PUBLIC HEARING

To consider and receive evidence on the requests of the Buekendaal Temple Association, Cyprus Shriners, Schenectady Shrine Club, and Notre Dame Bishop Gibbons School for a finding that that such organizations are either domiciled within the Town of Rotterdam, or that hardship or necessity exists sufficient to warrant the conducting of bingo and/or games of chance within the territorial limits of the Town of Rotterdam by organizations not domiciled within the Town of Rotterdam, and such other matters as may be necessary or appropriate in connection with the licensing requests or applications, received or anticipated to be received, from such organizations, under applicable regulations of the New York State Gaming Commission.

RESOLUTION NO. 350.22

At the regularly scheduled public meeting of the Town Board of the Town of Rotterdam, held at the John F. Kirvin Government Center 1100 Sunrise Blvd. Rotterdam, New York on Wednesday, December 14, 2022, at 7:00 p.m., the following resolution was duly adopted:

TO CALL FOR A PUBLIC HEARING CONCERNING THE APPLICATIONS OF BEUKENDAAL TEMPLE ASSOCIATION, CYPRUS SHRINERS, SCHENECTADY SHRINE CLUB, AND NOTRE DAME BISHOP GIBBONS SCHOOL FOR A HARDSHIP DETERMINATION AND LICENSING IN CONNECTION WITH CONDUCTING BINGO/GAMES OF CHANCE OPERATIONS WITHIN THE TOWN OF ROTTERDAM

WHEREAS, persons conducting bingo and games of chance are regulated through a licensing and registration regulatory scheme promulgated by the New York State Gaming Commission; and

WHEREAS, the Buekendaal Temple Association, Cyprus Shriners, Schenectady Shrine Club, and Notre Dame Bishop Gibbons School have sought licensure from the Town of Rotterdam for activities and operations subject to the regulations promulgated by the New York State Gaming Commission in connection with the conduct of bingo and/or games of chance; and

WHEREAS, the regulations promulgated by the New York State Gaming Commission require the Town of Rotterdam to fully investigate the eligibility of the organizations seeking licensure; and

WHEREAS, a license may not be issued to organizations domiciled outside the jurisdiction of the Town of Rotterdam to conduct bingo and/or games of chance within the jurisdiction of the Town of Rotterdam unless the Town Board finds that, due to some condition of hardship or necessity, the conduct of bingo and/or games of chance in the Town by such non-domiciliary organizations is warranted, all as more specified in the regulations promulgated by the New York State Gaming Commission; and

WHEREAS, the New York State Gaming Commission has indicated that a hearing must be held in connection with making a finding of such hardship or necessity; NOW

THEREFORE, UPON MOTION OF Councilmember DODSON, seconded by Councilmember MASTROIANNI,

BE IT RESOLVED BY THE TOWN BOARD AS FOLLOWS:

SECTION 1. The Town Board hereby calls for a public hearing to be held at the John F. Kirvin Government Center, Town Hall, 1100 Sunrise Boulevard, Rotterdam, New York 12306 on Wednesday, January 11, 2023, at 7:00 p.m. to consider and receive evidence on the requests of the Buekendaal Temple Association, Cyprus Shriners, Schenectady Shrine Club, and Notre Dame Bishop Gibbons School for a finding that such organizations are domiciled within the Town of Rotterdam, or that hardship or necessity exists sufficient to warrant the conducting of bingo and/or games of chance within the territorial limits of the Town of Rotterdam by organizations not domiciled within the Town of Rotterdam, and such other matters as may be necessary or appropriate in connection with the licensing requests or applications, received or anticipated to be received, from such organizations, under applicable regulations of the New York State Gaming Commission.

SECTION 2. The Town Clerk of the Town of Rotterdam is hereby directed to post a copy of the notice on the signboard of the town, maintained pursuant to subdivision 6 of section 30 of the Town Law of the State of New York, and to publish in the official newspaper of the Town of Rotterdam not less than twenty (20) days prior to the date designated for the public hearing provided for by the following public notice:

**TOWN OF ROTTERDAM
NOTICE OF HEARING**

PLEASE TAKE NOTICE: The Town Board of the Town of Rotterdam will hold a public hearing at the John F. Kirvin Government Center, Town Hall, 1100 Sunrise Boulevard, Rotterdam, New York 12306 on Wednesday, January 11, 2023, at 7:00 p.m. for the following purpose:

To consider and receive evidence on the requests of the Buekendaal Temple Association, Cyprus Shriners, Schenectady Shrine Club, and Notre Dame Bishop Gibbons School for a finding that that such organizations are either domiciled within the Town of Rotterdam, or that hardship or necessity exists sufficient to warrant the conducting of bingo and/or games of chance within the territorial limits of the Town of Rotterdam by organizations not domiciled within the Town of Rotterdam, and such other matters as may be necessary or appropriate in connection with the licensing requests or applications, received or anticipated to be received, from such organizations, under applicable regulations of the New York State Gaming Commission.

Ms. Diane Marco
Rotterdam Town Clerk
1100 Sunrise Blvd.
Rotterdam, NY 12306

Dear Ms. Marco,

Cyprus Shriners and a subordinate organization, Schenectady Shrine Club, conducted bingo operations at the Schenectady Bingo Palace for several years, but were forced to cease operations over two years ago due to New York State Covid restrictions. The Bingo Palace has since been sold and is no longer available for Bingo.

Cyprus Shrine and the Schenectady Shrine Club are now seeking to conduct bingo at the new bingo facility being established in the ViaPort Mall, located at 93 W. Campbell Rd, Rotterdam, N. Y. 12306. Both of these organizations are domiciled at 9 Frontage Rd., Glenmont, N. Y. 12007. According to the Rules and Regulations of Bingo in the State of New York, and specifically 9 CRR-NY 4812.9 Jurisdiction of license (a) The municipal governing body shall, prior to the issuance of any license, make a finding that the applicant organization is domiciled within the territorial limits of the municipality and shall not issue a license to an organization domiciled beyond such territorial limits. Furthermore, the statute states:

(b) A municipal governing body may, upon a finding that an applicant organization is domiciled beyond the territorial limits of such municipality, issue a license to such applicant organization only in cases where:

(1) the governing body of the municipality in which the applicant organization is seeking licensure and the commission determine that, due to some condition of hardship or necessity, the conduct of bingo in the municipality in which the applicant organization is seeking licensure is warranted;

(2) the municipality in which the applicant authorized organization is seeking licensure submits to the commission a letter of consent expressing such municipality's willingness to license the applicant authorized organization;

(3) the premises for which the authorized organization is seeking its license to conduct bingo is within the territorial limits of the municipality wherein licensure is being sought and such premises have been approved by that municipality for the conduct of bingo; and

(4) the commission has issued the applicant authorized organization a bingo identification number bearing the municipal code of the licensing municipality.

Based on these statutes, Cyprus Shrine and Schenectady Shrine Club are requesting the recognition of a hardship by the Town of Rotterdam in that our former Bingo Hall no longer exists and that we depend heavily on the revenues from our bingo operations to continue to operate. Additionally, our established player base is from Schenectady County, the new facility can hold over 300 players, there is sufficient parking, and it is easy to get to by car or bus. Our search for a new bingo facility suitable to our needs over the past two years has not identified any other such facility.

Hopefully the Town of Rotterdam will permit the two Shrine Organizations to conduct bingo at the Viaport Bingo facility. We will be happy to provide any further information that you may require.

We appreciate your attention to this matter.

Sincerely,

Richard Van Vorst, Potentate

LEGISLATIVE REQUEST FORM

DATE: January 20, 2023

TO: Supervisor Mollie Collins

FROM: Hon. Kenneth P. Litz and Hon. James A. Bradshaw

TITLE OF REQUEST: Hiring of Deputy Court Clerks

TOWN BOARD MEETING: 1/25/2023

Background Information: The Justice department has had the benefit of five full time clerks for many years. We have found that having five full time clerks would be the minimum number of clerks necessary in order to efficiently handle the workload that the Justice Department deals with on a daily basis.

Evaluation/Analysis: To hire one more applicant to the position of Deputy Court Clerk. We would be moving forward with five clerks.

Recommendation(s): The Board grant the foregoing request in order to provide the Justice Department with the adequate staffing necessary for the day-to-day operations of the Justice Department.

Attachment/Document(s): Civil Service Application.

Compliance with Purchasing Policy: Not Applicable

Effect(s) on Existing Law(s): Not Applicable

RESOLUTION NO. 62.23

**TO RECOGNIZE THE INTRODUCTION OF INTRODUCTORY LOCAL LAW NO. 1
OF 2023 AND AUTHORIZING COMMENCEMENT OF THE REVIEW AND
ADOPTION PROCESS**

THEREFORE, UPON MOTION OF Councilmember _____,

seconded by Councilmember _____,

BE IT RESOLVED BY THE TOWN BOARD AS FOLLOWS:

SECTION 1. The Town Board recognizes the introduction of Introductory Local Law No. 1 of 2023, which would update the Town Code Chapter governing the Town of Rotterdam's code enforcement and building code administration program to align with current New York State minimum requirements.

SECTION 2. The Town Board hereby determines that the proposed enactment of Local Law No. 1 of 2023 is an Unlisted Action under the State Environmental Quality Review Act, that there are no other involved agencies (as that term is defined under the SEQRA regulations) other than the Town Board, and therefore establishes itself as lead agency for purposes of conducting the SEQRA review.

SECTION 3. The Town Board hereby authorizes the Town Supervisor to execute the Part 1 of the Environmental Assessment Form, as prepared, for Introductory Local Law No. 1 of 2023.

SECTION 4. The Town Clerk is hereby directed to publish in the official newspaper of the Town of Rotterdam not less than ten (10) days prior to the date designated for the public hearing provided for hereby the following notice:

**TOWN OF ROTTERDAM
NOTICE OF HEARING**

PLEASE TAKE NOTICE: That the Town Board of the Town of Rotterdam will hold a public hearing at the John F. Kirvin Government Center, Town Hall, 1100 Sunrise Boulevard, Rotterdam, New York 12306 at 7:00 p.m. on the 8th day of February 2023 for the following purpose:

For receipt of comment on the potential enactment of Introductory Local Law No. 1 of 2023 to renumber and amend current Chapter 154 of the Town Code of the Town of Rotterdam, currently entitled "Housing and Building Standards", in order to update the local code enforcement and building code administration program of the Town of Rotterdam in accordance with 19 NYCRR § 1203.3.

Introductory Local Law No. 1 of the year 2023

**A LOCAL LAW TO RENUMBER AND AMEND CHAPTER 154 OF THE TOWN CODE
OF THE TOWN OF ROTTERDAM**

Be it enacted by the Town Board of the Town of Rotterdam as follows:

See attached.

(If additional space is needed, attach pages the same size as this sheet, and number each.)

TOWN OF ROTTERDAM

INTRODUCTORY LOCAL LAW NO. 1 OF THE YEAR 2023

A LOCAL LAW TO RENUMBER AND AMEND CHAPTER 154 OF THE TOWN CODE OF THE TOWN OF ROTTERDAM

SECTION 1

This local law shall be referred to as “A Local Law to Renumber and Amend Chapter 154 of the Town Code of the Town of Rotterdam”.

SECTION 2

The purpose of this local law is to renumber and amend Chapter 154 of the Town of Rotterdam Town Code to update the local code enforcement program of the Town of Rotterdam in accordance with the 19 NYCRR § 1203.3.

SECTION 3

Chapter 154 of the Town Code of the Town of Rotterdam, entitled “Housing and Building Standards” is hereby renumbered as Chapter 89 and inserted in the appropriate location within the Town Code of the Town of Rotterdam based on such renumbering, is retitled as “Building Code Administration and Code Enforcement Program,” and is amended to read in its entirety as follows:

Chapter 89. Building Code Administration and Code Enforcement Program.

§ 89-1 Purpose and Intent.

This Chapter provides for the administration and enforcement of the New York State Uniform Fire Prevention and Building Code (the “Uniform Code”) and the State Energy Conservation Construction Code (the “Energy Code”) in the Town of Rotterdam. Except as otherwise provided in the Uniform Code, the Energy Code, other state law, or this Chapter, all buildings, structures, and premises, regardless of use or occupancy, are subject to the provisions of this Chapter.

§ 89-2 Definitions.

As used in this Chapter, the terms set forth below shall be defined as set forth herein.

ASSEMBLY AREA

An area in any building, or in any portion of any building, that is primarily used or intended to be used for the gathering fifty or more persons for uses including, but not limited to, amusement, athletic, entertainment, social, or other recreational functions; patriotic, political, civic, educational, or religious functions; food or drink consumption; awaiting transportation; or similar purposes.

BUILDING PERMIT

A building permit, construction permit, demolition permit, or other permit that authorizes the performance of work, along with any renewals, amendments, or extensions thereof, pursuant to any provision of this Chapter.

CERTIFICATE OF COMPLIANCE

A document issued by the Town stating that work was done in compliance with approved construction documents and the Codes.

CERTIFICATE OF OCCUPANCY

A document issued by the Town certifying that the building or structure, or portion thereof, complies with the approved construction documents that have been submitted to, and approved by the Town, and indicating that the building or structure, or portion thereof, is in a condition suitable for occupancy.

CODE ENFORCEMENT OFFICER

The Senior Building Inspector, or such other official appointed to administer and enforce the Uniform Code and the Energy Code pursuant to Section 89-3 (B) of this Chapter.

CODE ENFORCEMENT PERSONNEL

The Code Enforcement Officer and/or any Inspectors. Where the use of the term Code Enforcement Personnel in this Chapter is to be construed as referring to one or more Inspectors in relation to fulfilling a particular duty or exercising a particular power, such term shall be deemed to mean and refer only to those Inspectors who operate pursuant to a lawful appointment or description of job responsibilities and duties that includes within its scope such particular duty or particular power, whether generally or specifically itemized.

CODES

The New York State Uniform Fire Prevention and Building Code and New York State Energy Conservation Construction Code adopted pursuant to Article 11 of the Energy Law, as may be in effect from time to time.

ENERGY CODE

The New York State Energy Conservation Construction Code adopted pursuant to Article 11 of the Energy Law, as may be in effect from time to time.

FCNYS

The 2020 Fire Code of the State of New York, as may be in effect from time to time, or such other fire code of the State of New York as may be in effect and incorporated by reference in 19 NYCRR Part 1225 or its successor.

FIRE SAFETY AND PROPERTY MAINTENANCE INSPECTION

An inspection performed to determine compliance with the applicable provisions of 19 NYCRR Part 1225, or its successor, and the publications incorporated therein by reference as may be in effect from time to time, and the applicable provisions of 19 NYCRR Part 1226, or its successor, and the publications incorporated therein by reference as may be in effect from time to time.

HAZARDOUS PRODUCTION MATERIALS

A solid, liquid, or gas associated with semiconductor manufacturing that has a degree-of-hazard rating in health, flammability, or instability of Class 3 or 4, as ranked by NFPA 704 (Standard Systems for Identification of the Hazards of Materials for Emergency Response), as in effect from time to time, and which is used directly in research, laboratory, or production processes which have, as their end product, materials that are not hazardous.

INSPECTOR

An official appointed pursuant to Section 89-3 (D) of this Chapter to act under the supervision and direction of the Code Enforcement Officer and to assist the Code Enforcement Officer in the exercise of powers and fulfillment of duties conferred on the Code Enforcement Officer by this Chapter, to the extent such assistance, exercise and fulfillment is within the scope of the description of such official's job responsibilities and duties and is consistent with the Chapter.

MOBILE FOOD PREPARATION VEHICLES

Vehicles that contain cooking equipment that produces smoke or grease-laden vapors for the purpose of preparing and serving food to the public. Vehicles intended for private recreation shall not be considered food preparation vehicles.

OPERATING PERMIT

A permit issued pursuant to Section 89-10 of this Chapter, along with any renewals, amendments, or extensions thereof, pursuant to any provision of this Chapter.

ORDER TO REMEDY

An order issued by the Code Enforcement Officer pursuant to Section 89-17 (A) of this Chapter.

PERMIT HOLDER

The Person to whom a permit has been issued pursuant to this Chapter.

PERSON

An individual, corporation, limited liability company, partnership, limited partnership, business trust, estate, trust, association, or any other legal or commercial entity of any kind or description.

PMCNYS

The 2020 Property Maintenance Code of the State of New York, as may be in effect from time to time, or such other property maintenance code of the State of New York as may be in effect and incorporated by reference in 19 NYCRR Part 1226 or its successor.

