of non-Town employees with respect to harassment of Town employees in the workplace.

Prohibited harassment (including sexual harassment) is not limited to the physical workplace itself. It can occur while Elected Officials, employees or other individuals covered by this policy are traveling for Town business or at Town sponsored events or parties. Calls, texts, emails, and social media usage by employees or other individuals covered by this policy can constitute workplace harassment, even if they occur away from the workplace premises, on personal devices, or during non-work hours.

Prohibited Activity – No Elected Official, employee or other individuals covered by this policy shall engage in any of the following:

- Harassment: Unwanted, unreasonable verbal or physical conduct directed toward or affecting another person that disturbs, frightens, insults, threatens, intimidates, demeans, or offends that other person, that continues or is repeated after a request to cease, and that: 1) has the purpose or effect of creating an intimidating, hostile, or offensive work environment; 2) has the purpose or effect of unreasonably interfering with an individual's work performance; or 3) otherwise adversely affects an individual's employment opportunities. Harassment includes offensive or inappropriate images or written materials or electronic communications (e.g. letters, e-mail, text messages, or graffiti) as well as bias-based harassment and sexual harassment (see below).

- Bias-Based Harassment: Harassment that denigrates, offends or shows hostility or aversion toward an individual on the basis of sex, (including gender identity and the status of being transgender), sexual orientation, race, color, national origin, religion, disability, pregnancy,

age, marital status, veteran status, military status, arrest or conviction record, genetic information or predisposing characteristics, domestic violence victim status, or any other protected status. Bias-based harassment includes, but is not limited to: epithets, slurs or negative stereotyping; threatening, intimidating, or hostile acts; denigrating jokes; and written, electronic, or graphic material that denigrates, ridicules, objectifies, or shows hostility, aversion or contempt toward an individual or group and that is placed on walls, bulletin boards, lockers or elsewhere on or in the Town's premises, vehicles, or equipment, or is circulated in the workplace, including through electronic means.

- Discrimination: The Town of Rotterdam is an Equal Opportunity Employer. The Town does not unlawfully discriminate on the basis of sex, (including gender identity and the status of being transgender), sexual orientation, race, color, national origin, religion, disability, pregnancy, age, marital status, veteran status, military status, arrest or conviction record, genetic information or predisposing characteristics, domestic violence victim status, or any other protected status. Unlawful discrimination based on membership in these categories is prohibited by applicable federal, state, or local laws. This policy applies to all terms and conditions of employment, including, but not limited to, hiring, placement, assignments, compensation, promotion, transfer, training, leave of absence, and termination.

Definition of Sexual Harassment – This policy places special attention on the prohibition of sexual harassment in the workplace.

Sexual harassment is a form of sex discrimination and is unlawful under federal, state, and (where applicable) local law. Sexual harassment includes harassment on the basis of sex, sexual orientation, self-identified or perceived sex, gender expression, gender identity and the status of being transgender.

Sexual harassment includes unwelcome conduct which is either of a sexual nature, or which is directed at an individual because of that individual's sex when:

- Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive work environment, even if the reporting individual is not the intended target of the sexual harassment;
- Such conduct is made either explicitly or implicitly a term or condition of employment; or
- Submission to or rejection of such conduct is used as the basis for employment decisions affecting an individual's employment.

A sexually harassing hostile work environment includes, but is not limited to, words, signs, jokes, pranks, intimidation, or physical violence which are of a sexual nature, or which are directed at an individual because of that individual's sex. Sexual harassment also consists of any unwanted verbal or physical advances, sexually explicit derogatory statements or sexually discriminatory remarks made by someone which are offensive or objectionable to the recipient, which cause the recipient discomfort or humiliation, or which interfere with the recipient's job performance.

Sexual harassment also occurs when a person in authority tries to trade job benefits for sexual favors. This can include hiring, promotion, continued employment or any other terms, conditions or privileges of employment. This is also called "quid pro quo" harassment.

Any employee who feels harassed should report so that any violation of this policy can be corrected promptly. Any harassing conduct, even a single incident, can be addressed under this policy.

Examples of Sexual Harassment - The following describes some of the types of acts that may be unlawful sexual harassment and that are strictly prohibited:

- Physical acts of a sexual nature, such as:
    - Touching, pinching, patting, kissing, hugging, grabbing, brushing against another employee's body or poking another employee's body;
    - Rape, sexual battery, molestation or attempts to commit these assaults.
- Unwanted sexual advances or propositions, such as:
    - Requests for sexual favors accompanied by implied or overt threats concerning the target's job performance evaluation, a promotion or other job benefits or detriments;
    - Subtle or obvious pressure for unwelcome sexual activities.
- Sexually oriented gestures, noises, remarks or jokes, or comments about a person's sexuality or sexual experience, which create a hostile work environment.
- Sex stereotyping occurs when conduct or personality traits are considered inappropriate simply because they may not conform to other people's ideas or perceptions about how individuals of a particular sex should act or look.
- Sexual or discriminatory displays or publications anywhere in the workplace, such as:
    - Displaying pictures, posters, calendars, graffiti, objects, promotional material, reading materials or other materials that are sexually demeaning or pornographic. This includes such sexual displays on workplace computers or cell phones and sharing such displays while in the workplace.
- Hostile actions taken against an individual because of that individual's sex, sexual orientation, gender identity and the status of being transgender, such as:
    - Interfering with, destroying or damaging a person's workstation, tools or equipment, or otherwise interfering with the individual's ability to perform the job;
    - Sabotaging an individual's work;
    - Bullying, yelling, name-calling.

Prohibition Against Retaliation – Unlawful retaliation can be any action that could discourage an employee from coming forward to make or support a claim of discrimination or harassment, including sexual harassment. Adverse action need not be job-related or occur in the workplace to constitute unlawful retaliation (e.g., threats of physical violence outside of work hours).

Unlawful retaliation against any employee who has engaged in "protected activity" is strictly prohibited by this policy as well as (where applicable) federal, state, and local law. Protected activity occurs when a person has:

- made a complaint of harassment or discrimination, either internally or with any anti-discrimination agency;
- opposed harassment or discrimination by making a verbal or informal complaint to management, or by simply informing a supervisor or management of harassment or discrimination;
- reported that another employee has been subjected to harassment or discrimination;
- encouraged a fellow employee to report harassment or discrimination;
- participated in a workplace investigation regarding harassment or discrimination;
- testified or assisted in a proceeding involving harassment or discrimination under the Human Rights Law or other anti-discrimination laws.