RCNYS

The 2020 Residential Code of the State of New York, as may be in effect from time to time, or such other residential code of the State of New York as may be in effect and incorporated by reference in 19 NYCRR Part 1220 or its successor.

REPAIR

The reconstruction, replacement or renewal of any part of an existing building for the purpose of its maintenance or to correct damage.

STOP WORK ORDER

An order issued pursuant to Section 89-6 of this Chapter.

SUGARHOUSE

A building used, in whole or in part, for the collection, storage, or processing of maple sap into maple syrup and/or maple sugar.

TEMPORARY CERTIFICATE OF OCCUPANCY

A certificate issued pursuant to Section 89-7 (D) of this Chapter.

TOWN

The Town of Rotterdam.

UNIFORM CODE

The New York State Uniform Fire Prevention and Building Code, Subchapter A of Chapter XXXIII of Title 19 of the

NYCRR, adopted pursuant to Article 18 of the Executive Law, as may be in effect from time to time.

§ 89-3 CODE ENFORCEMENT OFFICER AND INSPECTORS.

A. The office of Code Enforcement Officer is hereby continued. The Code Enforcement Officer shall administer and enforce all the provisions of the Uniform Code, the Energy Code, and this Chapter. The Code Enforcement Officer shall have the following powers and duties:

1. To receive, review, and approve or disapprove applications for Building Permits, Certificates of Occupancy, Certificates of Compliance, Temporary Certificates of Occupancy, and Operating Permits, and the plans, specifications, and construction documents submitted with such applications;
2. Upon approval of such applications, to issue Building Permits, Certificates of Occupancy, Certificates of Compliance, Temporary Certificates of Occupancy, and Operating Permits, and to include therein such terms and conditions as the Code Enforcement Officer may determine to be appropriate;
3. To conduct construction inspections; inspections to be made prior to the issuance of Certificates of Occupancy, Certificates of Compliance, Temporary Certificates of Occupancy, and Operating Permits; fire safety and property maintenance inspections; inspections incidental to the investigation of complaints; and all other inspections required or permitted under any provision of this Chapter;
4. To issue Stop Work Orders;
5. To review and investigate complaints;

6. To issue orders pursuant to Section 89-17 (A) of this Chapter;
 7. To maintain records;
 8. To collect fees as set by the Town Board of the Town;
 9. To pursue administrative enforcement actions and proceedings;
 10. In consultation with the attorney for the Town, to pursue such legal actions and proceedings as may be necessary to enforce the Uniform Code, the Energy Code, and this Chapter, or to abate or correct conditions not in compliance with the Uniform Code, the Energy Code, or this Chapter; and
 11. To exercise all other powers and fulfill all other duties conferred upon the Code Enforcement Officer by this Chapter.
- B. The Code Enforcement Officer shall be appointed by the Town Board. The Code Enforcement Officer shall possess background experience related to building construction or fire prevention and shall, within the time prescribed by law, obtain such basic training, in-service training, advanced in-service training, and other training as the State of New York shall require for code enforcement personnel, and the Code Enforcement Officer shall obtain certification from the Department of State pursuant to the Executive Law and the regulations promulgated thereunder.
- C. In the event the Code Enforcement Officer is unable to serve as such for any reason, another individual shall be appointed by the Town Board as the Acting Code Enforcement Officer. The Acting Code Enforcement Officer shall, during the term of appointment, exercise all powers and fulfill all duties conferred upon the Code Enforcement Officer by this Chapter.

- D. One or more Inspectors may be appointed by the Town Board to act under the supervision and direction of the Code Enforcement Officer and to assist the Code Enforcement Officer in the exercise of the powers and fulfillment of the duties conferred upon the Code Enforcement Officer by this Chapter. Each Inspector shall, within the time prescribed by law, obtain such basic training, in-service training, advanced in-service training, and other training as the State of New York shall require for code enforcement personnel, and each Inspector shall obtain certification from the Department of State pursuant to the Executive Law and the regulations promulgated thereunder.
- E. The compensation for the Code Enforcement Officer and Inspectors shall be fixed from time to time by the Town Board of the Town.

§ 89-4 BUILDING PERMITS.

- A. Building Permits Required. Except as otherwise provided in Paragraph B of this Section, a Building Permit shall be required for any work which must conform to the Uniform Code and/or the Energy Code, including, but not limited to, the construction, enlargement, alteration, improvement, removal, relocation, or demolition of any building or structure or any portion thereof, and the installation of a solid fuel burning heating appliance, chimney, or flue in any dwelling unit. No Person shall commence any work for which a Building Permit is required without first having obtained a Building Permit from the Town.
- B. Exemptions. No Building Permit shall be required for work in any of the following categories:
1. construction or installation of one-story detached structures associated with one- or two-family dwellings or multiple single-family dwellings (townhouses), which are used for tool and storage sheds, playhouses, or similar uses, provided the gross floor area does not exceed 144 square feet;

2. construction of temporary sets and scenery associated with motion picture, television, and theater uses;
3. installation of window awnings supported by an exterior wall of a one- or two-family dwelling or multiple single-family dwellings (townhouses);
4. installation of partitions or movable cases less than 5'-9" in height;
5. painting, wallpapering, tiling, carpeting, or other similar finish work;
6. installation of listed portable electrical, plumbing, heating, ventilation or cooling equipment or appliances;
7. replacement of any equipment provided the replacement does not alter the equipment's listing or render it inconsistent with the equipment's original specifications;
8. repairs, provided that the work does not have an impact on fire and life safety, such as (a) any part of the structure system; (b) the required means of egress; or (c) the fire protection system or the removal from service of any part of the fire protection system for any period of time.

C. Exemption not deemed authorization to perform non-compliant work. The exemption from the requirement to obtain a building permit for work in any category set forth in Paragraph B of this section shall not be deemed an authorization for work to be performed in violation of the Uniform Code or the Energy Code.

D. Applications for Building Permits. Applications for Building Permits shall be made in writing on a form provided by or otherwise acceptable to the Code Enforcement Officer. The

application shall be signed by the owner of the property where the work is to be performed or by an authorized agent of the owner. The application shall include such information as the Code Enforcement Personnel reviewing the application deems sufficient to permit a determination by the Code Enforcement Personnel that the intended work complies with all applicable requirements of the Uniform Code and the Energy Code. The application shall include or be accompanied by the following information and documentation:

1. a description of the location, nature, extent, and scope of the proposed work;
2. the tax map number and street address of any affected building or structure;
3. the occupancy classification of any affected building or structure;
4. where applicable, a statement of special inspections prepared in accordance with the provisions of the Uniform Code; and
5. at least 2 sets of constructions documents (drawings and/or specifications) which (a) show the location, nature, extent, and scope of the proposed work; (b) show that the proposed work will conform to the applicable provisions of the Codes; (c) show the location, construction, size, and character of all portions of the means of egress; (d) show a representation of the building thermal envelope; (e) show structural information including but not limited to braced wall designs, the size, section, and relative locations of structural members, design loads, and other pertinent structural information; (f) show the proposed structural, electrical, plumbing, mechanical, fire-protection, and other service systems of the building; (g) include a written statement indicating compliance with the Energy Code; (h) include a site

plan, drawn to scale and drawn in accordance with an accurate boundary survey, showing the size and location of new construction and existing structures and appurtenances on the site, distances from lot lines, the established street grades and the proposed finish grades, and, as applicable, flood hazard areas, floodways, and design flood elevations; and (i) evidence that the documents were prepared by a licensed and registered architect in accordance with Article 147 of the New York State Education Law or a licensed and registered professional engineer in accordance with Article 145 of the New York State Education Law and practice guidelines, including but not limited to the design professional's seal which clearly and legibly shows both the design professional's name and license number and is signed by the design professional whose name appears on the seal in such a manner that neither the name nor the number is obscured in any way, the design professional's registration expiration date, the design professional's firm name (if not a sole practitioner), and, if the documents are submitted by a professional engineering firm and not a sole practitioner professional engineer, the firm's Certificate of Authorization number.

- E. Construction documents. Construction documents will not be accepted as part of an application for a Building Permit unless they satisfy the requirements set forth in subparagraph 5 of Paragraph D of this section. Construction documents which are accepted as part of the application for a Building Permit shall be marked as accepted by the relevant Code Enforcement Personnel in writing or by stamp, or in the case of electronic media, an electronic marking. One set of the accepted construction documents shall be retained by the Town, and one set of the accepted construction documents shall be returned to the applicant to be kept at the work site so as to be available for on-site use by Code Enforcement Personnel. However, the return of a set of accepted construction document to the applicant shall not be construed

as authorization to commence work, nor as an indication that a Building Permit will be issued. Work shall not be commenced until and unless a Building Permit is issued.

- F. Issuance of Building Permits. An application for a Building Permit shall be examined to ascertain whether the proposed work is in compliance with the applicable requirements of the Uniform Code and Energy Code. The Code Enforcement Personnel reviewing an application shall issue a Building Permit if the proposed work is in compliance with the applicable requirements of the Uniform Code and Energy Code.
- G. Building Permits to be displayed. Building Permits shall be visibly displayed at the work site and shall remain visible until the authorized work has been completed.
- H. Work to be in accordance with construction documents. All work shall be performed in accordance with the construction documents which were submitted with and accepted as part of the application for the Building Permit. The Building Permit shall contain such a directive. The Permit Holder shall immediately notify the relevant Code Enforcement Personnel of any change occurring during the course of the work. The Building Permit shall contain such directive. If the Code Enforcement Personnel determines that such change warrants a new or amended Building Permit, such change shall not be made until and unless a new or amended Building Permit reflecting such change is issued.
- I. Time limits. Building Permits shall become invalid unless the authorized work is commenced within 6 months following the date of issuance. Building Permits shall expire 12 months after the date of issuance. A Building Permit which has become invalid or which has expired pursuant to this subdivision may be renewed upon application by the Permit Holder, payment of the applicable fee, and approval of the application by the Code Enforcement Personnel.

- J. Revocation or suspension of Building Permits. If the Code Enforcement Personnel determines that a Building Permit was issued in error because of incorrect, inaccurate, or incomplete information, or that the work for which a Building Permit was issued violates the Uniform Code or the Energy Code, the Code Enforcement Personnel shall revoke the Building Permit or suspend the Building Permit until such time as the Permit Holder demonstrates that (1) all work then completed is in compliance with all applicable provisions of the Uniform Code and the Energy Code and (2) all work then proposed to be performed shall be in compliance with all applicable provisions of the Uniform Code and the Energy Code.
- K. Fee. The fee specified in or determined in accordance with the provisions set forth in section 89-18 (Fees) of this Chapter must be paid at the time of submission of an application for a Building Permit, for an amended Building Permit, or for renewal of a Building Permit.

§ 89-5 CONSTRUCTION INSPECTIONS.

- A. Work to remain accessible and exposed. Work shall remain accessible and exposed until inspected and accepted by Code Enforcement Personnel. The Permit Holder shall notify the Code Enforcement Personnel when any element of work described in Paragraph B of this section is ready for inspection.
- B. Elements of work to be inspected. The following elements of the construction process shall be inspected, where applicable:
1. work site prior to the issuance of the Building Permit;
 2. footing and foundation;
 3. preparation for concrete slab;

4. framing;
5. structural, electrical, plumbing, mechanical, fire-protection, and other similar service systems of the building;
6. fire resistant construction;
7. fire resistant penetrations;
8. solid fuel burning heating appliances, chimneys, flues, or gas vents;
9. inspections required to demonstrate Energy Code compliance, including but not limited to insulation, fenestration, air leakage, system controls, mechanical equipment size, and, where required, minimum fan efficiencies, programmable thermostats, energy recovery, whole-house ventilation, plumbing heat traps, and high-performance lighting and controls;
10. installation, connection, and assembly of factory manufactured buildings and manufactured homes; and
11. a final inspection after all work authorized by the Building Permit has been completed.

C. Remote inspections. At the discretion of the Code Enforcement Personnel, a remote inspection may be performed in lieu of an in-person inspection when, in the opinion of the Code Enforcement Personnel, the remote inspection can be performed to the same level and quality as an in-person inspection and the remote inspection shows to the satisfaction of the Code Enforcement Personnel that the elements of the construction process conform with the applicable requirements of the Uniform Code and Energy Code. Should a remote inspection not

afford the Code Enforcement Personnel sufficient information to make a determination, an in-person inspection shall be performed.

D. Inspection results. After inspection, the work or a portion thereof shall be noted as satisfactory as completed, or the Permit Holder shall be notified as to the manner in which the work fails to comply with the Uniform Code or Energy Code, including a citation to the specific code provision or provisions that have not been met. Work not in compliance with any applicable provision of the Uniform Code or Energy Code shall remain exposed until such work shall have been brought into compliance with all applicable provisions of the Uniform Code and the Energy Code, reinspected, and found satisfactory as completed.

E. Fee. The fee specified in or determined in accordance with the provisions set forth in section 89-18 of this Chapter must be paid prior to or at the time of each inspection performed pursuant to this section.

§ 89-6 STOP WORK ORDERS.

A. Authority to issue. The Code Enforcement Personnel is authorized to issue Stop Work Orders pursuant to this section. The Code Enforcement Personnel shall issue a Stop Work Order to halt:

1. Any work that is determined by the Code Enforcement Personnel to be contrary to any applicable provision of the Uniform Code or Energy Code, without regard to whether such work is or is not work for which a Building Permit is required, and without regard to whether a Building Permit has or has not been issued for such work, or
2. Any work that is being conducted in a dangerous or unsafe manner in the opinion of the Code Enforcement Personnel, without regard to whether such work is or is not work for which a Building

Permit is required, and without regard to whether a Building Permit has or has not been issued for such work, or

3. Any work for which a Building Permit is required which is being performed without the required Building Permit, or under a Building Permit that has become invalid, has expired, or has been suspended or revoked.

B. Content of Stop Work Orders. Stop Work Orders shall (1) be in writing, (2) be dated and signed by the Code Enforcement Personnel, (3) state the reason or reasons for issuance, and (4) if applicable, state the conditions which must be satisfied before work will be permitted to resume.

C. Service of Stop Work Orders. The Code Enforcement Personnel shall cause the Stop Work Order, or a copy thereof, to be served on the owner of the affected property (and, if the owner is not the Permit Holder, on the Permit Holder) personally or by certified mail. The Code Enforcement Personnel shall be permitted, but not required, to cause the Stop Work Order, or a copy thereof, to be served on any builder, architect, tenant, contractor, subcontractor, construction superintendent, or their agents, or any other Person taking part or assisting in work affected by the Stop Work Order, personally or by certified mail; provided, however, that failure to serve any Person mentioned in this sentence shall not affect the efficacy of the Stop Work Order.

D. Effect of Stop Work Order. Upon the issuance of a Stop Work Order, the owner of the affected property, the Permit Holder, and any other Person performing, taking part in, or assisting in the work shall immediately cease all work which is the subject of the Stop Work Order, other than work expressly authorized by the Code Enforcement Personnel to correct the reason for issuing the Stop Work Order.

E. Remedy not exclusive. The issuance of a Stop Work Order shall not be the exclusive remedy available to address any event described in Paragraph A of this section, and the authority to issue a Stop Work Order shall be in addition to, and not in substitution for or limitation of, the right and authority to pursue any other remedy or impose any other penalty under section 89-17 (Violations) of this Chapter or under any other applicable local law or State law. Any such other remedy or penalty may be pursued at any time, whether prior to, at the time of, or after the issuance of a Stop Work Order.

**§ 89-7 CERTIFICATES OF OCCUPANCY AND
CERTIFICATES OF COMPLIANCE.**

A. Certificates of Occupancy and Certificates of Compliance required. A Certificate of Occupancy or Certificate of Compliance shall be required for any work which is the subject of a Building Permit and for all structures, buildings, or portions thereof, which are converted from one use or occupancy classification or subclassification to another. Permission to use or occupy a building or structure, or portion thereof, for which a Building Permit was previously issued shall be granted only by issuance of a Certificate of Occupancy or Certificate of Compliance.

B. Issuance of Certificates of Occupancy and Certificates of Compliance. The Code Enforcement Personnel shall issue a Certificate of Occupancy or Certificate of Compliance if the work which was the subject of the Building Permit was completed in accordance with all applicable provisions of the Uniform Code and Energy Code and, if applicable, that the structure, building or portion thereof that was converted from one use or occupancy classification or subclassification to another complies with all applicable provisions of the Uniform

Code and Energy Code. The Code Enforcement Personnel shall inspect the building, structure, or work prior to the issuance of a Certificate of Occupancy or Certificate of Compliance. In addition, where applicable, the following documents, prepared in accordance with the provisions of the Uniform Code by such person or persons as may be designated by or otherwise acceptable to the Code Enforcement Officer, at the expense of the applicant for the Certificate of Occupancy or Certificate of Compliance, shall be provided to the Code Enforcement Personnel prior to the issuance of the Certificate of Occupancy or Certificate of Compliance:

1. A written statement of structural observations and/or a final report of special inspections,
2. Flood hazard certifications,
3. A written statement of the results of tests performed to show compliance with the Energy Code, and
4. Where applicable, the affixation of the appropriate seals, insignias, and manufacturer's data plates as required for factory manufactured buildings and/or manufactured homes.

C. Contents of Certificates of Occupancy and Certificates of Compliance. A Certificate of Occupancy or Certificate of Compliance shall contain the following information:

1. The Building Permit number, if any;
2. The date of issuance of the Building Permit, if any;
3. The name (if any), address and tax map number of the property;

4. If the Certificate of Occupancy or Certificate of Compliance is not applicable to an entire structure, a description of that portion of the structure for which the Certificate of Occupancy or Certificate of Compliance is issued;
 5. The use and occupancy classification of the structure;
 6. The type of construction of the structure;
 7. The occupant load of the assembly areas in the structure, if any;
 8. Any special conditions imposed in connection with the issuance of the Building Permit; and
 9. The signature of the Code Enforcement Personnel issuing the Certificate of Occupancy or Certificate of Compliance and the date of issuance.
- D. Temporary Certificate of Occupancy. The Code Enforcement Personnel shall be permitted to issue a Temporary Certificate of Occupancy allowing the temporary occupancy of a building or structure, or a portion thereof, prior to completion of the work which is the subject of a Building Permit. However, in no event shall the Code Enforcement Personnel issue a Temporary Certificate of Occupancy unless the Code Enforcement Personnel determines (1) that the building or structure, or portion thereof covered by the Temporary Certificate of Occupancy, may be occupied safely, (2) that any required fire and life safety components, such as fire protection equipment and fire, smoke, carbon monoxide, and heat detectors and alarms are installed and operational, and (3) that all required means of egress from the structure have been provided. The Code Enforcement Personnel may include in a Temporary Certificate of Occupancy such terms and conditions as he or she deems necessary or

appropriate to ensure the health and safety of the persons occupying and using the building or structure and/or performing further construction work in the building or structure. A Temporary Certificate of Occupancy shall be effective for a period of time, not to exceed six (6) months, which shall be determined by the Code Enforcement Personnel and specified in the Temporary Certificate of Occupancy. During the specified period of effectiveness of the Temporary Certificate of Occupancy, the Permit Holder shall undertake to bring the building or structure into full compliance with all applicable provisions of the Uniform Code and the Energy Code.

- E. Revocation or suspension of certificates. If the Code Enforcement Personnel determines that a Certificate of Occupancy, Certificate of Compliance, or a Temporary Certificate of Occupancy was issued in error or on the basis of incorrect information, and if the relevant deficiencies are not corrected to the satisfaction of the Code Enforcement Personnel within such period of time as shall be specified by the Code Enforcement Personnel, the Code Enforcement Personnel shall revoke or suspend such certificate.
- F. Fee. The fee specified in or determined in accordance with the provisions set forth in section 89-18 (Fees) of this Chapter must be paid at the time of submission of an application for a Certificate of Occupancy, Certificate of Compliance, or for Temporary Certificate of Occupancy.

§ 89-8 NOTIFICATION REGARDING FIRE OR EXPLOSION.

The chief of any fire department or company providing firefighting services for a property within this Town shall promptly notify the Code Enforcement Officer of any fire or explosion involving any structural damage, fuel burning appliance, chimney, or gas vent.

**§ 89-9 UNSAFE BUILDINGS, STRUCTURES, AND
EQUIPMENT AND CONDITIONS OF
IMMINENT DANGER.**

Unsafe buildings, structures, and equipment and conditions of imminent danger in this Town shall be identified and addressed in accordance with the procedures established by Chapter 90 of the Town Code of the Town of Rotterdam, as now in effect or as hereafter amended from time to time, and its successor(s).

§ 89-10 OPERATING PERMITS.

A. Operating Permits required. Operating Permits shall be required for conducting any process or activity or for operating any type of building, structure, or facility listed below:

1. Manufacturing, storing, or handling hazardous materials in quantities exceeding those listed in the applicable Maximum Allowable Quantity tables found in Chapter 50 of the FCNYS;
2. Buildings, structures, facilities, processes, and/or activities that are within the scope and/or permit requirements of the chapter or section title of the FCNYS as follows:
 - a. Chapter 22, "Combustible Dust-Producing Operations." Facilities where the operation produces combustible dust;
 - b. Chapter 24, "Flammable Finishes." Operations utilizing flammable or combustible liquids, or the application of combustible powders regulated by Chapter 24 of the FCNYS;

- c. Chapter 25, "Fruit and Crop Ripening." Operating a fruit- or crop-ripening facility or conducting a fruit-ripening process using ethylene gas;
- d. Chapter 26, "Fumigation and Insecticidal Fogging." Conducting fumigation or insecticidal fogging operations in buildings, structures, and spaces, except for fumigation or insecticidal fogging performed by the occupant of a detached one-family dwelling;
- e. Chapter 31, "Tents, Temporary Special Event Structures, and Other Membrane Structures." Operating an air-supported temporary membrane structure, a temporary special event structure, or a tent where approval is required pursuant to Chapter 31 of the FCNYS;
- f. Chapter 32, "High-Piled Combustible Storage." High-piled combustible storage facilities with more than 500 square feet (including aisles) of high-piled storage;
- g. Chapter 34, "Tire Rebuilding and Tire Storage." Operating a facility that stores in excess of 2,500 cubic feet of scrap tires or tire byproducts or operating a tire rebuilding plant;
- h. Chapter 35, "Welding and Other Hot Work." Performing public exhibitions and demonstrations where hot work is conducted, use of hot work, welding, or cutting equipment, inside or on a structure, except an Operating Permit is not required where work is conducted under the authorization of a building permit or where performed by the occupant of a detached one- or two-family dwelling;

- i. Chapter 40, "Sugarhouse Alternative Activity Provisions." Conducting an alternative activity at a sugarhouse;
 - j. Chapter 56, "Explosives or Fireworks." Possessing, manufacturing, storing, handling, selling, or using explosives, fireworks, or other pyrotechnic special effects materials except the outdoor use of sparkling devices as defined by Penal Law section 270;
 - k. Section 307, "Open Burning, Recreational Fires and Portable Outdoor Fireplaces." Conducting open burning, not including recreational fires and portable outdoor fireplaces;
 - l. Section 308, "Open Flames." Removing paint with a torch, or using open flames, fire, and burning in connection with assembly areas or educational occupancies; and
 - m. Section 319, "Mobile Food Preparation Vehicles." Operating a mobile food preparation vehicle.
- 3. Energy storage systems, where the system exceeds the values shown in Table 1206.1 of the FCNYS or exceeds the permitted aggregate ratings in section R327.5 of the RCNYS.
 - 4. Buildings containing one or more assembly areas;
 - 5. Outdoor events where the planned attendance exceeds 1,000 persons;
 - 6. Facilities that store, handle or use hazardous production materials;
 - 7. Parking garages as defined in section 89-13 of this Chapter;

8. Buildings whose use or occupancy classification may pose a substantial potential hazard to public safety, as determined by the Town Board; and
9. Other processes or activities or for operating any type of building, structure, or facility as determined by the Town Board.

Any person who proposes to undertake any activity or to operate any type of building listed in this Paragraph A shall be required to obtain an Operating Permit prior to commencing such activity or operation.

B. Applications for Operating Permits. An application for an Operating Permit shall be in writing on a form provided by or otherwise acceptable to the Code Enforcement Officer. Such application shall include such information as the Code Enforcement Personnel reviewing the application deems sufficient to permit a determination by the Code Enforcement Personnel that quantities, materials, and activities conform to the requirements of the Uniform Code. If the Code Enforcement Personnel determines that tests or reports are necessary to verify conformance, such tests or reports shall be performed or provided by such person or persons as may be designated by or otherwise acceptable to the Code Enforcement Personnel, as the expense of the applicant.

C. (Reserved).

D. Inspections. The Code Enforcement Personnel shall inspect the subject premises prior to the issuance of an Operating Permit. Such inspections shall be performed either in-person or remotely. Remote inspections in lieu of in-person inspections may be performed when, at the discretion of the Code Enforcement Personnel, the remote inspection can be performed to the same level and quality as an in-person inspection and the

remote inspection shows to the satisfaction of the Code Enforcement Personnel that the premises conform with the applicable requirements of the Uniform Code and the code enforcement program. Should a remote inspection not afford the Town sufficient information to make a determination, an in-person inspection shall be performed. After inspection, the premises shall be noted as satisfactory and the Operating Permit shall be issued, or the Operating Permit holder shall be notified as to the manner which the premises fail to comply with either or both of the Uniform Code or code enforcement program, including a citation to the specific provision or provisions that have not been met.

- E. Multiple Activities. In any circumstance in which more than one activity listed in Paragraph A of this section is to be conducted at a location, the Code Enforcement Personnel may require a separate Operating Permit for each such activity, or the Code Enforcement Personnel may, in their discretion, issue a single Operating Permit to apply to all such activities.
- F. Duration of Operating Permits. Operating Permits shall be issued for a specified period of time consistent with local conditions, but in no event to exceed the following:
 - 1. 180 days for tents, special event structures, and other membrane structures;
 - 2. 60 days for alternative activities at a sugarhouse;
 - 3. 3 years for the activities, structures, and operations determined per subparagraph 9 of Paragraph A of this section, and
 - 4. 1 year for all other activities, structures, and operations identified in Paragraph A of this section.

The effective period of each Operating Permit shall be specified in the Operating Permit. An Operating Permit may be reissued or renewed upon application, payment of the applicable fee, and approval of such application by the Code Enforcement Personnel.

G. Revocation or suspension of Operating Permits. If the Code Enforcement Personnel determines that any activity or building for which an Operating Permit was issued does not comply with an applicable provision of the Uniform Code, such Operating Permit shall be revoked or suspended.

H. Fee. The fee specified in or determined in accordance with the provisions set forth in section 89-18 (Fees) of this Chapter must be paid at the time of submission of an application for an Operating Permit, for an amended Operating Permit, or for reissuance or renewal of an Operating Permit.

§ 89-11 FIRE SAFETY AND PROPERTY MAINTENANCE INSPECTIONS.

A. Inspections required. Fire safety and property maintenance inspections of buildings and structures shall be performed by the Code Enforcement Personnel at the following intervals:

1. At least once every 12 months for buildings which contain an assembly area;
2. At least once every 12 months for public and private schools and colleges, including any buildings of such schools or colleges containing classrooms, dormitories, fraternities, sororities, laboratories, physical education, dining, or recreational facilities; and
3. At least once every 36 months for multiple dwellings and all nonresidential occupancies.

B. Remote inspections. At the discretion of the Code Enforcement Personnel, a remote inspection may be performed in lieu of in-person inspections when, in the opinion of the Code Enforcement Personnel, the remote inspection can be performed to the same level and quality as an in-person inspection and the remote inspection shows to the satisfaction of the Code Enforcement Personnel that the premises conform to the applicable provisions of 19 NYCRR Part 1225 and the publications incorporated therein by reference, as may be in effect from time to time and their successor(s), and the applicable provisions of 19 NYCRR Part 1226 and the publications incorporated therein by reference, as may be in effect from time to time and their successor(s). Should a remote inspection not afford the Code Enforcement Personnel sufficient information to make a determination, an in-person inspection shall be performed.

C. Inspections permitted. In addition to the inspections required by Paragraph A of this section, a fire safety and property maintenance inspection of any building, structure, use, or occupancy, or of any dwelling unit, may also be performed by the Code Enforcement Personnel at any time upon:

1. The request of the owner of the property to be inspected or an authorized agent of such owner;
2. Receipt by the Code Enforcement Personnel of a written statement alleging that conditions or activities failing to comply with the Uniform Code or Energy Code exist; or
3. Receipt by the Code Enforcement Personnel of any other information, reasonably believed by the Code Enforcement Personnel to be reliable, giving rise to reasonable cause to believe that conditions or

activities failing to comply with the Uniform Code or Energy Code exist;

Provided, however, that nothing in this Paragraph shall be construed as permitting an inspection under any circumstances under which a court order or warrant permitting such inspection is required, unless such court order or warrant shall have been obtained.

D. OFPC Inspections. Nothing in this section or in any other provision of this Chapter shall supersede, limit, or impair the powers, duties and responsibilities of the New York State Office of Fire Prevention and Control ("OFPC") and the New York State Fire Administrator or other authorized entity under Executive Law section 156-e and Education Law section 807-b. Notwithstanding any other provision of this section to the contrary, the Code Enforcement Personnel may accept an inspection performed by the Office of Fire Prevention and Control or other authorized entity pursuant to sections 807-a and 807-b of the Education Law and/or section 156-e of the Executive Law, in lieu of a fire safety and property maintenance inspection performed by the Code Enforcement Officer or by an Inspector, provided that:

1. The Code Enforcement Personnel is satisfied that the individual performing such inspection satisfies the requirements set forth in 19 NYCRR section 1203.2(e), as in effect from time to time and its successor(s);
2. The Code Enforcement Personnel is satisfied that such inspection covers all elements required to be covered by a fire safety and property maintenance inspection;
3. Such inspections are performed no less frequently than once a year;

4. A true and complete copy of the report of each such inspection is provided to the Code Enforcement Personnel; and
 5. Upon receipt of each such report, appropriate action prescribed by section 89-17 (Violations) of this Chapter is taken by Code Enforcement Personnel.
- E. Fee. The fee specified in or determined in accordance with the provisions set forth in section 89-18 (Fees) of this Chapter must be paid prior to or at the time each inspection performed pursuant to this section. This Paragraph shall not apply to inspections performed by the OFPC.

§ 89-12 COMPLAINTS.

The Code Enforcement Personnel shall review and investigate complaints which allege or assert the existence of conditions or activities that fail to comply with the Uniform Code, the Energy Code, this Chapter, or any other local law, ordinance, or regulation adopted for administration and enforcement of the Uniform Code or the Energy Code. The process for responding to a complaint shall include such of the following steps as the Code Enforcement Personnel may deem to be appropriate:

- A. Performing an inspection of the conditions and/or activities alleged to be in violation, and documenting the results of such inspection;
- B. If a violation is found to exist, providing the owner of the affected property and any other Person who may be responsible for the violation with the notice of the violation and opportunity to abate, correct or cure the violation, or otherwise proceeding in the manner described in section 89-17 (Violations) of this Chapter;
- C. If appropriate, issuing a Stop Work Order;

- D. If a violation which was found to exist is abated or corrected, performing an inspection to ensure that the violation has been abated or corrected, preparing a final written report reflecting such abatement or correction, and filing such report with the complaint.

§ 89-13 CONDITION ASSESSMENTS OF PARKING GARAGES.

A. Definitions. For the purposes of this section:

1. The term “condition assessment” means an on-site inspection and evaluation of a parking garage for evidence of deterioration of any structural element or building component of such parking garage, evidence of the existence of any unsafe condition in such parking garage, and evidence indicating that such parking garage is an unsafe structure;
2. The term “deterioration” means the weakening, disintegration, corrosion, rust, or decay of any structural element or building component, or any other loss of effectiveness of a structural element of building component;
3. The term “parking garage” means any building or structure, or part thereof, in which all or any part of any structural level or levels is used for parking or storage of motor vehicles, excluding:
 - a. Buildings in which the only level used for parking or storage of motor vehicles is on grade;
 - b. An attached or accessory structure providing parking exclusively for a detached one- or two-family dwelling; and
 - c. A townhouse unit with attached parking exclusively for such unit;

4. The term “professional engineer” means an individual who is licensed or otherwise authorized under Article 145 of the Education Law to practice the profession of engineering in the State of New York and who has at least three years of experience performing structural evaluations;
 5. The term “responsible professional engineer” means the professional engineer who performs a condition assessment, or under whose supervision a condition assessment is performed, and who seals and signs the condition assessment report. The use of the term “responsible professional engineer” shall not be construed as limiting the professional responsibility or liability of any professional engineer, or of any other licensed professional, who participates in the preparation of a condition assessment without being the responsible professional engineer for such condition assessment.
 6. The term “unsafe condition” includes the conditions identified as “unsafe” in section 304.1.1, section 305.1.1, and section 306.1.1 of the PMCNYS; and
 7. The term “unsafe structure” means a structure that is so damaged, decayed, dilapidated, or structurally unsafe, or is of such faulty construction or unstable foundation, that partial or complete collapse is possible.
- B. Condition Assessments – General Requirements. The owner/operator of each parking garage shall cause such parking garage to undergo an initial condition assessment as described in Paragraph C of this section, periodic condition assessments as described in Paragraph D of this section, and such additional condition assessments as may be required under Paragraph E of this section. Each condition assessment shall be conducted by or under the direct supervision of

a professional engineer. A written report of each condition assessment shall be prepared, and provided to the Town, in accordance with the requirements of Paragraph F of this section. Before performing a condition assessment (other than the initial condition assessment) of a parking garage, the responsible professional engineer for such condition assessment shall review all available previous condition assessment reports for such parking garage.