Even if the alleged discrimination or harassment does not turn out to rise to the level of a violation of law, the individual is protected from retaliation if the person had a good faith belief that the practices were unlawful. However, the retaliation provision is not intended to protect persons making intentionally false charges of discrimination or harassment.

Reporting of Discrimination and Harassment (including Sexual Harassment) – Reports of alleged discrimination and/or harassment (including sexual harassment) or retaliation may be made verbally or in writing. A form for the submission of a written complaint is attached to this policy and individuals are encouraged to use this form. If an individual chooses to submit a verbal complaint, such complaint will be recorded by the receiver of this complaint on this form. Employees are encouraged to report incidents of discrimination, harassment (including sexual harassment), or retaliation to their Department Head and/or the Town Supervisor as soon as possible after their occurrence. If the employee's Department Head is believed to be involved in the incident, or if the employee is not comfortable in addressing the incident with the Department Head, the report should be made directly to the Town Supervisor. If the Town Supervisor is believed to be involved in the incident or the employee is not comfortable reporting the incident to the Town Supervisor, the employee should report the incident to a member of the Town Board. Employees who believe they have been discriminated against or harassed and would like to obtain guidance as to how to proceed in filing a complaint, should contact their immediate supervisor, their Department Head, the Town Supervisor, or any member of the Town Board. Employees who work during off-hours are encouraged to contact their supervisor, their Department Head, the Town Supervisor, or any member of the Town Board at home if these individuals do not work during the employee's shift. Non-employees are encouraged to report incidents of alleged discrimination and harassment (including sexual harassment) to either the Department Head of the department where services are being provided, the Town Supervisor, or a member of the Town Board.

Supervisory Responsibility – Supervisory personnel must make every effort to ensure a work environment that is free from discrimination and harassment, including sexual harassment. Any Department Head or supervisor who receives a complaint or information about suspected prohibited activity (as outlined above), observes behavior that may constitute prohibited activity, or for any reason suspects that prohibited activity is occurring, is required to report such suspected prohibited activity to the Town Supervisor, or any member of the Town Board.

In addition to being subject to corrective action or discipline if they engaged in prohibited activity themselves, supervisory personnel will be subject to discipline for failing to report suspected prohibited activity or otherwise knowingly allowing prohibited activity to continue. Supervisory personnel will also be subject to corrective action or discipline for engaging in any form of retaliation prohibited by this policy.

Investigation of Complaint – The Town Supervisor, in consultation with the Town Board, will determine the appropriate individual(s) to conduct the investigation. All complaints pursuant to this policy, whether reported in verbal or written form, will be investigated promptly, thoroughly, and in as impartial a manner as possible. The investigation will normally include conferring with the parties involved and any named or apparent witnesses. All employees are required to cooperate in an investigation, if so directed. All persons involved, including complainants, witnesses and alleged perpetrators will be accorded due process to protect their rights to a fair and impartial investigation. All relevant materials, including all electronic communications, documents, emails or phone records that are relevant to the allegations will also be considered. A written report will be prepared documenting the results of the investigation. The individual who reported the complaint and the individual about whom the complaint was made will be notified of the final determination.

Confidentiality – Complaints of discrimination and harassment, including sexual harassment, will be handled and investigated promptly and in a manner that is as impartial and confidential as possible. In no event will information concerning a complaint be released by the Town to third parties or to anyone within the Town employment who is not directly involved in the investigation or handling of the complaint unless otherwise required by law.

Corrective Action and Discipline – Any employee who is found to have violated any aspect of this policy will be subject to corrective or disciplinary action, up to and including termination of employment, as provided by Town operating procedures, including Civil Service Law Section 75, or a collective bargaining agreement. Any Elected Official who violates this policy will be subject to remedial action as provided for and/or allowed under NYS Public Officers Law, as well as any other applicable statutes. Any vendor, supplier, visitor, customer, or other non-employee who violates this policy will be subject to remedial action, to the extent that the Town is empowered to take such action.

Legal Protections and External Remedies – Nothing in this policy should be construed as in any way limiting employees' rights to file a formal complaint with the appropriate state or federal agencies responsible for administering anti-discrimination laws. Complainants should be aware that time restrictions may apply and need to be considered.

Harassment (including sexual harassment) is not only prohibited by Town policy but is also prohibited by federal, state, and (where applicable) local law. Aside from the Town's internal process, employees may also choose to pursue legal remedies with the following governmental entities at any time.

New York State Division of Human Rights (DHR)

The Human Rights Law (HRL) applies to employers in New York State with regard to harassment and protects employees and non-employees regardless of immigration status. A complaint alleging violation of the Human Rights Law may be filed either with DHR or in New York State Supreme Court. Complaints with DHR may be filed any time within one year of the harassment. If an individual did not file at DHR, they can sue directly in state court under the HRL, within three years of the alleged discrimination. An individual may not file with DHR if they have already filed an HRL complaint in state court. Filing an internal complaint with the Town does not extend the time limits to file with DHR or in court. The one year or three years is counted from date of the most recent incident of harassment. An attorney is not needed to file a complaint with DHR, and there is no cost to file with DHR. DHR will investigate the complaint and determine whether there is probable cause to believe that discrimination has occurred. Probable cause cases are forwarded to a public hearing before an administrative law judge. If discrimination is found after a hearing, DHR has the power to award relief, which varies but may include requiring the Town to take action to stop the harassment, or redress the damage caused, including paying monetary damages, attorney's fees and civil fines.

DHR's main office contact information is: NYS Division of Human Rights, One Fordham Plaza, Fourth Floor, Bronx, New York 10458, (718) 741-8400. Contact DHR at (888) 392- 3644 or visit dhr.ny.gov/complaint for more information about filing a complaint. The website has a complaint form that can be downloaded, filled out, notarized and mailed to DHR. The website also contains contact information for DHR's regional offices across New York State.