C. Initial Condition Assessment. Each parking garage shall undergo an initial condition assessment as follows:

1. Parking garages constructed on or after August 29, 2018, shall undergo an initial condition assessment following construction and prior to a Certificate of Occupancy or Certificate of Compliance being issued for the structure.
2. Parking garages constructed prior to August 29, 2018, shall undergo an initial condition assessment as follows:
 - a. If originally constructed prior to January 1, 1984, then prior to October 1, 2019;
 - b. If originally constructed between January 1, 1984 and December 31, 2002, then prior to October 1, 2020; and
 - c. If originally constructed between January 1, 2003 and August 28, 2018, then prior to October 1, 2021.
3. Any parking garage constructed prior to the effective date of the local law enacting this provision that has not undergone an initial condition assessment prior to that effective date shall undergo an initial condition assessment prior to July 1, 2023.

D. Periodic Condition Assessments. Following the initial condition assessment of a parking garage, such parking garage shall undergo periodic condition assessments not less frequently than every 3 years.

E. Additional Condition Assessments.

1. If the latest condition assessment report for a parking garage includes a recommendation by the responsible professional engineer that an additional condition assessment of such parking garage, or any portion of such parking garage, be performed before the date by which the next periodic condition assessment would be required under Paragraph D of this section, the owner or operator of such parking garage shall cause such parking garage (or, if applicable, the portion of such parking garage identified by the responsible professional engineer) to undergo an additional condition assessment no later than the date recommended in such condition assessment report.
2. If the Code Enforcement Personnel becomes aware of any new or increased deterioration which, in the judgment of the Code Enforcement Personnel, indicates that an additional condition assessment of the entire parking garage, or of the portion of the parking garage affected by such new or increased deterioration, should be performed before the date by which the next periodic condition assessment would be required under Paragraph D of this section, the owner or operator of such parking garage shall cause such parking garage (or, if applicable, the portion of the parking garage affected by such new or increased deterioration) to undergo an additional condition assessment no later than the date determined by the Code Enforcement Personnel to be appropriate.

F. Condition Assessment Reports. The responsible professional engineer shall prepare, or directly supervise the preparation of, a written report of each condition assessment, and shall submit such condition assessment report to the Code Enforcement Personnel within 30 days. Such condition assessment report shall be sealed and signed by the responsible professional engineer, and shall include:

1. An evaluation and description of the extent of deterioration and conditions that cause deterioration that could result in an unsafe condition or unsafe structure;
2. An evaluation and description of the extent of deterioration and conditions that cause deterioration that, in the opinion of the responsible professional engineer, should be remedied immediately to prevent an unsafe condition or unsafe structure;
3. An evaluation and description of the unsafe conditions;
4. An evaluation and description of the problems associated with the deterioration, conditions that cause deterioration, and unsafe conditions;
5. An evaluation and description of the corrective options available, including the recommended timeframe for remedying the deterioration, conditions that cause deterioration, and unsafe conditions;
6. An evaluation and description of the risks associated with not addressing the deterioration, conditions that cause deterioration, and unsafe conditions;

7. The responsible professional engineer's recommendation regarding preventative maintenance;

8. Except in the case of the report of the initial condition assessment, the responsible professional engineer's attestation that he or she has reviewed all previously prepared condition assessment reports available for such parking garage, and considered the information in the previously prepared reports while performing the current condition assessment and while preparing the current report; and

9. The responsible professional engineer's recommendation regarding the time within which the next condition assessment of the parking garage or portion thereof should be performed. In making the recommendation regarding the time within which the next condition assessment of the parking garage or portion thereof should be performed, the responsible professional engineer shall consider the parking garage's age, maintenance history, structural condition, construction materials, frequency and intensity of use, location, exposure to the elements, and any other factors deemed relevant by the responsible professional engineer in their professional judgment.

G. Review of Condition Assessment Reports. The Code Enforcement Personnel shall take such enforcement action or actions in response to the information in such condition assessment report as may be necessary or appropriate to protect the public from the hazards that may result from the conditions described in such report. In particular, but not by way of limitation, the Code Enforcement Personnel shall, by Order to Remedy or such other means of enforcement as the Code Enforcement Personnel may deem appropriate, require the owner or operator of the parking garage to repair or otherwise remedy all deterioration, all conditions that

cause deterioration, and all unsafe conditions identified in such condition assessment report pursuant to Paragraph F of this section. All repair and remedies shall comply with the applicable provisions of the Uniform Code. This section shall not limit or impair the right of the Code Enforcement Personnel to take any other enforcement action, including but not limited to suspension or revocation of a parking garage's operating permit, as may be necessary or appropriate in response to the information in a condition assessment report.

- H. The Town shall retain all condition assessment reports for the life of the parking garage. Upon request by a professional engineer who has been engaged to perform a condition assessment of a parking garage, and who provides the Town with a written statement attesting to the fact that he or she has been so engaged, the Town shall make the previously prepared condition assessment reports for such parking garage (or copies of such reports) available to such professional engineer. The Town shall be permitted to require the owner or operator of the subject parking garage to pay all costs and expenses associated with making such previously prepared condition assessment reports (or copies thereof) available to the professional engineer.
- I. This section shall not limit or impair the right or the obligation of the Code Enforcement Personnel:
 - 1. To perform such construction inspections as are required by section 89-5 (Construction Inspections) of this Chapter;
 - 2. To perform such periodic fire safety and property maintenance inspections as are required by section 89-11 (Fire Safety and Property Maintenance Inspections) of this Chapter;

3. To take such enforcement action or actions as may be necessary or appropriate to respond to any condition that comes to the attention of the Code Enforcement Personnel by means of its own inspections or observations, by means of a complaint, or by any other means other than a condition assessment or a report of a condition assessment.

§ 89-14 CLIMATIC AND GEOGRAPHIC DESIGN CRITERIA.

- A. The Code Enforcement Officer shall determine the climatic and geographic design criteria for buildings and structures constructed within the Town as required by the Uniform Code. Such determinations shall be made in the manner specified in the Uniform Code using, where applicable, the maps, charts, and other information provided in the Uniform Code. The criteria to be so determined shall include but shall not necessarily be limited to, the following:
 1. Design criteria to include ground snow load; wind design loads; seismic category; potential damage from weathering, frost, and termite; winter design temperature; whether ice barrier underlayment is required; the air freezing index; and the mean annual temperature;
 2. Heating and cooling equipment design criteria for structures within the scope of the RCNYS. The design criteria shall include the data identified in the Design Criteria Table found in Chapter 3 of the RCNYS; and
 3. Flood hazard areas, flood hazard maps, and supporting data. The flood hazard map shall include, at a minimum, special flood hazard areas as identified by the Federal Emergency Management

Agency in the Flood Insurance Study for the community, as amended or revised with:

- a. The accompanying Flood Insurance Rate Map (FIRM);
 - b. Flood boundary and Floodway Map (FBFM); and
 - c. Related supporting data along with any revisions thereto.
- B. The Code Enforcement Officer shall prepare a written record of the climatic and geographic design criteria determined pursuant to Paragraph A of this section, shall maintain such record within the office of the Code Enforcement Officer, and shall make such record readily available to the public.

§ 89-15 RECORDKEEPING.

- A. The Code Enforcement Officer shall keep permanent official records of all transactions and activities conducted by all Code Enforcement Personnel, including records of:
1. All applications received, reviewed and approved or denied;
 2. All plans, specifications and construction documents approved;
 3. All Building Permits, Certificates of Occupancy, Certificates of Compliance, Temporary Certificates, Stop Work Orders, and Operating Permits issued;
 4. All inspections and tests performed;
 5. All statements and reports issued;

6. All complaints received;
7. All investigations conducted;
8. All condition assessment reports received;
9. All fees charged and collected; and
10. All other features and activities specified in or contemplated by sections 89-4 through 89-14 inclusive of this Chapter.

B. All such records shall be public records open for public inspection during normal business hours. All plans and records pertaining to buildings or structures, or appurtenances thereto, shall be retained for at least the minimum time period so required by State law and regulation.

§ 89-16 PROGRAM REVIEW AND REPORTING.

- A. The Code Enforcement Officer shall annually submit to the Town Board a written report and summary of all business conducted by the Code Enforcement Officer and the Inspectors, including a report and summary of all transactions and activities described in section 89-15 (Recordkeeping) of this Chapter and a report and summary of all appeals or litigation pending or concluded.
- B. The Code Enforcement Officer shall annually submit to the Secretary of State, on behalf of the Town, on a form prescribed by the Secretary of State, a report of the activities of the Town relative to the administration and enforcement of the Uniform Code.
- C. The Code Enforcement Officer shall, upon request of the New York State Department of State, provide to the New York State Department of State, true and

complete copies of the records and related materials the Town is required to maintain; true and complete copies of such portion of such records and related materials as may be requested by the Department of State; and/or such excerpts, summaries, tabulations, statistics, and other information and accounts of its activities in connection with administration and enforcement of the Uniform Code and/or Energy Code as may be requested by the Department of State.

§ 89-17 VIOLATIONS.

- A. Orders to Remedy. The Code Enforcement Personnel is authorized to order in writing the remedying of any condition or activity found to exist in, on or about any building, structure, or premises in violation of the Uniform Code, the Energy Code, or this Chapter. An Order to Remedy shall be in writing; shall be dated and signed by the Code Enforcement Personnel; shall specify the condition or activity that violates the Uniform Code, the Energy Code, or this Chapter; shall specify the provision or provisions of the Uniform Code, the Energy Code, or this Chapter which is/are violated by the specified condition or activity; and shall include a statement substantially similar to the following:

“The person or entity served with this Order to Remedy must completely remedy each violation described in this Order to Remedy by _____ [specify date], which is thirty (30) days after the date of this Order to Remedy.”

The Order to Remedy may include provisions ordering the person or entity served with such Order to Remedy (1) to begin to remedy the violations described in the Order to Remedy immediately, or within some other specified period of time which may be less than thirty (30) days; to continue diligently to remedy such violations until each such violation is fully remedied;

and, in any event, to complete the remedying of all such violations within thirty (30) days of the date of such Order to Remedy; and/or (2) to take such other protective actions (such as vacating the building or barricading the area where the violations exist) which are authorized by this Chapter or by any other applicable statute, regulation, rule, local law or ordinance, and which the Code Enforcement Personnel may deem appropriate, during the period while such violations are being remedied. The Code Enforcement Personnel shall cause the Order to Remedy, or a copy thereof, to be served on the owner of the affected property personally or by registered mail or certified mail within 5 days after the date of the Order to Remedy. The Code Enforcement Personnel shall be permitted, but not required, to cause the Order to Remedy, or a copy thereof, to be served on any builder, architect, tenant, contractor, subcontractor, construction superintendent, or their agents, or any other Person taking part or assisting in work being performed at the affected property personally or by registered mail or certified mail within five (5) days after the date of the Order to Remedy; provided, however, that failure to serve any Person mentioned in this sentence shall not affect the efficacy of the order.

B. Appearance Tickets. The Code Enforcement Personnel are authorized to issue appearance tickets for any violation of the Uniform Code.

C. Penalties. In addition to such other penalties as may be prescribed by State law,

1. Any Person who violates any provision of this Chapter or any term, condition, or provision of any Building Permit, Certificate of Occupancy, Certificate of Compliance, Temporary Certificate, Stop Work Order, Operating Permit or other notice or order issued by the Code Enforcement Personnel pursuant to any provision of this Chapter, shall be

punishable by a fine of not less than \$500 nor more than \$1,000, or imprisonment for a period not to exceed 15 days, or both, for conviction of a first offense; for conviction of a second offense committed within 5 years of another offense of this Chapter, a fine not less than \$1,000 nor more than \$1,500, or imprisonment for a period not to exceed 15 days, or both; and upon conviction of a third or subsequent offense committed within 5 years of two other offenses of this Chapter, a fine of not less than \$1,500 nor more than \$2,000, or imprisonment for a period not to exceed 15 days, or both. Each day of continued violation shall constitute a separate, additional offense; and

2. Any Person who violates any provision of the Uniform Code, the Energy Code or this Chapter, or any term or condition of any Building Permit, Certificate of Occupancy, Certificate of Compliance, Temporary Certificate, Stop Work Order, Operating Permit or other notice or order issued by the Code Enforcement Personnel pursuant to any provision of this Chapter, shall be liable to pay a civil penalty of not more than \$250 for each day or part thereof during which such violation continues. The civil penalties provided by this subparagraph shall be recoverable in an action instituted in the name of the Town.

D. Injunctive Relief. An action or proceeding may be instituted in the name of the Town, in a court of competent jurisdiction, to prevent, restrain, enjoin, correct, or abate any violation of, or to enforce, any provision of the Uniform Code, the Energy Code, this Chapter, or any term or condition of any Building Permit, Certificate of Occupancy, Certificate of Compliance, Temporary Certificate, Stop Work Order, Operating Permit, Order to Remedy, or other notice or order issued by the Code Enforcement Personnel pursuant to any provision of this Chapter. In particular,

but not by way of limitation, where the construction or use of a building or structure is in violation of any provision of the Uniform Code, the Energy Code, this Chapter, or any Stop Work Order, Order to Remedy or other order obtained under the Uniform Code, the Energy Code or this Chapter, an action or proceeding may be commenced in the name of the Town in the Supreme Court or in any other court having the requisite jurisdiction, to obtain an order directing the removal of the building or structure or an abatement of the condition in violation of such provisions. No action or proceeding described in this subdivision shall be commenced without the appropriate authorization from the Town Board.

- E. Remedies Not Exclusive. No remedy or penalty specified in this section shall be the exclusive remedy or remedy available to address any violation described in this section, and each remedy or penalty specified in this section shall be in addition to, and not in substitution for or limitation of, the other remedies or penalties specified in this section, in section 89-6 (Stop Work Orders) of this Chapter, in any other section of this Chapter, or in any other applicable law. In particular, but not by way of limitation, each remedy and penalty specified in this section shall be in addition to, and not in substitution for or limitation of, the penalties specified in subdivision (2) of Section 382 of the Executive Law, and any remedy or penalty specified in this section may be pursued at any time, whether prior to, simultaneously with, or after the pursuit of any penalty specified in subdivision (2) of section 382 of the Executive Law.

§ 89-18 FEES.

A fee schedule shall be established by resolution of the Town Board. Such fee schedule may thereafter be amended from time to time by resolution. The fees set forth therein, or determined in accordance therewith,

shall be charged and collected for the submission of applications, the issuance of Building Permits, amended Building Permits, renewed Building Permits, Certificates of Occupancy, Certificates of Compliance, Temporary Certificates, Operating Permits, fire safety and property maintenance inspections, and other actions of the Code Enforcement Personnel described in or contemplated by this Chapter.

§ 89-19 INTERMUNICIPAL AGREEMENTS.

The Town Board may, by resolution, authorize the Supervisor to enter into an agreement in the name of the Town, with other governments to carry out the terms of this Chapter, provided that such agreement does not violate any provision of the Uniform Code, the Energy Code, Part 1203 of Title 19 of the NYCRR, or any other applicable law.

SECTION 4

If any word, phrase, sentence, part, section, subsection, or other portion of this Law or any application thereof to any person or circumstance is declared void, unconstitutional, or invalid for any reason, then such word, phrase, sentence, part, section, subsection, or other portion, or the proscribed application thereof, shall be severable, and the remaining provisions of this Law, and all applications thereof, not having been declared void, unconstitutional, or invalid, shall remain in full force and effect.