United States Equal Employment Opportunity Commission (EEOC)

The EEOC enforces federal anti-discrimination laws, including Title VII of the 1964 federal Civil Rights Act (codified as 42 U.S.C. § 2000e et seq.). An individual can file a complaint with the EEOC anytime within 300 days from the harassment. There is no cost to file a complaint with the EEOC. The EEOC will investigate the complaint and determine whether there is reasonable cause to believe that discrimination has occurred, at which point the EEOC will issue a Right to Sue letter permitting the individual to file a complaint in federal court. The EEOC does not hold hearings or award relief but may take other action including pursuing cases in federal court on behalf of complaining parties. Federal courts may award remedies if discrimination is found to have occurred. If an employee believes that he/she has been discriminated against at work, he/she can file a "Charge of Discrimination." The EEOC has district, area, and field offices where complaints can be filed. Contact the EEOC by calling 1-800-669-4000 (1-800-669-6820 (TTY)), visiting their website at www.eeoc.gov or via email at info@eeoc.gov. If an individual filed an administrative complaint with DHR, DHR will file the complaint with the EEOC to preserve the right to proceed in federal court.

Local Protections

Many localities enforce laws protecting individuals from sexual harassment and discrimination. An individual should contact the county, city or town in which they live to find out if such a law exists.

Contact the Rotterdam Police Department

If the harassment involves physical touching, coerced physical confinement or coerced sex acts, the conduct may constitute a crime. Contact the Rotterdam Police Department.

Only those vendors who obtain ITB, RFB or RFQ documents from the BidNet system are guaranteed to receive addendum information, if such information is issued. If you obtain the document(s) from a source other than the source indicated, it is recommended that you register on the Empire State Purchasing Group website, http://www.bidnetdirect.com/new-york and obtain an official copy.

4. Purchases made for the Town of Rotterdam are not subject to State or local taxes or Federal excise taxes. Exemption certificates will be furnished upon request.

By submission of this bid, each bidder and each person signing on behalf of any bidder, certifies under penalty of perjury, that to the best of his/her knowledge and belief that the prices of the bid have been arrived at independently without collusion, consultation, communication or agreement, for the purpose of restricting competition, as to any matter related to such prices with any other bidder or competitor; that the prices quoted have not and will not be disclosed prior to opening, directly or indirectly, to any other bidder or competitor; that no attempt has been or will be made to induce any other person, partnership or corporation to submit or not submit a bid for the purpose of restricting competition. Each bidder must state that no officer of the Town of Rotterdam or member of the Town Board is directly or indirectly interested in the proposal. Upon failure to make delivery as promised, the Town Board of the Town of Rotterdam, New York, may consider the contract breached and will then feel free to go into the open market and to maintain an action against the contractor to recover any differences which the Town Board might stand to lose between the contract price and the market price.

11. Where items or articles or equipment or supplies are designated as manufactured by a specific manufacturer, it is to be understood that the articles as specified represent an accepted standard. Where certain brands of materials, apparatus, or equipment are specified, such goods have been selected in order to establish a standard for the particular service required, but it is not the intention to limit competition thereby. If the bidder proposes to furnish the article which is specified, he is to fill in the amount on the line indicated. If he desires to bid on a substitute for the article specified, which is claimed to be equivalent to the standard specified, the amount should be recorded and also identified as "substitute" bid and furnish the required information relating to the manufacturer. In cases where the bid is based upon a substitute article, the bidder will be asked to submit a sample. Samples will be returned, if desired, as soon as the award is made.

12. The Town Board of the Town of Rotterdam reserves the right to waiver any informalities on bids received, and to accept reasonable substitutes for specified items as long as such substitutes in no way affect the performance of the item for which the bid has been requested.

13. The approximate quantities shown in the bidding documents are not meant to imply that said quantities will in fact be purchased. Payment will be based on an "as delivered" basis at the facilities listed using actual quantities received.

14. Failure to adequately and fully complete the bid packet and/or questions contained in the RFB shall be disqualified and the bid shall be rejected.

SECTION 4: NON-DESCRIMINATION AND HARRASSMENT (Including Sexual Harassment) IN THE WORKPLACE

Policy Statement – It is the policy of the Town of Rotterdam to promote a productive work environment and to prohibit conduct by any Elected Official or employee (as defined in Section 104 of the Employee Handbook) that disrupts or interferes with another's work performance or that creates an intimidating, offensive, or hostile work environment. In keeping with this goal, the Town is committed to educate Elected Officials and employees in the recognition and prevention of workplace discrimination and harassment, including sexual harassment, and to provide an effective means of eliminating such discrimination and harassment from the workplace. In short, the Town does not tolerate any form of discrimination or harassment, including sexual harassment, and will take all steps necessary to prevent and stop the occurrence of such activity in the workplace. The accompanying complaint procedure is intended to provide an effective mechanism for reporting, and resolving promptly, complaints of discrimination and harassment, including sexual harassment, without any risk of repercussion to any individual covered by this policy who, in good faith, files such complaint.

Applicability of Policy – This policy applies to all Elected Officials, Appointed Members of Boards and Commissions, employees, supervisors, and Department Heads, whether employed full or part-time, temporary or seasonal, paid or unpaid interns, volunteers, and those employed by companies contracting to provide services in the workplace. Depending on the extent of the Town's exercise of control, this policy may be applied to the conduct of non-Town employees with respect to harassment of Town employees in the workplace.

Prohibited harassment (including sexual harassment) is not limited to the physical workplace itself. It can occur while Elected Officials, employees or other individuals covered by this policy are traveling for Town business or at Town sponsored events or parties. Calls, texts, emails, and social media usage by employees or other individuals covered by this policy can constitute workplace harassment, even if they occur away from the workplace premises, on personal devices, or during non-work hours.

Prohibited Activity – No Elected Official, employee or other individuals covered by this policy shall engage in any of the following:

- Harassment: Unwanted, unreasonable verbal or physical conduct directed toward or affecting another person that disturbs, frightens, insults, threatens, intimidates, demeans, or offends that other person, that continues or is repeated after a request to cease, and that: 1) has the purpose or effect of creating an intimidating, hostile, or offensive work environment; 2) has the purpose or effect of unreasonably interfering with an individual's work performance; or 3) otherwise adversely affects an individual's employment opportunities. Harassment includes offensive or inappropriate images or written materials or electronic communications (e.g. letters, e-mail, text messages, or graffiti) as well as bias-based harassment and sexual harassment (see below).

- Bias-Based Harassment: Harassment that denigrates, offends or shows hostility or aversion toward an individual on the basis of sex, (including gender identity and the status of being transgender), sexual orientation, race, color, national origin, religion, disability, pregnancy,

age, marital status, veteran status, military status, arrest or conviction record, genetic information or predisposing characteristics, domestic violence victim status, or any other protected status. Bias-based harassment includes, but is not limited to: epithets, slurs or negative stereotyping; threatening, intimidating, or hostile acts; denigrating jokes; and written, electronic, or graphic material that denigrates, ridicules, objectifies, or shows hostility, aversion or contempt toward an individual or group and that is placed on walls, bulletin boards, lockers or elsewhere on or in the Town's premises, vehicles, or equipment, or is circulated in the workplace, including through electronic means.