SECTION 5

This Local Law is enacted pursuant to the New York Municipal Home Rule Law.

Introductory Local Law No. 1 of 2023

A Local Law to Renumber and Amend Chapter 154 of the Town Code of the Town of Rotterdam

Narrative

(See Short Environmental Assessment Form Part 1, Question 1)

The intent of the proposed action is to update the Town's code enforcement and building code administration program to align it with current New York State regulatory requirements, which provide minimum requirements for such programs. The changes that would result from enactment of Introductory Local Law No. 1 of 2023 would include:

- Retitling and renumbering the relevant Chapter of the Code from Chapter 154, "Housing and Building Standards", to Chapter 89, "Building Code Administration and Code Enforcement Program".
- Updating the circumstances in which a building permit is required and when a building permit is not required to conform to current State regulatory requirements.
- Provide submission and document requirements for building permit applications that conform to current State regulatory requirements.
- Provide for construction inspections that conform with current State regulatory requirements, and to allow for remote inspections where appropriate.
- Provide updated regulations regarding issuance of Stop Work Orders, including the circumstances under which they are issued, the contents thereof, the manner of service, and the effect thereof.
- Providing the circumstances under which a Certificate of Occupancy or Certificate of Compliance is required and issued, the contents thereof, and providing for temporary Certificates in appropriate cases.
- Providing for notification regarding fire or explosion by fire departments/fire companies to the Code Enforcement Officer.
- Providing reference to how unsafe buildings, etc., are handled under the Town Code.
- Providing the circumstances under which operating permits are required and issued, documentation and submission requirements for such permits, inspection requirements, and periods of duration of such permits, in accordance with current State regulatory requirements.
- Providing for Fire Safety and Property Maintenance Inspections as required under State regulatory requirements and authorizing remote inspections where appropriate.
- Providing a procedure for review of complaints.
- Providing for initial and periodic condition assessments of parking garages as mandated under State regulatory requirements.
- Providing for the determination of climatic and geographic design criteria for buildings and structures, including ground snow load, wind design loads, seismic category, potential damage from weathering, frost, and termite, winter design temperature, ice

barrier underlayment requirements, air freezing index, mean annual temperature, heating/cooling equipment design criteria, flood hazard areas, flood hazard maps, and supporting data.

- Providing requirements relating to recordkeeping in accordance with current State regulatory requirements.
- Providing for annual and other review and reporting requirements of business conducted as part of the Code Enforcement program.
- Providing procedures and mechanisms for correction and enforcement of violations.

The proposed action is not expected to adversely impact the environment.

LEGISLATIVE REQUEST FORM

DATE: January 11, 2023
TO: Town Board
FROM: Fred Mastroianni, P.E., Town Consultant Engineer

TITLE OF REQUEST: To authorize the Supervisor to enter an Agreement with Greenbriar Construction Services for removal of asbestos in the basement ceiling of the Babe Ruth Clubhouse located at 912 Poutre Avenue; and enter into agreement with Spectrum Environmental Associates, Inc. to monitor the removal.

TOWN BOARD MEETING: January 25, 2023

Background Information: On June 3, 2022, a motorist traveling southeast on Poutre Avenue was driving at a high rate of speed and struck a corner of the building causing significant damage. A copy of the accident report is provided for reference. An asbestos survey was performed and it was determined that approximately 500 SF of the basement ceiling has asbestos and it needs to be removed before any repair work can be done. The asbestos survey report is provided for reference.

Evaluation/Analysis: The Town received two lump sum price bids for the removal of the asbestos and Greenbriar Construction Services LLC was the low bidder and the amount is \$18,680.00. In addition, the removal of the asbestos needs to be monitored by another company and the Town received one bid in the amount of \$690.00/day from Spectrum Environmental Associates, Inc. I anticipate all cost will be reimbursed to the Town since the owner of the vehicle is taking full responsibility as per my discussion with the Travelers Insurance representative. See attached email from the Travelers insurance representative regarding reimbursement of cost.

Recommendation(s): I recommend that the Town Board approve the cost and enter into an agreement with Greenbriar Construction Services LLC for the asbestos removal in the amount of \$18,680.00; and approve the cost and enter into an agreement with Spectrum Environmental Associates, Inc. to monitor the removal in the amount of \$690.00/day.

Attachment/Document(s): Documents noted above are included with this request.

Re: Asbestos Monitoring – Babe Ruth Clubhouse – 912 Poutre Ave, Rotterdam, NY

Dear Mr. Mastroianni:

Spectrum Environmental Associates, Inc. (Spectrum) appreciates the opportunity to present you with a proposal to provide asbestos related services at the above referenced site. Based on the information provided, Spectrum has prepared the following quote.

SCOPE OF SERVICES

Spectrum understands the scope of the work to be a large interior work area (>160 SF) a therefore will require the following.

- Perform background, during and final air clearance sampling for all interior work areas as required under NYS ICR 56.
- A properly certified Project Monitor shall perform a final visual inspection of all work areas as required under ICR 56.
- Air samples will be analyzed by Phase Contract Microscopy (PCM) – NIOSH 7400 method.
- All sample results will be available within 24 hours of collection
- Spectrum will provide notification as required by NYS ICR 56 to the owner and the contractor if the air sampling results are above the acceptable limit of 0.01 f/cc or background level.
- Provide the client with a final written report which will include air sampling locations, results, chain of custody documentation, log sheets, laboratory certifications, company licenses and employee certifications.

FEE SCHEDULE: Based on the information provided from the abatement contractor regarding schedule, Spectrum has prepared this cost estimated for your consideration. Final cost will be based on the unit prices below and the actual time and expenses used to properly complete the project based on the abatement contractors final scope and timing.

<u>ITEM</u>	<u>QUANTITY</u>	<u>UNIT COST</u>	<u>TOTAL</u>
Certified Project Monitor on Site	8 hours/day	\$66.00 per hour	\$ 525.00
Certified Project Monitor on Site	minimum	\$300.00	
PCM Sample Analysis	10 samples/day	\$16.50 each	\$ 165.00
Final Report/Administrative Fee.	1	\$250.00	
ESTIMATED DAILY COST			\$ 690.00

* Unit prices are for normal work shift and 48 hour T/A on sample results as per ICR 56. Overtime and rush analysis will incur a 50% unit price increase.

Based on an estimate from TJ Bell, Inc. of one half day for backgrounds, 1 day of prep, two days of removal & cleaning, one half day of finals and report, the total cost for monitoring would be approximately \$3,250.00.

OTHER REQUIREMENTS:

- Owner/Abatement Contractor shall provide electrical power and allow use of the site as needed to perform the scope of work in accordance with all state and federal regulations. If Spectrum is required to provide a generator, an additional \$100.00/day will be charged
- As required by ICR 56, the contractor's supervisor must perform his own final inspection and be on-site to accompany Spectrum during its required Project Monitor Visual Inspection.
- If air sampling results are above 0.01 f/cc, NYS ICR 56 requires that the results be sent to the Asbestos Control Bureau immediately (same business day) which may result in a site visit from the NYS DOL.
- **Spectrum shall not be responsible for the means, methods, techniques, sequences and procedures employed by the contractor in the performance of their contract, and shall not be responsible for the failure of the contractor to carry out the work in accordance with the contract documents. Spectrum shall advise the owner's representative of any deficiencies which we discover during the course of the final inspection.**

Spectrum Environmental Associates would like to thank you for the opportunity to present our proposal for asbestos consulting services. If you have any questions regarding our proposal or pricing, please feel free to contact me at 518-346-6374 or rmartin@4spectrum.com. If this proposal is acceptable, please sign and return it to Spectrum intact.

PROPOSAL ACCEPTANCE AGREEMENT AND PAYMENT TERMS:

1. Proposal shall remain valid for thirty (30) days from date prepared.
2. Spectrum accepts checks and all major credit cards. Return Check Fee - \$35.00.
3. Client agrees to pay Spectrum for all work performed, upon presentation of invoice, the sum(s) stipulated in the attached proposal. The Client's obligation to pay is in no way dependent upon the Client's ability to obtain financing, payment from third parties, approval of governmental or regulatory agencies, or on the Client's successful completion of the project.
4. Invoices not paid within thirty (30) days of invoice date are subject to a 1-1/2% per month late payment fee. In suit to collect fees under this agreement, the client agrees to pay all of Spectrum's collection costs, court costs, interest, and reasonable attorney's fee.
5. In the event any invoice is not paid within thirty (30) days, Spectrum reserves the right to suspend services under this contract.
6. Client agrees to indemnify and defend Spectrum from any liability, loss cost or expense in connection with the Services, including attorney's fees, claimed for property damage, bodily injury, including death, or other injury or loss except such as is caused solely by the negligence or willful misconduct of Spectrum, its employees, or agents.
7. This agreement represents the entire agreement between the parties and may not be altered except in writing signed by both parties.

Acceptance

Respectfully Submitted,

H2M Job No.: TRAV22295
Travelers Claim No.: DJL4450

Dear Ms. Edwards:

In accordance with your request, H2M architects + engineers (H2M) conducted a limited asbestos survey at the above-referenced property. We provide herein the results of our findings.

Asbestos Sampling

On October 31st, 2022, H2M collected limited bulk samples of suspect asbestos containing materials (ACM) that were located within the above referenced residence. H2M inspected areas of the property that were determined to be physically damaged by the reported fire loss.

Bulk samples were submitted to EMSL Analytical, Inc. (EMSL) of Carle Place, New York. EMSL is certified by the New York State Department of Health (NYSDOH), Environmental Laboratory Approval Program (ELAP), No. 11469. Bulk samples were collected and submitted by New York State Department of Labor (NYS DOL) certified inspector Mr. Zachary J Spoering (NYS DOL Cert. No. 14-21880).

Asbestos Results

According to the Asbestos Hazard Emergency Response Act (AHERA), the Occupational Safety and Health Administration (OSHA) and the NYSDOL (12 NYCRR Part 56); asbestos containing material (ACM) is defined as any material or product which contains greater than one percent (1%) of asbestos.

BABE RUTH CLUBHOUSE, POUTRE AVENUE, ROTTERDAM, NEW YORK			
LOCATION	MATERIAL DESCRIPTION	RESULT FINDINGS	APPROXIMATE QUANTITY OF ACM
Clubhouse	Gypsum Board (Ceiling)	Non-ACM, Asbestos Contaminated Due to Layering	500 S.F*
	Joint Compound (Ceiling)	ACM	
	White Wall Tile	Non-ACM	--
	Black Wall Tile	Non-ACM	--

BABE RUTH CLUBHOUSE, POUTRE AVENUE, ROTTERDAM, NEW YORK

Clubhouse	Joint Compound (Wall)	Non-ACM	--
	Yellow Wall Tile	Non-ACM	--
	Wall Tile Grout	Non-ACM	--
Exterior	Wall Block	Non-ACM	--
	Wall Mortar	Non-ACM	--
	Brick	Non-ACM	--
	Brick Mortar	Non-ACM	--
	Wall Grout (Red)	Non-ACM	--
ACM- Asbestos Containing Material Non-ACM / Trace; Contains <1% or No-Asbestos Detected in Material Samples *All quantities should be verified on site by the contractor prior to submitting a cost estimate or abatement notification/filings. H2M should be notified if there is a change in quantities or work scope.			

Lead Based Paint Sampling

On October 31st of 2022, H2M collected paint chip samples of suspect lead-based paint from painted surfaces of the Babe Ruth Clubhouse, located at 912 Poutre Ave, in Rotterdam, NY.

Paint Chip samples were submitted to EMSL Analytical, Inc. (EMSL) of Carle Place, New York. EMSL is certified by the New York State Department of Health (NYSDOH), Environmental Laboratory Approval Program (ELAP), No. 11469 and EPA 7000B, AAS.

Lead Based Paint Results

According to the U.S. Environmental Protection Agency (US EPA) lead based paint is defined as paint containing equal to or more than 0.5% lead by weight in paint chip samples.

BABE RUTH CLUBHOUSE, POUTRE AVENUE, ROTTERDAM, NEW YORK					
Location / Sample #	Room/Component	Substrate	Color	% by Weight	Interpretation
Interior / 1	Walls	Concrete Block	Yellow	<0.0080	Non-Lead Based Paint
Exterior / 2	Walls	Concrete Block	Yellow	0.0093	Lead-Containing Paint
Exterior / 3	Walls	Concrete Block	Blue	<0.0080	Non-Lead Based Paint
Table Notes: 1. Lead Based Paint (LBP) in Bold = EPA defined LBP or lead concentration equal to or above 0.5% by weight. 2. Lab detection reporting limit is 0.008% * - Lead sample concentration above lab detection limit but below EPA threshold for Lead Based Paint, refer to OSHA 29 CFR 1926.62 for training and handling guidance of Lead Containing Materials (LCM) or incidentally impacted Lead Based Paint (LBP) during construction. Contractor must hold awareness training and reference OSHA 29 CFR 1926.62 and 29 CFR 1910 in working with LCM including proper housekeeping and PPE and disposal and waste characterization requirements.					

Laboratory analytical data sheets and chain of custody forms are provided in Attachment 1. Copies of H2M's licenses and certifications are provided in Attachment 2. Copies of EMSL's certifications are provided in Attachment 3. Photographic documentation is provided in Attachment 4.

H2M certifies that the information contained herein is based on the physical data and visual inspections conducted by H2M and lab data collected during the inspection survey. All findings stated in this report are based upon facts and circumstances as they existed at the time of inspection and at the time that this report was prepared. A change in any of the site conditions, facts or circumstances upon which this report is based may affect the findings expressed in this report.

If you have any questions, please do not hesitate to contact the undersigned at (631) 756-8000, extension 1616.

Very truly yours,

EMSL maintains liability limited to cost of analysis. Interpretation and use of test results are the responsibility of the client. This report relates only to the samples reported above, and may not be reproduced, except in full, without written approval by EMSL. EMSL bears no responsibility for sample collection activities or analytical method limitations. The report reflects the samples as received. Results are generated from the field sampling data (sampling volumes and areas, locations, etc.) provided by the client on the Chain of Custody. Samples are within quality control criteria and met method specifications unless otherwise noted. Estimation of uncertainty available upon request. This report is a summary of multiple methods of analysis, fully compliant reports are available upon request. All samples examined for the presence of vermiculite when analyzed via NYS 198.1. A combination of PLM and TEM analysis may be necessary to ensure consistently reliable detection of asbestos. Polarized-light microscopy is not consistently reliable in detecting asbestos in floor coverings and similar non-friable organically bound materials. This report must not be used to claim product endorsement by NVLAP of any agency or the U.S. Government. Quantitative transmission electron microscopy is currently the only method that can be used to determine if this material can be considered or treated as non-asbestos containing. NOB= Non friable organically bound; N/A= Not applicable VCM= Vermiculite containing material.

Samples analyzed by EMSL Analytical, Inc. Carle Place, NY NYS ELAP 11469, NVLAP Lab Code 101048-10

LEGISLATIVE REQUEST FORM

DATE: January 11, 2023

TO: Town Board

FROM: Fred Mastroianni, P.E., Town Consultant Engineer

TITLE OF REQUEST: To authorize the Supervisor to enter an Agreement with Tote Construction Services for temporary shoring of the Babe Ruth Clubhouse located at 912 Poutre Avenue.

TOWN BOARD MEETING: January 25, 2023

Background Information: On June 3, 2022, a motorist traveling southeast on Poutre Avenue was driving at a high rate of speed and struck a corner of the building causing significant damage. A copy of the accident report is provided for reference. The building corner was damaged and temporary shoring is needed prior to a permanent repair. A copy of the temporary shoring plans are also provided.

Evaluation/Analysis: The Town received three lump sum price bids for the temporary shoring and Tote Construction Services LLC was the low bidder and the amount is \$18,817.20. I anticipate all cost will be reimbursed to the Town since the owner of the vehicle is taking full responsibility as per my discussion with the Travelers Insurance representative. See attached email from the Travelers insurance representative regarding reimbursement of cost.

Recommendation(s): I recommend that the Town Board approve the cost and enter into an agreement with Tote Construction Services LLC for the temporary shoring in the amount of \$18,817.20.

Attachment/Document(s): Documents noted above are included with this request.