- Discrimination: The Town of Rotterdam is an Equal Opportunity Employer. The Town does not unlawfully discriminate on the basis of sex, (including gender identity and the status of being transgender), sexual orientation, race, color, national origin, religion, disability, pregnancy, age, marital status, veteran status, military status, arrest or conviction record, genetic information or predisposing characteristics, domestic violence victim status, or any other protected status. Unlawful discrimination based on membership in these categories is prohibited by applicable federal, state, or local laws. This policy applies to all terms and conditions of employment, including, but not limited to, hiring, placement, assignments, compensation, promotion, transfer, training, leave of absence, and termination.

Definition of Sexual Harassment – This policy places special attention on the prohibition of sexual harassment in the workplace.

Sexual harassment is a form of sex discrimination and is unlawful under federal, state, and (where applicable) local law. Sexual harassment includes harassment on the basis of sex, sexual orientation, self-identified or perceived sex, gender expression, gender identity and the status of being transgender.

Sexual harassment includes unwelcome conduct which is either of a sexual nature, or which is directed at an individual because of that individual's sex when:

- Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive work environment, even if the reporting individual is not the intended target of the sexual harassment;
- Such conduct is made either explicitly or implicitly a term or condition of employment; or
- Submission to or rejection of such conduct is used as the basis for employment decisions affecting an individual's employment.

A sexually harassing hostile work environment includes, but is not limited to, words, signs, jokes, pranks, intimidation, or physical violence which are of a sexual nature, or which are directed at an individual because of that individual's sex. Sexual harassment also consists of any unwanted verbal or physical advances, sexually explicit derogatory statements or sexually discriminatory remarks made by someone which are offensive or objectionable to the recipient, which cause the recipient discomfort or humiliation, or which interfere with the recipient's job performance.

Sexual harassment also occurs when a person in authority tries to trade job benefits for sexual favors. This can include hiring, promotion, continued employment or any other terms, conditions or privileges of employment. This is also called "quid pro quo" harassment.

Any employee who feels harassed should report so that any violation of this policy can be corrected promptly. Any harassing conduct, even a single incident, can be addressed under this policy.

Examples of Sexual Harassment - The following describes some of the types of acts that may be unlawful sexual harassment and that are strictly prohibited:

- Physical acts of a sexual nature, such as:
    - Touching, pinching, patting, kissing, hugging, grabbing, brushing against another employee's body or poking another employee's body;
    - Rape, sexual battery, molestation or attempts to commit these assaults.
- Unwanted sexual advances or propositions, such as:
    - Requests for sexual favors accompanied by implied or overt threats concerning the target's job performance evaluation, a promotion or other job benefits or detriments;
    - Subtle or obvious pressure for unwelcome sexual activities.
- Sexually oriented gestures, noises, remarks or jokes, or comments about a person's sexuality or sexual experience, which create a hostile work environment.
- Sex stereotyping occurs when conduct or personality traits are considered inappropriate simply because they may not conform to other people's ideas or perceptions about how individuals of a particular sex should act or look.
- Sexual or discriminatory displays or publications anywhere in the workplace, such as:
    - Displaying pictures, posters, calendars, graffiti, objects, promotional material, reading materials or other materials that are sexually demeaning or pornographic. This includes such sexual displays on workplace computers or cell phones and sharing such displays while in the workplace.
- Hostile actions taken against an individual because of that individual's sex, sexual orientation, gender identity and the status of being transgender, such as:
    - Interfering with, destroying or damaging a person's workstation, tools or equipment, or otherwise interfering with the individual's ability to perform the job;
    - Sabotaging an individual's work;
    - Bullying, yelling, name-calling.

Prohibition Against Retaliation – Unlawful retaliation can be any action that could discourage an employee from coming forward to make or support a claim of discrimination or harassment, including sexual harassment. Adverse action need not be job-related or occur in the workplace to constitute unlawful retaliation (e.g., threats of physical violence outside of work hours).

Unlawful retaliation against any employee who has engaged in "protected activity" is strictly prohibited by this policy as well as (where applicable) federal, state, and local law. Protected activity occurs when a person has:

- made a complaint of harassment or discrimination, either internally or with any anti-discrimination agency;
- opposed harassment or discrimination by making a verbal or informal complaint to management, or by simply informing a supervisor or management of harassment or discrimination;
- reported that another employee has been subjected to harassment or discrimination;
- encouraged a fellow employee to report harassment or discrimination;
- participated in a workplace investigation regarding harassment or discrimination;
- testified or assisted in a proceeding involving harassment or discrimination under the Human Rights Law or other anti-discrimination laws.

Even if the alleged discrimination or harassment does not turn out to rise to the level of a violation of law, the individual is protected from retaliation if the person had a good faith belief that the practices were unlawful. However, the retaliation provision is not intended to protect persons making intentionally false charges of discrimination or harassment.

Reporting of Discrimination and Harassment (including Sexual Harassment) – Reports of alleged discrimination and/or harassment (including sexual harassment) or retaliation may be made verbally or in writing. A form for the submission of a written complaint is attached to this policy and individuals are encouraged to use this form. If an individual chooses to submit a verbal complaint, such complaint will be recorded by the receiver of this complaint on this form. Employees are encouraged to report incidents of discrimination, harassment (including sexual harassment), or retaliation to their Department Head and/or the Town Supervisor as soon as possible after their occurrence. If the employee's Department Head is believed to be involved in the incident, or if the employee is not comfortable in addressing the incident with the Department Head, the report should be made directly to the Town Supervisor. If the Town Supervisor is believed to be involved in the incident or the employee is not comfortable reporting the incident to the Town Supervisor, the employee should report the incident to a member of the Town Board. Employees who believe they have been discriminated against or harassed and would like to obtain guidance as to how to proceed in filing a complaint, should contact their immediate supervisor, their Department Head, the Town Supervisor, or any member of the Town Board. Employees who work during off-hours are encouraged to contact their supervisor, their Department Head, the Town Supervisor, or any member of the Town Board at home if these individuals do not work during the employee's shift. Non-employees are encouraged to report incidents of alleged discrimination and harassment (including sexual harassment) to either the Department Head of the department where services are being provided, the Town Supervisor, or a member of the Town Board.