Re: Proposal for Engineering Services
Pump Station Study – EPG #105147

File: 904.051.001

Dear Supervisor Collins:

Barton & Loguidice, D.P.C. (B&L) is pleased to provide this engineering proposal for a Sanitary Sewer Pump Station Study to the Town of Rotterdam. This study will be grant-funded, as the Town was able to secure a \$30,000 NYSEFC Engineering Planning Grant (EPG#: 105147). The Town will also be required to provide a local match in the amount of \$6,000 in accordance with EPG grant regulations; the match may include cash and/or in-kind services.

Project Understanding

The Town previously planned to use these grant funds for an Inflow and Infiltration (I&I) study, which B&L was retained to perform. However, multiple sanitary sewer pump stations have experienced critical equipment failures since award of the I&I study. These equipment failures have necessitated emergency repairs and bypass pumping, at a high cost to the Town. It is imperative that the Town proceeds quickly with a pump station study to identify the corrective actions necessary to prevent future equipment failures from occurring. Modifying the scope of the existing Engineering Planning Grant will allow the Town to carry out this study in a timely manner, and it is B&L's opinion that the proposed pump station study would provide the Town with a greater benefit than the original I&I study. With B&L's assistance, the Town has notified EFC of the desired modifications to the scope of work. EFC has verbally approved the new scope of work. Official EFC approval will be issued following the execution of this Agreement and submission of supporting documentation to EFC.

The Town's sanitary sewer collection system includes 12 pump stations. Based on preliminary discussions with Town personnel, it is understood that four (4) of these pump stations are in particular need of detailed investigation and upgrades. The four (4) stations currently targeted for detailed evaluation are:

- Altamont Avenue Pump Station #1 (Price Chopper)
- Altamont Avenue Pump Station #2 (Taco Bell)

- White Birch Pump Station
- Golub Pump Station (Price Chopper)

Scope of Services

B&L proposes the following Scope of Service for the Pump Station Study. The final deliverable will be a Preliminary Engineering Report (PER), prepared in accordance with NYSEFC requirements, which will serve the Town as an instrument to secure future funding for capital improvements. Our approach will begin with a review of available record drawings and energy consumption data for the four (4) targeted pump stations in order to gain an understanding of the pump stations' design and operation. Following this preliminary data review, B&L and subconsultant field personnel will conduct inspections, with the assistance of Town personnel, for each of the four (4) targeted pump stations in order to identify deficiencies and evaluate pump system performance. Once data review and field investigations are complete, B&L will review all data collected during the study and prepare a PER summarizing the study's findings.

Services to be provided include:

1. Historic Data Review
 - a. B&L will review all available record documents in order to gain an understanding of pump station design and operation. Documents to be reviewed include Construction Drawings, Contract Documents, flow meter and/or pump run time data, and energy bills, as available. It is expected that Town staff will assist in locating and providing these record documents in physical or digital form.
2. Sewer Shed Evaluation
 - a. B&L will evaluate the sewer shed that conveys flow to each pump station in order to determine if any increase in pump station capacity is necessary. The sewer shed evaluation will include a review of historic flow data, if available, as well as an evaluation of potential growth areas within each sewer shed. It is expected that Town personnel will assist in identifying potential growth areas. B&L will produce GIS maps of identified potential growth areas as part of the evaluation.
3. Pump Station Inspections
 - a. B&L's field personnel will complete an inspection at each of the four (4) targeted pump stations. The goal of these inspections will be to identify and document visible mechanical and structural deficiencies. It is expected that Town staff will assist with the inspections.
4. Pump System Efficiency Evaluation
 - a. B&L will retain JKMuir, a NYS-certified woman-owned business (WBE), to conduct a pump system efficiency evaluation of each of the four (4) targeted pump stations. These evaluations will include field testing and monitoring of multiple pump system parameters (i.e., flow, pressure, power consumption, etc.) in order to determine

current operating points and efficiencies. Precise testing protocols will be determined following initial field inspections. Field-verified operating points will be compared with design operating points to determine if the pumps are operating within their respective preferred operating ranges.

5. Preliminary Engineering Report (PER)

- a. B&L will review, interpret, and summarize the data collected throughout the study and prepare a PER for Town review in accordance with NYSEFC requirements. The document will summarize the results of the study, identify recommended improvements, estimates of capital costs, lifecycle costs (if applicable), operation and maintenance costs, and a preliminary plan of funding. Provide a digital copy of the final PER for the Town's use and prepare submissions to the NYSEFC on the Town's behalf so that the project is listed in the 2023-2024 CWSRF Intended Use Plan (IUP).

Schedule

It is anticipated that data review and field work would commence in February 2023 and be completed by May 2023; the report would be completed by June 16, 2023.

CWSRF EPG Compliance

B&L will comply with the provisions of the NYS Environmental Facilities Corporation (EFC) "Mandatory State Revolving Fund Terms and Conditions," which are attached to, and incorporated into and made part of this Agreement, as well as all other terms and conditions reasonably required by EFC, as of the date of this Agreement.

The CWSRF Planning Grant requires a 20-percent local match by the municipality (equal to \$6,000 for the \$30,000 grant). Therefore, in order to fully utilize the awarded grant amount, the total project cost can be no less than \$36,000.

Further, EFC requires a minimum M/WBE utilization of 30-percent of total fee for contract in excess of \$25,000, which will be equivalent to \$9,000 for this project. EFC also requires a minimum of 6-percent utilization for Service-Disabled Veteran-Owned Businesses (SDVOB), which will be equivalent to \$1,800 for this project.

B&L has identified a NYS-certified WBE that will be utilized in an amount no less than the minimum 30% requirement. However, a preliminary search for SDVOB's did not identify any firms in the project area providing applicable services. It is anticipated that a SDVOB utilization waiver request will be submitted to EFC.

Fee Proposal Summary

For the Scope of Services presented above, B&L proposes to be compensated on a Lump Sum basis in the total amount not-to-exceed \$36,000. This fee matches that which was previously awarded to B&L for the I&I study; there will be no additional cost to the Town. As noted above, we will either meet the M/WBE and SDVOB requirements or will receive a waiver.

We would not exceed this amount unless the Town first authorized a modification of the scope and fee.

If you have any questions, please feel free to contact our office.

Sincerely,

BARTON & LOGUIDICE, D.P.C.

Date

**STANDARD TERMS AND CONDITIONS
for
PROFESSIONAL CONSULTANT SERVICES
provided by
BARTON & LOGUIDICE, D.P.C. ("Consultant")**

The OWNER and the CONSULTANT, for themselves, their successors and assigns, have mutually agreed and do agree with each other as follows:

1.0 Basic Agreement

Consultant shall provide, or cause to be provided, the Services set forth in the proposal (PROPOSAL) to which these terms and conditions are attached, and Owner shall pay Consultant for such Services as set forth in PROPOSAL. The PROPOSAL, in conjunction with these terms and conditions is referred to herein as "Agreement".

2.0 General Considerations

A. The standard of care for all professional or related services performed or furnished by Consultant under this Agreement will be the care and skill ordinarily used by members of the subject profession practicing under similar circumstances at the same time and in the same locality. Consultant makes no warranties, express or implied, under this Agreement or otherwise, in connection with Consultant's services.

B. Consultant shall commence to provide its services upon the full execution of this Agreement and shall provide those services within a reasonable time. In no event shall Consultant be obligated to perform services on a schedule which, in the Consultant's professional judgement, does not provide Consultant sufficient time to perform in accordance with the aforesaid standard of care.

C. All design documents prepared or furnished by Consultant are instruments of service, and Consultant retains an ownership and property interest (including the copyright and the right of reuse) in such documents, whether or not the Project is completed. Consultant grants Owner a limited license to use the instruments of service exclusively (1) performance of design or operation, (2) for Project construction as is the intended purpose of the documents, and (3) for the purpose of maintenance and repair of the Project, or (4) other documents, reports, details and plans as defined in the project Scope of Work.

D. Consultant shall not at any time supervise, direct, or have control over any contractor's work, nor shall Consultant have authority over or responsibility for the means, methods, techniques, sequences, or procedures of construction selected or used by any contractor, for safety precautions and programs incident to a contractor's work progress, nor for any failure of any contractor to comply with laws and regulations applicable to contractor's work.

E. Consultant neither guarantees the performance of any contractor nor assumes responsibility for any contractor's failure to furnish and perform its work in accordance with the contract between Owner and such contractor.

F. Consultant shall not be responsible for the acts or omissions of any contractor, subcontractor, or supplier, or of any contractor's agents or employees or any other persons (except Consultant's own employees) at the Project site or otherwise furnishing or performing any construction work; or for any decisions regarding, or interpretations or clarifications of, the construction contract or Instruments of Service made by Owner or any third party without the advice and consultation of Consultant.

G. If the Construction Contract Documents specifically require the Contractor to provide professional design services or certifications by a design professional related to systems, materials, or equipment, the Consultant shall specify the appropriate performance and design criteria that such services must satisfy. The Consultant shall review and take appropriate action on Shop Drawings and other submittals related to the Work designed or certified by the Contractor's design professional, provided the submittals bear such professional's seal and signature when submitted to the Consultant. The Consultant's review shall be for the limited purpose of checking for conformance with information given and the design concept expressed in the Contract Documents. The Consultant shall be entitled to rely upon, and shall not be responsible for, the adequacy and accuracy of the services, certifications, and approvals performed or provided by such design professionals.

H. Unless otherwise included under this Agreement, the parties acknowledge that Consultant's scope of services does not include any services related to a Hazardous Environmental Condition (the presence of asbestos, PCBs, petroleum, hazardous substances or waste, and radioactive materials). Owner represents to Consultant that, to the best of its knowledge, a Hazardous Environmental Condition does not exist at the Site, except as expressly disclosed to the Consultant in writing. If Consultant or any other party encounters a Hazardous Environmental Condition, Consultant may, at its option and without liability for consequential or any other damages, suspend performance of services on the portion of the Project affected thereby until Owner: (i) retains appropriate specialist consultants or contractors to identify and, as appropriate, abate, remediate, or remove the Hazardous Environmental Condition; and (ii) warrants that the Site is in full compliance with applicable Laws and Regulations.

I. The services to be provided by Consultant under this Agreement DO NOT INCLUDE advice or recommendations with respect to the issuance, structure, timing, terms or any other aspect of municipal securities, municipal derivatives, guaranteed investment contracts or investment strategies. Any opinions, advice, information or recommendations provided by Consultant are understood by the parties to this Agreement to be strictly engineering or other technical opinions, advice, information or recommendations. Consultant is not a "municipal advisor" as defined by 15 U.S.C. 78o-4 or the related rules of the Securities and Exchange Commission. The other parties to this Agreement should determine independently whether they require the services of a municipal advisor.

J. The Consultant shall not be required to execute certificates, guarantees, warranties or make representations that would, in its professional judgment, require knowledge, services or responsibilities beyond the scope of this Agreement.

K. When transmitting items in electronic media or digital format, the transmitting party makes no representations as to long term compatibility, usability, or readability of the items resulting from the recipient's use of software application packages, operating systems, or computer hardware differing from those used in the drafting or transmittal of the items, or from those established in applicable transmittal protocols.

L. To the fullest extent permitted by law, Owner and Consultant (1) waive against each other, and the other's employee's, officers, directors, agents, insurers, partners, and consultants, any and all claims for or entitlement to special, incidental, indirect, or consequential damages arising out of, resulting from, or in any way related to the Project, and (2) agree that Consultant's total liability to Owner under this Agreement shall be limited to \$100,000 or the total amount of compensation received by Consultant pursuant to the PROPOSAL, whichever is greater, (the "Limitation Amount"), and further, in no event shall the Limitation Amount exceed the amount of liability insurance proceeds actually available to the Consultant for the claim at issue at the time of settlement or final judgment net of any and all expenses paid or incurred on the claim at issue, payments made or incurred in connection with other claims made against the Consultant, or any other circumstances which may reduce, impair, or eliminate the overall availability of such insurance to the Consultant. It is intended that these limitations apply to any and all liability or cause of action.

3.0 Payment for Services

Consultant will prepare a monthly invoice in accordance with Consultant's standard invoicing practice and submit the invoice to Owner. Invoices are due and payable within 30 days of the date of the invoice. Consultant may, without liability, after giving seven days written notice to Owner, suspend services under this Agreement until Consultant has been paid in full all amounts due for services, expenses, and other related charges.

4.0 Additional Services

Additional services may be required in Consultant's professional judgement because of changes in the Project, or unforeseen circumstances. The Consultant shall furnish services in addition to those set forth in the PROPOSAL if mutually agreed by Owner and Consultant. Owner shall pay Consultant for any Additional Services provided as follows: (1) as may be mutually agreed to in writing, or (2) in the absence of a mutual agreement an amount equal to the cumulative hours charged to the Project by each member or each class of Consultant's employees engaged in providing the Additional Services times the Consultant's hourly billing rates for each applicable billing class in effect at the time the Additional Services are performed; plus reimbursable expenses and charges for Consultant's Subconsultants, if any.

5.0 Dispute Resolution

Owner and Consultant agree to negotiate all disputes between them in good faith for a period of 30 days from the date of notice by either party of the existence of the dispute. If a dispute involves matters other than a claim by Consultant for payment of fees and the parties fail to resolve the dispute through negotiation then Owner and Consultant agree that they shall first submit any and all such unsettled claims, counterclaims, disputes, and other matters in question between them arising out of or relating to this Agreement or the breach thereof ("Disputes") to mediation by a mutually acceptable mediator. Owner and Consultant agree to participate in the mediation process in good faith and to share the cost of the mediation equally. The process shall be conducted on a confidential basis, and shall be completed within 150 days of the date of notice by either party of the existence of the dispute. If such mediation is unsuccessful in resolving a Dispute, then (1) the parties may mutually agree to an alternative dispute resolution of their choice, or (2) either party may seek to have the Dispute resolved by a court of competent jurisdiction.

6.0 Accrual of Claims

All causes of action between the parties to this Agreement including those pertaining to acts, failures to act, or failures to perform in accordance with the obligations of the Agreement or failures to perform in accordance with the standard of care shall be deemed to have accrued and the applicable statutes of limitations shall commence to run not later than either the date of Substantial Completion for acts, failures to act or failures to perform occurring prior to Substantial Completion, or the date of issuance of the Notice of Acceptability of Work (or similar notice of the final completion of the Project) for acts, failures to act or failures to perform occurring after Substantial Completion.

7.0 Controlling Law

This Agreement is to be governed by the law of the state in which the project is located.

8.0 Successors, Assigns, and Beneficiaries

Owner and Consultant each is hereby bound and the partners, successors, executors, administrators, and legal representatives of Owner and Consultant (and to the extent permitted herein the assigns of Owner and Consultant) are hereby bound to the other party to this Agreement and to the partners, successors, executors, administrators, and legal representatives (and said assigns) of such other party, in respect of all covenants, agreements, and obligations of this Agreement. Neither Owner nor Consultant may assign, sublet, or transfer any rights under or interest (including, but without limitation, moneys that are due or may become due) in this Agreement without the written consent of the other, except to the extent that any assignment, subletting, or transfer is mandated or restricted by law. Unless specifically stated to the contrary in any written consent to an assignment, no assignment will release or discharge the assignor from any duty or responsibility under this Agreement. This provision shall not preclude Consultant from retaining Subconsultants as it deems reasonably necessary for the completion of the services rendered hereunder.

9.0 Termination

If Consultant's services related to the project are terminated for any reason, Consultant shall be compensated for time plus reasonable expenses associated with demobilizing personnel and equipment, and, if requested in writing by the Owner, for completion of tasks whose value would otherwise be lost, to prepare notes as to the status of completed and uncompleted tasks, and to assemble Project materials in orderly files.

10.0 Total Agreement/Severability

This Agreement, including any expressly incorporated Exhibits, constitutes the entire Agreement between Owner and Consultant and supersedes all prior written or oral understandings. This Agreement may only be amended, supplemented, modified, or canceled by a duly executed written instrument. If any term or condition of this Agreement shall, to any extent, be found invalid, void or unenforceable, the remaining provisions shall remain in full force and effect to the extent allowed by applicable law.

COMMONLY USED TERMS

The following commonly used terms are defined herein as follows:

"Contract" means an agreement between a Recipient and a Contractor.

"Contractor" means all bidders, prime contractors, Service Providers, and consultants as hereinafter defined, unless specifically referred to otherwise.

"Service Provider" means any individual or business enterprise that provides one or more of the following: legal, engineering, financial advisory, technical, or other professional services, supplies, commodities, equipment, materials, or travel.