Supervisory Responsibility – Supervisory personnel must make every effort to ensure a work environment that is free from discrimination and harassment, including sexual harassment. Any Department Head or supervisor who receives a complaint or information about suspected prohibited activity (as outlined above), observes behavior that may constitute prohibited activity, or for any reason suspects that prohibited activity is occurring, is required to report such suspected prohibited activity to the Town Supervisor, or any member of the Town Board.

In addition to being subject to corrective action or discipline if they engaged in prohibited activity themselves, supervisory personnel will be subject to discipline for failing to report suspected prohibited activity or otherwise knowingly allowing prohibited activity to continue. Supervisory personnel will also be subject to corrective action or discipline for engaging in any form of retaliation prohibited by this policy.

Investigation of Complaint – The Town Supervisor, in consultation with the Town Board, will determine the appropriate individual(s) to conduct the investigation. All complaints pursuant to this policy, whether reported in verbal or written form, will be investigated promptly, thoroughly, and in as impartial a manner as possible. The investigation will normally include conferring with the parties involved and any named or apparent witnesses. All employees are required to cooperate in an investigation, if so directed. All persons involved, including complainants, witnesses and alleged perpetrators will be accorded due process to protect their rights to a fair and impartial investigation. All relevant materials, including all electronic communications, documents, emails or phone records that are relevant to the allegations will also be considered. A written report will be prepared documenting the results of the investigation. The individual who reported the complaint and the individual about whom the complaint was made will be notified of the final determination.

Confidentiality – Complaints of discrimination and harassment, including sexual harassment, will be handled and investigated promptly and in a manner that is as impartial and confidential as possible. In no event will information concerning a complaint be released by the Town to third parties or to anyone within the Town employment who is not directly involved in the investigation or handling of the complaint unless otherwise required by law.

Corrective Action and Discipline – Any employee who is found to have violated any aspect of this policy will be subject to corrective or disciplinary action, up to and including termination of employment, as provided by Town operating procedures, including Civil Service Law Section 75, or a collective bargaining agreement. Any Elected Official who violates this policy will be subject to remedial action as provided for and/or allowed under NYS Public Officers Law, as well as any other applicable statutes. Any vendor, supplier, visitor, customer, or other non-employee who violates this policy will be subject to remedial action, to the extent that the Town is empowered to take such action.

Legal Protections and External Remedies – Nothing in this policy should be construed as in any way limiting employees' rights to file a formal complaint with the appropriate state or federal agencies responsible for administering anti-discrimination laws. Complainants should be aware that time restrictions may apply and need to be considered.

Harassment (including sexual harassment) is not only prohibited by Town policy but is also prohibited by federal, state, and (where applicable) local law. Aside from the Town's internal process, employees may also choose to pursue legal remedies with the following governmental entities at any time.

New York State Division of Human Rights (DHR)

The Human Rights Law (HRL) applies to employers in New York State with regard to harassment and protects employees and non-employees regardless of immigration status. A complaint alleging violation of the Human Rights Law may be filed either with DHR or in New York State Supreme Court. Complaints with DHR may be filed any time within one year of the harassment. If an individual did not file at DHR, they can sue directly in state court under the HRL, within three years of the alleged discrimination. An individual may not file with DHR if they have already filed an HRL complaint in state court. Filing an internal complaint with the Town does not extend the time limits to file with DHR or in court. The one year or three years is counted from date of the most recent incident of harassment. An attorney is not needed to file a complaint with DHR, and there is no cost to file with DHR. DHR will investigate the complaint and determine whether there is probable cause to believe that discrimination has occurred. Probable cause cases are forwarded to a public hearing before an administrative law judge. If discrimination is found after a hearing, DHR has the power to award relief, which varies but may include requiring the Town to take action to stop the harassment, or redress the damage caused, including paying monetary damages, attorney's fees and civil fines.

DHR's main office contact information is: NYS Division of Human Rights, One Fordham Plaza, Fourth Floor, Bronx, New York 10458, (718) 741-8400. Contact DHR at (888) 392- 3644 or visit dhr.ny.gov/complaint for more information about filing a complaint. The website has a complaint form that can be downloaded, filled out, notarized and mailed to DHR. The website also contains contact information for DHR's regional offices across New York State.

United States Equal Employment Opportunity Commission (EEOC)

The EEOC enforces federal anti-discrimination laws, including Title VII of the 1964 federal Civil Rights Act (codified as 42 U.S.C. § 2000e et seq.). An individual can file a complaint with the EEOC anytime within 300 days from the harassment. There is no cost to file a complaint with the EEOC. The EEOC will investigate the complaint and determine whether there is reasonable cause to believe that discrimination has occurred, at which point the EEOC will issue a Right to Sue letter permitting the individual to file a complaint in federal court. The EEOC does not hold hearings or award relief but may take other action including pursuing cases in federal court on behalf of complaining parties. Federal courts may award remedies if discrimination is found to have occurred. If an employee believes that he/she has been discriminated against at work, he/she can file a "Charge of Discrimination." The EEOC has district, area, and field offices where complaints can be filed. Contact the EEOC by calling 1-800-669-4000 (1-800-669-6820 (TTY)), visiting their website at www.eeoc.gov or via email at info@eeoc.gov. If an individual filed an administrative complaint with DHR, DHR will file the complaint with the EEOC to preserve the right to proceed in federal court.

Local Protections

Many localities enforce laws protecting individuals from sexual harassment and discrimination. An individual should contact the county, city or town in which they live to find out if such a law exists.

Contact the Rotterdam Police Department

If the harassment involves physical touching, coerced physical confinement or coerced sex acts, the conduct may constitute a crime. Contact the Rotterdam Police Department.

Resolution Number PC2024-10
Moved by Mr. Collins seconded by Mr. Miglucci
Applicant: Stewart's Shops Corp.

Resolution Adopting a Report and Recommendation on the Change of Zone Request by Stewart's Shops Corp.