"Subcontract" means an agreement between a Contractor and a Subcontractor.

"Subcontractor" means any individual or business enterprise that has an agreement, purchase order, or any other contractual arrangement with a Contractor.

"Recipient" means the party, other than EFC, to a grant agreement or a project finance agreement with EFC through which funds for the payment of amounts due thereunder are being paid in whole or in part.

"State" means the State of New York.

"Treatment Works" is defined in Clean Water Act (CWA) Section 212.

"Nonpoint Source Projects" and **"Green Infrastructure Projects"** are defined in CWA Section 319.

"Estuary Management Program Project" is defined in CWA Section 320.

I. SECTION 1 REQUIREMENTS AND PROCEDURES FOR BUSINESS PARTICIPATION OPPORTUNITIES FOR NEW YORK STATE CERTIFIED MINORITY- AND WOMEN- OWNED BUSINESS ENTERPRISES AND EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITY GROUP MEMBERS AND WOMEN

For purposes of this section:

"Non-Construction" shall mean Contracts for labor, services (including, but not limited to, legal, financial, and other professional services), supplies, equipment, materials, or any combination of the foregoing.

"Contracts Meeting Article 15-A Thresholds" shall mean Contracts or Subcontracts meeting the thresholds under New York State Executive Law Article 15-A as follows:

- (a) Non-Construction Contracts greater than \$25,000;
- (b) Non-Construction Contracts, that are initially under \$25,000 but subsequent change orders or contract amendments increase the Contract value to above \$25,000;
- (c) Construction Contracts greater than \$100,000; and,
- (d) Construction Contracts that are initially under \$100,000 but subsequent change orders or contract amendments increase the Contract value to above \$100,000.

The Equal Employment Opportunities requirements of this section apply to all Contracts and Subcontracts, with the exception of:

- (1) the requirements under Title VII of the Civil Rights Act of 1964 and 41 CFR Part 60-1 Subpart A which apply only to construction Contracts and Subcontracts;
- (2) the Federal Affirmative Action Regulations requirements which apply only to construction Contracts and Subcontracts greater than \$10,000.

The Minority- and Women- Owned Business Enterprises ("MWBE") participation requirements of this section apply to the Contracts Meeting Article 15-A Thresholds.

Disregard this section if it does not apply to this Contract or Subcontract.

II. General Provisions

A. Contractors and Subcontractors are required to comply with the following provisions:

1. New York State Executive Law Article 15-A and 5 NYCRR Parts 140-145 ("MWBE Regulations") for all State Contracts as defined therein, with a value (1) in excess of \$25,000 for labor, services (including, but not limited to, legal, financial, and other professional services), supplies, equipment, materials, or any combination of the foregoing, or (2) in excess of \$100,000 for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon.
2. Title VI of the Civil Rights Act of 1964 and 40 CFR Part 7 ("Title VI") for any program or activity receiving federal financial assistance, as those terms are defined therein.
3. Title VII of the Civil Rights Act of 1964 and 41 CFR Part 60-1 Subpart A ("Title VII") for construction Contracts related to any government programs providing federal financial assistance, as those terms are defined therein.
4. 41 CFR Part 60-4 ("Federal Affirmative Action Regulations") for federal or federally assisted construction Contracts in excess of \$10,000, as those terms are defined therein.
5. Section 504 of the Rehabilitation Act of 1973 ("Section 504") for any program or activity receiving federal financial assistance, as those terms are defined therein.
6. The Age Discrimination Act of 1975 ("Age Discrimination Act") for any program or activity receiving federal financial assistance, as those terms are defined therein.
7. Section 13 of the Federal Water Pollution Control Act ("Clean Water Act") Amendments of 1972 ("Section 13") for any program or activity receiving federal financial assistance under the Clean Water Act, as those terms are defined therein.

B. Failure to comply with all of the requirements herein may result in a finding by the Recipient that the Contractor is non-responsive, non-responsible, and/or has breached the Contract, leading to the withholding of funds or such other actions, liquidated damages pursuant to subsection III(F) of this section, or enforcement proceedings as allowed by the Contract.

C. If any terms or provisions herein conflict with Executive Law Article 15-A, the MWBE Regulations, Title VI, Title VII, or Federal Affirmative Action Regulations, such law and regulations shall supersede these requirements.

D. Upon request from the Recipient's Minority Business Officer ("MBO") and/or EFC, Contractor will provide complete responses to inquiries and all MWBE and EEO records available within a reasonable time. For purposes of this section, MBO means the duly authorized representative of the SRF Recipient for MWBE and EEO purposes.

III. Equal Employment Opportunities (EEO)

Applicable to all Contracts and Subcontracts unless otherwise noted

- A. Each Contractor and Subcontractor performing work on the Contract shall undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, EEO shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation.
- B. The Contractor shall comply with the provisions of the Human Rights Law (Executive Law Article 15), Title VI, Title VII, the Federal Affirmative Action Regulations, Section 504, Age Discrimination Act, Section 13, and all other State and Federal statutory and constitutional non-discrimination provisions. The Contractor and Subcontractors shall not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

- C. Contractors and Subcontractors shall have instituted grievance procedures to assure the prompt and fair resolution of complaints when a violation of Title VI of the Civil Rights Act of 1964 or Title 40 CFR Part 7 is alleged.
- D. Pursuant to 40 CFR § 7.95, the Contractor shall display a copy of the EEO notice at the project site in a visible location. The notice shall accommodate individuals with impaired vision or hearing and should be provided in languages other than English where appropriate. The notice must also identify the employee responsible for its EEO compliance. A copy of the EEO notice ("EEO Poster") can be found at:
<https://www.dol.gov/ofccp/regs/compliance/posters/pdf/eeopost.pdf> .

The Contractor will include the provisions of Subdivisions II(A) and II(C) in every Subcontract in such a manner that the requirements of these subdivisions will be binding upon each Subcontractor as to work in connection with the Contract.

Applicable to all construction Contracts

- E. The Contractor and Subcontractor will comply with the requirements of 41 CFR § 60-1.4(b) and (c), and such provisions are hereby incorporated by reference. These provisions require, in part, that the Contractor and Subcontractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The Contractor and Subcontractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship.

Applicable to construction Contracts greater than \$10,000

- F. The Contractor and Subcontractor will comply with the Affirmative Action Regulations and such provisions are hereby incorporated by reference. These provisions require, in part, that the Contractor and Subcontractor place affirmative action goals on Contracts and Subcontracts, as established by the United States Department of Labor. Affirmative action goals for minorities and women by geographic region can be found here:
<https://www.dol.gov/sites/dolgov/files/ofccp/ParticipationGoals.pdf> .

G. Required EEO Forms

Pursuant to 41 CFR Section 60-1.7 for federally assisted construction Contracts, Contractor and Subcontractor will annually file an EEO-1 Report with the Joint Reporting Committee for the Office of Federal Contract Compliance Programs (OFCCP) and the Equal Employment Opportunity Commission (EEOC) according to the instructions provided at <https://www.eeoc.gov/employers/eeo-1-survey/eeo-1-instruction-booklet> , if Contractor or Subcontractor:

1. Is not exempt from compliance pursuant to 41 CFR § 60-1.5;
2. Has 50 or more employees;
3. Is a prime Contractor or first tier Subcontractor; or Subcontractor below the first tier which performs construction work at the site of construction; and
4. Has a Contract, Subcontract, or purchase order amounting to \$50,000 or more.

IV. Business Participation Opportunities for MWBEs

Applicable to Contracts Meeting Article 15-A Thresholds

A. Contract Goals

1. For purposes of this Contract, EFC establishes the following goals for New York State certified MWBE participation based on the current availability of qualified MBEs and WBEs.

Program	MWBE Contract Goal*
CWSRF, DWSRF, & Green Innovation Grant Program	20%
NYS Water Infrastructure Improvement Act Grants (also receiving EFC loan)	Clean Water project 20% Drinking Water project 20%
NYS Intermunicipal Grants (also receiving EFC loan)	Clean Water project 20% Drinking Water project 20%

*May be any combination of MBE and/or WBE participation

2. For purposes of providing meaningful participation by MWBEs on the Contract and achieving the MWBE Contract Goals established in Section III-A hereof, the Contractor should reference the directory of New York State Certified MWBEs found at the following internet address: <https://ny.newnycontracts.com>.
3. The Contractor understands that only sums paid to MWBEs for the performance of a commercially useful function, as that term is defined in 5 NYCRR § 140.1, may be applied towards achievement of applicable MWBE participation goals.
 - a. For construction and construction-related services Contracts or Subcontracts, the portion of the Contract or Subcontract with an MWBE serving as a supplier, and so designated in ESD's Directory, that shall be deemed to represent the commercially useful function performed by the MWBE shall be 60% of the total value of the Contract or Subcontract. The portion of a Contract or Subcontract with an MWBE serving as a broker, as denoted by NAICS code 425120, that shall be deemed to represent the commercially useful function performed by the MWBE shall be the monetary value for fees, or the markup percentage, charged by the MWBE.
 - b. For non-construction Contracts or Subcontracts, the portion of a Contract or Subcontract with an MWBE serving as a broker that shall be deemed to represent the commercially useful function performed by the MWBE shall be 25% of the total value of the contract
4. Where MWBE Contract Goals have been established herein, pursuant to 5 NYCRR § 142.8, the Contractor must document "good faith efforts" to provide meaningful participation by MWBEs as Subcontractors or suppliers in the performance of the Contract.
5. In accordance with Section 316-a of Article 15-A and 5 NYCRR § 142.13, the Contractor acknowledges that if it is found to have willfully and intentionally failed to comply with the MWBE participation goals set forth in the Contract, such a finding constitutes a breach of Contract and the Contractor shall be liable to the Recipient for liquidated or other appropriate damages, as set forth herein.

B. MWBE Utilization Plan

1. The Contractor represents and warrants that Contractor has submitted an MWBE Utilization Plan to the Recipient prior to the execution of this Contract.
2. The Contractor agrees to use such MWBE Utilization Plan for the performance of MWBEs on the Contract pursuant to the prescribed MWBE goals set forth in Section III-A of this section.

3. The Contractor further agrees that a failure to submit and/or use such MWBE Utilization Plan shall constitute a material breach of the terms of the Contract. Upon the occurrence of such a material breach, the Recipient shall be entitled to any remedy provided herein, including but not limited to, a finding that the Contractor is not responsive.
4. Contractor must report any changes to the Utilization Plan after Contract award and during the term of the Contract to the Recipient's MBO. Contractor shall indicate the changes to the MBO in the next Monthly MWBE Contractor Compliance Report after the changes occurred. At EFC's discretion, an updated MWBE Utilization Plan form and good faith effort documentation may be required to be submitted. When a Utilization Plan is revised due to execution of a change order, the change order should be submitted to the MBO with the Monthly MWBE Contractor Compliance Report or revised Utilization Plan.
5. The Contractor shall submit copies of all fully executed Subcontracts, agreements, and purchase orders that are referred to in the MWBE Utilization Plan to the MBO within 30 days of their execution.

C. Requests for Waiver

1. If the Contractor, after making good faith efforts, is unable to comply with MWBE goals, the Contractor may submit a Request for Waiver to the Recipient documenting good faith efforts by the Contractor to meet such goals. If the documentation included with the waiver request is complete, the Recipient shall forward the request to EFC for evaluation, and EFC will issue a written notice of acceptance or denial within twenty (20) days of receipt.
2. If the Recipient, upon review of the MWBE Utilization Plan and updated Quarterly MWBE Contractor Compliance Reports determines that the Contractor is failing or refusing to comply with the MWBE Contract Goals and no waiver has been issued in regards to such non-compliance, the Recipient may issue a notice of deficiency to the Contractor. The Contractor must respond to the notice of deficiency within seven (7) business days of receipt. Such response may include a request for partial or total waiver of MWBE Contract Goals.

D. Monthly MWBE Contractor Compliance Report ("Monthly MWBE Report")

The Contractor agrees to submit a report to the Recipient by the third business day following the end of each month over the term of this Contract documenting the payments made and the progress towards achievement of the MWBE goals of the Contract. The Monthly MWBE Report must be supplemented with proof of payment by the Contractor to its Subcontractors (e.g., copies of both sides of a cancelled check) and proof that Subcontractors have been paid within 30 days of receipt of payment from the Recipient. The final Monthly MWBE Report must reflect all Utilization Plan revisions and change orders.

E. Liquidated Damages - MWBE Participation

In accordance with Section 316-a of Article 15-A and 5 NYCRR §142.13, if it has been determined by the Recipient or EFC that the Contractor has willfully and intentionally failed to comply with the MWBE participation goals, the Contractor shall be obligated to pay to Recipient liquidated damages or other appropriate damages, as specified herein and as determined by the Recipient or EFC.

Liquidated damages shall be calculated as an amount not to exceed the difference between:

1. All sums identified for payment to MWBEs had the Contractor achieved the approved MWBE participation goals; and,
2. All sums actually paid to MWBEs for work performed or materials supplied under this Contract.

The Recipient and EFC reserve the right to impose a lesser amount of liquidated damages than the amount calculated above based on the circumstances surrounding the Contractor's non-compliance.

In the event a determination has been made by the Recipient or EFC which requires the payment of damages identified herein and such identified sums have not been withheld, Contractor shall pay such damages to the Recipient within sixty (60) days after they are assessed unless prior to the expiration of such sixtieth day, the Contractor has filed a complaint with the Empire State Development Corporation – Division of Minority and Women's Business Development ("ESD") pursuant to Subdivision 8 of Section 313 of the Executive Law in which event the damages shall be payable if the Director of ESD renders a decision in favor of the Recipient.

V. SECTION 2 PARTICIPATION OPPORTUNITIES FOR NEW YORK STATE CERTIFIED SERVICE-DISABLED VETERAN-OWNED BUSINESSES

New York State Executive Law Article 17-B and 9 NYCRR Part 252 provide for more meaningful participation in public procurement by certified Service-Disabled Veteran-Owned Businesses ("SDVOBs"), thereby further integrating such businesses into New York State's economy. EFC recognizes the need to promote the employment of service-disabled veterans and to ensure that certified service-disabled veteran-owned businesses have opportunities for maximum feasible participation in the performance of EFC Contracts.

In recognition of the service and sacrifices made by service-disabled veterans and in recognition of their economic activity in doing business in New York State, Contractors are strongly encouraged and expected to consider SDVOBs in the fulfillment of the requirements of the Contract. Such participation may be as Subcontractors or suppliers, as protégés, or in other partnering or supporting roles.

Contractor is encouraged to make good faith efforts to promote and assist in the participation of SDVOBs on the Contract for the provision of services and materials. The directory of New York State Certified SDVOBs can be viewed at: <http://ogs.ny.gov/Core/SDVOBA.asp>.

Contractor is encouraged to contact the Office of General Services' Division of Service-Disabled Veteran's Business Development at 518-474-2015 or VeteransDevelopment@ogs.ny.gov to discuss methods of maximizing participation by SDVOBs on the Contract.

VI. SECTION 3 AMERICAN IRON AND STEEL (AIS) REQUIREMENT

The requirements of this section apply to (1) all construction Contracts and Subcontracts for DWSRF projects and CWSRF treatment works projects and (2) all Contracts for the purchase of iron and steel products for a DWSRF project or CWSRF treatment works project. Disregard this section if it does not apply to this Contract or Subcontract.

The Contractor acknowledges to and for the benefit of the Recipient of the Clean Water State Revolving Fund ("CWSRF") or the Drinking Water State Revolving Fund ("DWSRF") financial assistance that the Contractor understands the goods and services under this Agreement are being funded with monies made available by the New York State Environmental Facilities Corporation ("EFC") through the CWSRF or the DWSRF and that such funding is subject to certain statutory restrictions requiring that certain iron and steel products used in the project be produced in the United States ("American Iron and Steel Requirement") including iron and steel products provided by the Contractor pursuant to this Agreement.

The Contractor hereby represents and warrants that:

- (a) the Contractor has reviewed and understands the American Iron and Steel Requirement,
- (b) all of the iron and steel products covered by the American Iron and Steel Requirement used in the project will be and/or have been produced in the United States in a manner that complies with the American Iron and Steel Requirement, unless a waiver of the requirement is approved, and
- (c) the Contractor will provide any further verified information, certification or assurance of compliance with this paragraph, or information necessary to support a waiver of the American Iron and Steel Requirement, as may be requested by the Recipient.