WHEREAS, the Town Board of the Town of Rotterdam ("Town Board") has received an application from Stewart's Shops Corp. ("Applicant") for a Change of Zone request on ±1.86 acres from Single Family Residential (R-1) and Retail Business (B-1) to General Business (B-2) to facilitate the construction of a ±3,975 square foot Stewart's Convenience Store with four (4) fueling islands. Property is located at Highbridge Road, Mercer Street, and Sherman Street and comprises 5 parcels of property known as Tax Map No. 59.16-2-10, 59.16-2-9.2, 59.16-2-9.1, 59.16-2-40.2 and 59.16-2-40.1; and

WHEREAS, the Town Board referred the Change of Zone application to the Planning Commission on January 24, 2024 for a report and recommendation thereon; and

WHEREAS, the Applicant, through its representative, Chuck Marshall, presented the Change of Zone application to the Planning Commission at its regularly scheduled meeting held on February 6, 2024; and

WHEREAS, the Planning Commission reviewed the proposed Change of Zone at its regularly scheduled meeting held on February 6, 2024; and

WHEREAS, the Planning Commission has deliberated on the proposed Change of Zone;

NOW, THEREFORE, upon motion of Member Collins, seconded by Member Miglucci,

BE IT RESOLVED, by the Planning Commission of the Town of Rotterdam as follows:

1. The Planning Commission hereby adopts the following as its report on the proposed Change of Zone:

   The Change of Zone request concerns a total of ±1.86 acres consisting of five separate parcels located on the corner of Highbridge Road, Mercer Street, and Sherman Street. 106 Sherman Street is currently vacant, 102 Sherman Street surrounds Tax Parcel 59.16-2-9.2 which previously operated as a gas station/auto repair facility that has not been in operation for several years, 1100 Highbridge Road contains a dilapidated structure that was previously utilized as a convenience store and deli, and 101 Mercer Avenue which is currently a two-family residence. The Applicant seeks the change of zone to facilitate the construction of a new Stewart's Shop (convenience store) with fuel pumps. The property was previously developed with a motor vehicle fueling station and convenience store on separate properties. Over the last 40 years or so, modernization of these types of uses have evolved and the combining of these two uses into one building site is standard. The Town Zoning Code was

amended to recognize this and updates to the Town Code in regards to Convenience Stores was amended on April 11, 2001 by the Town Board.

Rezoning the parcel would expand the allowable uses to include, in addition to uses allowed in the B-1 zoning district, the following:

- Establishments for making, assembling or repairing articles, with all such activities and Storage located entirely within an enclosed building;
- Commercial health and recreation establishments;
- Wholesale business and storage conducted entirely within an enclosed building;
- Data processing and computer services;
- Motor vehicle repair shops (special use permit);
- Propane gas filling stations (special use permit);
- Car washes (special use permit);
- Dry-cleaning laundry facilities (special use permit);
- Mass transportation facilities (special use permit);
- Drive-in establishments (special use permit);
- Public utility or communications installations (special use permit);
- Hotels and motels (special use permit);
- Contractor's shops and equipment storage yards (special use permit);
- Veterinary hospitals (special use permit);
- Motor vehicle sales and rental establishments (special use permit);
- Motor vehicle fuel filling stations (special use permit); and
- Convenience stores (special use permit).

There would be no change in the required lot area or lot frontage; the B-1 and B-2 zoning districts both require a minimum lot area of 15,000 square feet, with a minimum lot width of 100 feet.

2. Subject to the considerations set forth below in Paragraph 3, the Planning Commission hereby adopts **a positive recommendation** on the Stewart's Shops Corp. Change of Zone request for the following reasons: The proposed Change of Zone would permit the existing abandoned motor vehicle repair facility and deli located on the site to be demolished and the site redeveloped, modernized, and expanded. Pursuant to the Town's Comprehensive Plan, this property is in/near a Key Regional Access point which promotes the accessibility of the Town in the Capital Region and beyond. Enhancing regional connections and gateways creates a sense of place and creates opportunities to attract future business, industry, employers, and residents and provides an opportunity for marketing the Town. The property is in the "gateway" to the Highbridge neighborhood and currently an eyesore. Permitting a redevelopment/expansion of this property into a Stewart's Shop would be an asset to the community and would align with the goals set forth in the Comprehensive Plan.

3. This recommendation is subject to the following considerations:

    a. The various lots should be consolidated into one parcel if and when the Applicant seeks approval to redevelop the parcels for a new Stewart's Shop.

b. Neither a positive recommendation by the Planning Commission, nor any rezoning action taken by the Town Board, should be construed as an approval or other favorable position concerning any proposed conceptual development plan. Any proposed development shall remain subject to full review by the Planning Commission and, as necessary, by the Zoning Board of Appeals.

I. Introduction

In May of 2023, New York State Governor Kathy Hochul, through her initiatives outlined in the FY2024 State Budget, has devoted $25,000,000 in State funding to support volunteer fire departments. To fortify these efforts, the SFY2023-2024 Volunteer Fire Infrastructure & Response Equipment (V-FIRE) Grant Program has been issued by the New York State Division of Homeland Security and Emergency Services (DHSES) to enhance the security and safety of the citizens of New York State by providing critical funding to strengthen volunteer fire departments and districts.

The purpose of this Request for Applications (RFA) is to solicit eligible applications for up to $1,000,000 in funding to support construction, renovation, or purchase costs of critical facilities (buildings, training facilities, etc.) that support fire operations, or up to $500,000 in funding to support the purchase of allowable fire service equipment to upgrade and improve their facilities and response capabilities. Funds will be awarded competitively, based on the review of applications submitted.

The $25,000,000 available in State funding for this initiative will be divided into two tracks of eligible projects to maximize the benefits of the program funds. Eligible applicants may only select **ONE** of the following options for their grant applications:

- **Funding Option 1:**
    - **Construction/Renovation/Facility Purchase Projects:** A total of $20,000,000 in program funds will be devoted to support Construction/Renovation/Facility Purchase projects and is available to all eligible applicants. The funding amount per application may not exceed **$1,000,000** in projects requested under Funding Option 1.
- **Funding Option 2:**
    - **Equipment Projects:** A total of $5,000,000 in program funds will be devoted to support allowable fire service equipment projects and is available to all eligible applicants. The funding amount per application may not exceed **$500,000** in projects requested under Funding Option 2.

Should an eligible applicant submit for multiple projects within an application under one of the above funding options, they are highly encouraged to prioritize their projects with the most pressing needs and most significant capability gaps. DHSES reserves the right to adjust the allocation caps for either track of funding to support the most critical needs of the fire service community based on the number and type of applications received.

II. Eligibility

A. Eligibility

Only eligible entities that are located within the State of New York and serve one or more local governments may apply. All applications must articulate how they meet the eligibility requirements within their application.

1. **Eligible organizations include:**

   - **Volunteer Fire Companies** that are comprised of 100% volunteer firefighters, that are responsible for providing fire protection services to one or more jurisdiction(s). These entities are required to submit the signed contract agreement with the town or village they are covering.

     - Nonprofit Fire Companies are eligible to apply and are subject to Prequalification or Prequalification Exempt status as identified below.

   - **Municipalities – Villages, Towns, Cities and Fire Districts** responsible for providing fire protection through a fire department comprised of 100% volunteer firefighter membership.

   - **Counties and Municipal Shared Services Applications:** Counties may only apply on behalf of local volunteer fire departments that are comprised of 100% volunteer firefighter membership, provided the applying county has a minimum of 60% documented approval from the volunteer fire departments within the county that will directly benefit from the requested project(s). Requests for grant funds under a county application must be for shareable projects that will benefit and be accessible to the volunteer fire departments represented in the application. The applying County must complete and submit the Local Volunteer Fire Department Consent Form (Exhibit C), to include at least 60% sign-off from the fire chiefs of agencies represented in the application.

   - Two or more municipalities may apply for shared projects that will benefit and be accessible to two or more volunteer fire departments.

     Examples of shareable projects include, but are not limited to, the following:

     - Fire Training Center, training tower or other training facility

   - NYS Division of Homeland Security and Emergency Services, to include Offices and units within the Agency.

B. The aforesaid exemption may be subject to the following conditions, to wit:

(1) No exemption shall be granted if the income of the owner or the combined income of the owners of the property for the income tax year immediately preceding the date of making application for exemption exceeds the maximum sum listed in any given year. "Income tax year" shall mean the twelve-month period for which the owner or owners filed a federal personal income tax return or, if no such return is filed, the calendar year. Where title is vested in either the husband or the wife, their combined income may not exceed such sum, except where the husband or wife, or ex-husband or ex-wife is absent from the property due to divorce, legal separation or abandonment, then only the income of the spouse or ex-spouse residing on the property shall be considered and may not exceed such sum. Such income shall include social security and retirement benefits, interest, dividends, total gain from the sale or exchange of a capital asset which may be offset by a loss from the sale or exchange of a capital asset in the same income tax year, net rental income, salary or earnings, and net income from self-employment, but shall not include a return of capital, gifts, inheritances or moneys earned through employment in the federal foster grandparent program, and any such income shall be offset by all medical and prescription drug expenses actually paid which were not reimbursed or paid for by insurance. In computing net rental income and net income from self-employment no depreciation deduction shall be allowed for the exhaustion, wear and tear of real or personal property held for the production of income.

(2) No exemption shall be granted unless the property is used exclusively for residential purposes; provided, however, that in the event any portion of such property is not so used exclusively for residential purposes but is used for other purposes, such portion shall be subject to taxation and the remaining portion only shall be entitled to the exemption herein:

(3) No exemption shall be granted unless the real property is the legal residence of and is occupied in whole or in part by the disabled person; except where the disabled person is absent from the residence while receiving health-related care as an inpatient of a residential health care facility, as defined in § 2801 of the Public Health Law, provided that any income accruing to the person shall be considered income for purposes of this section only to the extent that it exceeds the amount paid by such person or spouse or sibling of such person for care in the facility.

SECTION 2. This local law shall take effect upon filing with the Secretary of State as required by Section 27 of the Municipal Home Rule Law and by posting of appropriate signage.

Responsive, empathetic whole-person care

Empowering retirees to stay healthy

SilverSneakers®: This senior-specific program offers health education, social events, and physical activity across 16,000 national locations, as well as live online fitness classes and on-demand workout videos.

Social drivers of health: Our engagement and support strategy addresses barriers to care, like food insecurity; lack of transportation or housing; poor language or literacy skills; and loneliness and social isolation.*

Pod model approach: A multidisciplinary team of clinicians who specialize in the care of older adults collaborates to understand retirees' individual health profiles and deliver personalized care.

Everything we do places the *member first.* Anthem helps older adults navigate the healthcare system, so they receive the care they need, at the right time, in the most appropriate setting.

To make this possible, we leverage artificial intelligence (AI) and predictive modeling. Applying our predictive models identifies members who would benefit from extra help.

The Anthem difference

Expanding access and support for your retirees

Broad national network

- Retirees want to continue seeing the doctors they know and trust. With our expansive network and flexible plans, retirees can visit any doctor who accepts Medicare, in or out of the plan's network, anywhere in the nation.
- Countrywide, we have more than 970,000 providers in our network.
- Through our Blues network, we forge winning partnerships, including tailored arrangements that allow for local presence with a national reach.

4.5-Star plan rating ★★★★½

- Our commitment to providing high-quality, 4+ Star plans results in improved health outcomes, streamlined administration, and long-term savings.
- Using data analysis, our proprietary Stars 360 technology assesses a member's likelihood to address care gaps and determines the most effective outreach tactics.

Value-based care

Our provider reimbursement model prioritizes better health outcomes over the number of patients seen — value over volume. Rewarding doctors for comprehensive, high-quality care can lead to:

- Less unnecessary utilization and lower costs.
- A more-focused approach to Stars and Healthcare Effectiveness Data and Information Set (HEDIS) measures.

These key strengths highlight what we can offer Town of Rotterdam and why Anthem Group Medicare Advantage has a 97% client retention rate.

Next-generation pharmacy integration

Coupling a national pharmacy network with innovative formulary designs

Our pharmacy plan offers:

- **A large retail pharmacy network** with more than 66,000 pharmacies nationwide.
- **Coverage that goes beyond Medicare requirements for generic and brand-name drugs**, including high-cost specialty drugs.
- **Mail-order drug coverage** — usually at a lower cost.
- **Formulary development that aligns drug coverage with clinically proven efficacy.**

The power of integration

By coordinating pharmacy benefits with medical, we can:

- Efficiently identify and close care gaps.
- Improve member outcomes.
- Reduce the total cost of care.

Integration also allows us to add value, including:

- A streamlined member experience.
- 90-day retail and mail-order supplies to help with adherence.
- A suite of opioid overutilization drug management programs to help combat the opioid crisis.

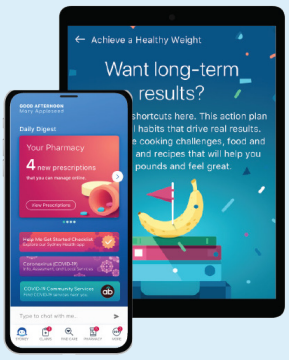
Driving engagement

Connecting retirees to care whenever and wherever they need it

Whether your retirees prefer online and mobile resources like **anthembluecross.com** and the Sydney℠ Health app or one-on-one support, our personalized approach will help them feel more engaged with their health and more confident about their care.