Notwithstanding any other provision of this Agreement, any failure to comply with this paragraph by the Contractor shall permit the Recipient to recover as damages against the Contractor any loss, expense, or cost (including without limitation attorney's fees) incurred by the Recipient resulting from any such failure (including without limitation any impairment or loss of funding, whether in whole or in part, from the EFC or any damages owed to the EFC by the Recipient). While the Contractor has no direct contractual privity with the EFC, as a lender to the Recipient for the funding of this project, the Recipient and the Contractor agree that the EFC is a third-party beneficiary and neither this paragraph, nor any other provision of this Agreement necessary to give this paragraph force or effect, shall be amended or waived without the prior written consent of the EFC.

VII. SECTION 4 DAVIS-BACON (DB) PREVAILING WAGE REQUIREMENTS

The requirements of this section apply to all construction Contracts and Subcontracts greater than \$2,000 for either DWSRF projects or CWSRF treatment works projects. Disregard this section if it does not apply to this Contract or Subcontract.

For Contracts in Excess of \$2,000:

1. Minimum Wages

(i) All laborers and mechanics employed or working upon the site of the work will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 CFR part 3)), the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the Contractor and such laborers and mechanics.

Contributions made or costs reasonably anticipated for bona fide fringe benefits under section 1(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of paragraph (1)(iv) of this section; also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period. Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in 29 CFR § 5.5(a)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein provided that the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classification and wage rates conformed under paragraph (1)(ii) of this section) and the Davis-Bacon poster (WH-1321) shall be posted at all times by the Contractor and its Subcontractors at the site of the work in a prominent and accessible place where it can be easily seen by the workers. The Davis-Bacon poster (WH-1321) can be found at <https://www.dol.gov/whd/regs/compliance/posters/davis.htm>. Wage determinations may be obtained from the US Department of Labor's website, <https://beta.sam.gov/>.

(ii)(A) The contracting officer shall require that any class of laborers or mechanics, including helpers, which is not listed in the wage determination and which is to be employed under the Contract shall be classified in conformance with the wage determination. The contracting officer shall approve a request for an additional classification and wage rate and fringe benefits therefore only when the following criteria have been met:

1. The work to be performed by the classification requested is not performed by a classification in the wage determination;
2. The classification is utilized in the area by the construction industry; and,
3. The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

(B) If the Contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and the contracting officer agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), documentation of the action taken and the request, including the local wage determination shall be sent by the contracting officer to the Administrator of the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, Washington, DC 20210 and to the EPA DB Regional Coordinator concurrently. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification request within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(C) In the event the Contractor, the laborers or mechanics to be employed in the classification or their representatives, and the contracting officer do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), the contracting officer shall refer the request and the local wage determination, including the views of all interested parties and the recommendation of the contracting officer, to the Administrator for determination. The request shall be sent to the EPA DB Regional Coordinator concurrently. The Administrator, or an authorized representative, will issue a determination within 30 days of receipt of the request and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(D) The wage rate (including fringe benefits where appropriate) determined pursuant to paragraphs (1) (ii)(B) or (C) of this section, shall be paid to all workers performing work in the classification under this Contract from the first day on which work is performed in the classification.

(iii) Whenever the minimum wage rate prescribed in the Contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the Contractor shall either pay the benefit as stated in the wage determination or shall pay another bona fide fringe benefit or an hourly cash equivalent thereof.

(iv) If the Contractor does not make payments to a trustee or other third person, the Contractor may consider as part of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program *provided* that the Secretary of Labor has found, upon the written request of the Contractor, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the Contractor to set aside in a separate account assets for the meeting of obligations under the plan or program.

2. Withholding. The Recipient shall upon its own action or upon written request of the EPA Award Official or an authorized representative of the Department of Labor withhold or cause to be withheld from the Contractor under this Contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime contractor, so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics, including apprentices, trainees, and helpers, employed by the Contractor or any Subcontractor the full amount of wages required by the Contract. In the event of failure to pay any laborer or mechanic, including any apprentice, trainee, or helper, employed or working on the site of the work, all or part of the wages required by the Contract, the Recipient may, after written notice to the Contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased.

3. Payrolls and basic records.

(i) Payrolls and basic records relating thereto shall be maintained by the Contractor during the course of the work and preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work. Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in section 1(b)(2)(B) of the Davis–Bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR § 5.5(a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in section 1(b)(2)(B) of the Davis–Bacon Act, the Contractor shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs.

(ii)(A) The Contractor shall submit weekly for each week in which any Contract work is performed a copy of all payrolls to the Recipient. Such documentation shall be available on request of EFC or EPA. As to each payroll copy received, the Recipient shall provide written confirmation in a form satisfactory to EFC indicating whether or not the project is in compliance with the requirements of 29 CFR § 5.5(a)(1) based on the most recent payroll copies for the specified week. The payrolls submitted shall set out accurately and completely all of the information required to be maintained under 29 CFR § 5.5(a)(3)(i), except that full social security numbers and home addresses shall not be included on weekly transmittals. Instead the payrolls shall only need to include an individually identifying number for each employee (e.g., the last four digits of the employee's social security number). The required weekly payroll information may be submitted in any form desired. Optional Form WH–347 is available for this purpose from the Wage and Hour Division Web site at <https://www.dol.gov/agencies/whd/government-contracts/construction/forms> or its successor site. The prime Contractor is responsible for the submission of copies of payrolls by all Subcontractors. Contractors and Subcontractors shall maintain the full social security number and current address of each covered worker, and shall provide them upon request to the Recipient, for transmission to EFC, EPA if requested by EPA, or the Wage and Hour Division of the Department of Labor for purposes of an investigation or audit of compliance with prevailing wage requirements. It is not a violation of this section for a prime Contractor to require a Subcontractor to provide addresses and social security numbers to the prime Contractor for its own records, without weekly submission to the Recipient (or the applicant, sponsor, or owner).

(B) Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the Contractor or Subcontractor or his or her agent who pays or supervises the payment of the persons employed under the Contract and shall certify the following:

- (1) That the payroll for the payroll period contains the information required to be provided under 29 CFR § 5.5(a)(3)(ii), the appropriate information is being maintained under 29 CFR § 5.5(a)(3)(i), and that such information is correct and complete;
- (2) That each laborer or mechanic (including each helper, apprentice, and trainee) employed on the Contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in Regulations, 29 CFR part 3;
- (3) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the Contract.

(C) The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the "Statement of Compliance" required by paragraph (3)(ii)(B) of this section.

(D) The falsification of any of the above certifications may subject the Contractor or Subcontractor to civil or criminal prosecution under section 1001 of title 18 and section 231 of title 31 of the United States Code.

(iii) The Contractor or Subcontractor shall make the records required under paragraph (3)(i) of this section available for inspection, copying, or transcription by authorized representatives of the Recipient, EFC, EPA, or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the Contractor or Subcontractor fails to submit the required records or to make them available, the Recipient, EFC, or EPA may, after written notice to the Contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 CFR § 5.12.

4. Apprentices and trainees.

(i) Apprentices. Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship Training, Employer and Labor Services, or with a State Apprenticeship Agency recognized by the Office, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by the Office of Apprenticeship Training, Employer and Labor Services or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice. The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to the Contractor as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a Contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the Contractor's or Subcontractor's registered program shall be observed. Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeymen hourly rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination. In the event the Office of Apprenticeship Training, Employer and Labor Services, or a State Apprenticeship Agency recognized by the Office, withdraws approval of an apprenticeship program, the Contractor will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(ii) Trainees. Except as provided in 29 CFR § 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration. The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does

not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate on the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate who is not registered and participating in a training plan approved by the Employment and Training Administration shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In the event the Employment and Training Administration withdraws approval of a training program, the Contractor will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(iii) Equal employment opportunity. The utilization of apprentices, trainees and journeymen under this part shall be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended, and 29 CFR part 30.

5. Compliance with Copeland Act Requirements. The Contractor shall comply with the requirements of 29 CFR part 3, which are incorporated by reference in this Contract.

6. Subcontracts. The Contractor or Subcontractor shall insert in any Subcontracts the clauses contained in 29 CFR § 5.5(a)(1) through (10) and such other clauses as the Recipient may by appropriate instructions require, and also a clause requiring the Subcontractors to include these clauses in any lower tier Subcontracts. The prime Contractor shall be responsible for the compliance by any Subcontractor or lower tier subcontractor with all the Contract clauses in 29 CFR § 5.5.

7. Contract Termination: Debarment. A breach of the contract clauses in 29 CFR § 5.5 may be grounds for termination of the Contract, and for debarment as a Contractor and a Subcontractor as provided in 29 CFR § 5.12.

8. Compliance with Davis-Bacon and Related Act requirements. All rulings and interpretations of the Davis-Bacon and Related Acts contained in 29 CFR parts 1, 3, and 5 are herein incorporated by reference in this Contract.

9. Disputes Concerning Labor Standards. Disputes arising out of the labor standards provisions of this Contract shall not be subject to the general disputes clause of this Contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR parts 5, 6, and 7. Disputes within the meaning of this clause include disputes between the Contractor (or any of its Subcontractors) and the Recipient, the U.S. Department of Labor, or the employees or their representatives.

10. Certification of eligibility.

(i) By entering into this Contract, the Contractor certifies that neither it (nor he or she) nor any person or firm who has an interest in the Contractor's firm is a person or firm ineligible to be awarded Government Contracts by virtue of section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1).

(ii) No part of this Contract shall be subcontracted to any person or firm ineligible for award of a Government contract by virtue of section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1).

(iii) The penalty for making false statements is prescribed in the U.S. Criminal Code, 18 U.S.C. § 1001.

For Contracts in Excess of \$100,000:

1. Overtime requirements. No Contractor or Subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

2. Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in paragraph (1) of this section the Contractor and any Subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such Contractor and Subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (1) of this section, in the sum of \$25 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (1) of this section.

3. Withholding for unpaid wages and liquidated damages. The Recipient shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any monies payable on account of work performed by the Contractor or Subcontractor under any such Contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such Contractor or Subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (2) of this section.

4. Subcontracts. The Contractor or Subcontractor shall insert in any Subcontracts the clauses set forth in paragraphs (1) through (4) of this section and also a clause requiring the Subcontractors to include these clauses in any lower tier Subcontracts. The prime Contractor shall be responsible for compliance by any Subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (1) through (4) of this section.

5. In any Contract subject only to the Contract Work Hours and Safety Standards Act and not to any of the other statutes cited in 29 CFR § 5.1, the Contractor or Subcontractor shall maintain payrolls and basic payroll records during the course of the work and shall preserve them for a period of three years from the completion of the Contract for all laborers and mechanics, including guards and watchmen, working on the contract. Such records shall contain the name and address of each such employee, social security number, correct classifications, hourly rates of wages paid, daily and weekly number of hours worked, deductions made, and actual wages paid. Further, the records to be maintained under this paragraph shall be made available by the Contractor or Subcontractor for inspection, copying, or transcription by authorized representatives of the Recipient and the Department of Labor, and the Contractor or Subcontractor will permit such representatives to interview employees during working hours on the job.

VIII. SECTION 5 REQUIREMENTS REGARDING SUSPENSION AND DEBARMENT

The requirements of this section apply to all Contracts and Subcontracts.

Contractor and any Subcontractors shall comply with, Subpart C of 2 CFR Part 180 as implemented and supplemented by 2 CFR Part 1532. The Contractor is not a debarred or suspended party under 2 CFR Part 180 or 2 CFR Part 1532, or 29 CFR § 5.12. Neither the Contractor nor any of its Subcontractors have contracted with, or will contract with, any debarred or suspended party under the foregoing regulations.

The Contractor and any Subcontractor have not been debarred from or deemed ineligible for Government Contracts or federally assisted construction Contracts pursuant to Executive Order 11246.

The Contractor and any Subcontractors have not been deemed ineligible to submit a bid on or be awarded a public contract or subcontract pursuant to Article 8 of the State Labor Law, specifically Labor Law § 220-b. In addition, neither the Contractor nor any Subcontractors have contracted with, or will contract with, any party that has been deemed ineligible to submit a bid on or be awarded a public contract or subcontract under Labor Law § 220-b.

In addition, the Contractor and any Subcontractors have not been deemed ineligible to submit a bid and have not contracted with and will not contract with any party that has been deemed ineligible to submit a bid under Executive Law § 316.

IX. SECTION 6 RESTRICTIONS ON LOBBYING

The requirements of this section apply to all Contracts and Subcontracts greater than \$100,000. Disregard this section if it does not apply to this Contract or Subcontract.

The Contractor and any Subcontractor executing a Contract or Subcontract in excess of \$100,000 agree to provide to the Recipient an executed Certification Regarding Lobbying pursuant to 40 CFR Part 34 ("Lobbying Certification") in the form attached hereto as Attachment 9, consistent with the prescribed form provided in Appendix A to 40 CFR Part 34.

Re: Consolidation Sewer District No. 2 and its Associated Extensions/Out of District Users
Proposal for Professional Services

File: 904.050.001

Dear Supervisor Collins:

Barton & Loguidice, D.P.C. (B&L) is pleased to offer this proposal to provide the Town of Rotterdam with professional engineering services focused on the preparation of a Map, Plan and Report that will be used to consolidate Sewer District No. 2, its established sewer extensions and the current out of district users.

Project Understanding

The Town is currently in the design phase for its District No. 2 Wastewater Treatment Plant (WWTP) improvements. To our understanding, there are 15 district extensions related to Sewer District No. 2, with an anticipated Sewer District No. 2 Extension No. 16 in the planning phase. Further, there are many out of district users to be included. B&L completed a Preliminary Engineering Report, dated September 2020, which evaluated the improvements needed at the Sewer District No. 2 WWTP for both current and future demands. The overall goal of the district consolidation is to improve administrative efficiencies, equalize debt services and operation and maintenance (O&M) cost as appropriate.

It is our understanding, that the consolidation proceedings will be led by the Town Board and Town Attorney with technical assistance from B&L to ensure conformance with the applicable provisions of Town Law Article 12, Section 206-a, entitled Consolidation of the District and its Extensions.

Scope of Services

B&L proposes the following scope of services:

1. A project kickoff meeting will be held with representatives of the Town and B&L to review project goals, scope, schedule, and coordination issues.
2. Map, Plan and Report (MP&R) – B&L will prepare a MP&R in accordance with Town Law. The report will include a map of the existing Sewer District No. 2 and its Extensions as well as a map that will show the proposed Consolidated District No. 2. The MP&R will include the following

data in tabulator form: tax parcel number, property class, type, address, owner and related debt and O&M service use charge. The Town assesses an annual residential use charge on each single-family unit. B&L will work with the Town on the benefit assessment methodology for both the existing and future debt retirement. B&L will use the methodology from the 2020 PER with updates from the Town. Currently there are five (5) bond anticipated notes (BAN) for Sewer District No. 2 and its extensions (No. 6 and No. 7). The MP&R will include a redistribution of debt and O&M based on the benefits developed by the Town.

B&L will provide a draft .pdf electronic copy of the MP&R to the Town for review and comments. Additional paper copies can be submitted if requested.

B&L will address any comments and provide a digital copy of the final MP&R for the Town's use to consolidate the district. B&L will also provide up to five (5) paper copies for the Town's use as well.

3. Meetings – Two (2) workshops are included during the development of the MP&R. We will also attend the kickoff meeting as noted earlier in this proposal. This project will need to include a public hearing for the consolidation which B&L will attend in addition to the workshops. As part of the public hearing, B&L will prepare and give a power point presentation to the board and public.
4. SEQR – This project should be classified as Unlisted under the State Environmental Review Act which will require B&L to fill out the necessary forms and complete a coordinated review with all interested and involved parties. B&L will provide the following services in order to assist the Town in completing the SEQR process:
 - Prepare the appropriate Environmental Assessment Form (EAF) for use by Town Board in reviewing the environmental aspects of the district consolidation and in seeking lead agency status for the project.
 - Prepare a Lead Agency intent letter for contacting the interested/involved agencies.
 - Address interested/involved agency comments on EAF as appropriate.
 - Prepare Negative Declaration for use by the Town, and circulation letter to interested/involved agencies.
 - Prepare information required to submit documents to NYSDEC for publication in Environmental Notice Bulletin (ENB).

Preparation of plans, contract documents, easements, permit applications, funding applications, bidding or construction services are not included in this proposal, and will require separate authorization as the project progresses.

Fee for Services

B&L proposes to complete the Scope of