We give retirees high-touch, concierge-level service that simplifies and enhances their healthcare experience. From preenrollment decision-making and education to post-enrollment service and issue resolution, we will be here throughout your retirees' health journey.

Town of Rotterdam's retirees can connect with us however they're most comfortable, and receive a personalized experience every time



The **Sydney Health app** makes it easy to:

- Access digital ID cards and plan, prescription, or claims information.
- Use interactive chat for health questions.
- Find nearby care.

Members just need a smartphone, tablet, or other personal device.

Live, personalized support is always a phone call away.

- The **First Impressions Welcome Line** is available 90 days before the plan starts, so retirees can ask questions prior to enrolling.
- After enrollment, retirees can call a senior-specific service team to find the answers they need.

Virtual doctor visits are covered and make it easy for older adults to receive care from the comfort of home.

To promote engagement, we've created the NurseMatch program. Driven by AI-technology, it aligns the personalities of our care managers with the needs and demographics of our members.

Whole health builds confidence — for the next adventure

Anthem is committed to providing integrated, high-quality, value-based care with personalized whole-health support and innovative resources to reimagine what's possible for every moment of health.

We believe your retirees' success is our success — and that our plans can help navigate them toward the future they've been planning — physically, emotionally, and financially.

We would be honored to serve Town of Rotterdam's retirees in this next chapter of their lives, and give them the confidence of care and peace of mind they deserve.

Rates, rate guarantees, and benefits may need to be revised based on legislative, regulatory or other changes including, but not limited to, CMS guidance which becomes effective during the quoted product years. This includes pending CMS guidance in the Part D plan as part of the Inflation Reduction Act (IRA). Additionally, a future change to require pharmaceutical manufacturers' rebates at the point-of-sale could have a material impact on the EGWP pricing.

Plan parameters and formularies are approved by CMS on an annual basis and can change in January each year. All Part D plan changes, such as deductibles, copays, Part D and non-Part D drug coverage, may only be implemented on the group's original effective date and in January of each year thereafter.

Quote assumes Group will pay, on behalf of its members, any Late Enrollment Penalties (LEP) for applicable members. Should Group request Anthem to provide LEP billing directly to members, a premium adjustment may apply.

Participants have Medicare Parts A and B.

Eligibility for coverage for subscribers or their dependents is based on the subscriber meeting their group's requirements for coverage of retiree medical benefits.

Contracted rates are on a Per-Member-Per-Month (PMPM) basis. Each individual will receive the same equal rate; a two member contract would receive twice the rate; a three member contract would receive triple the rate.

The group will contribute 50% towards the premium. If the contribution strategy does change, Anthem must be notified and reserves the right to re-evaluate its underwriting position. If more than one plan is offered to members, then Town of Rotterdam shall offer Anthem plan coverage to all eligible Members at terms and contribution levels that are no less favorable than those applicable to any other health coverage available through Town of Rotterdam.

This plan may be limited in some states to groups that qualify as a large group within that state. The large group definition varies by state.

The pricing census included a total of 108 retired members, including 0 Medicare eligible, pre-65 retired members. If the enrolled membership differs from the pricing census by more than 10% we reserve the right to review and change the pricing if necessary.

Broker Commissions are included at $12.50 PMPM.

This quote assumes Anthem will be the exclusive post-65 retiree offering. Furthermore, the quote assumes that Anthem will offer a single plan design. Any additional plan selections will be subject to underwriting consideration.

The group's eligibility policy does not allow for retirees to enroll in a group sponsored medical plan if the retiree has previously declined coverage.

A minimum of 90-day implementation is required.

Anthem may retroactively modify the premium rates if the data provided is inaccurate or new data is submitted that varies from the data previously provided to Anthem by group or its representative.

This quote is contingent upon the majority of the enrolled membership residing in an adequate network service area. The service area and plan design are subject to CMS approval.

Additional communications beyond those mandated by CMS or operationally required, such as printed home mailers, may be subject to additional marketing communication expenses for development, fulfillment, and/or mailing.

This quote assumes co-branding (plan sponsor name and/ or logo is allowed on member materials including Medicare Advantage plan quality and health programs).

Medical and prescription drug plans must be sold as a package.

Pharmacy benefits are based on a two plan benefit structure: an EGWP plan that covers the standard Part D benefit plan as defined by CMS and the Senior Rx Plus plan that provides the additional drug coverage.

* Some services that fall within this benefit category require prior authorization. Based on the service you are receiving, your provider will know if prior authorization is needed. This means an approval in advance is needed, by your plan, to get covered services. In the network portion of a PPO, some in-network medical services are covered only if your doctor or other in-network provider gets prior authorization from our plan. In a PPO, you do not need prior authorization to obtain out-of-network services. However, we recommend you ask for a pre-visit coverage decision to confirm that the services you are getting are covered and medically necessary. Benefit categories that include services that require prior authorization are marked with an asterisk in the benefits chart.

Note: While you can get your care from an out-of-network provider for Medicare-covered services, the provider must be eligible to participate in Medicare. Except for emergency care, we cannot pay a

provider who is not eligible to participate in Medicare. If the provider is not eligible to participate in Medicare, you will be responsible for the full cost of the services you receive. Providers that do not contract with us are under no obligation to treat you, except in emergency situations.

This document reflects cost shares only.

†Must use the plan approved provider

Some of the benefits and limitations listed above are combined in-network and out-of-network.

This information is not a complete description of the benefits. Contact the plan for more information. Limitations, copayments, coinsurance, and restrictions may apply. If there is a difference between this document and the *Evidence of Coverage* (EOC), the EOC is considered correct.

Some of the benefits mentioned are part of a special supplement program for the chronically ill. Not all members may qualify for these benefits.

Benefits, premiums and/or copayments/coinsurance may change upon renewal or on January 1 of each year.

Out-of-network/non-contracted providers are under no obligation to treat Plan members, except in emergency situations. Please call our member service number or see your *Evidence of Coverage* for more information, including the cost-sharing that applies to out-of-network services. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service.

Medicare & You 2024 resource: For more information, we encourage you to read Medicare & You 2024. This booklet is mailed to people with Medicare every year in the fall.
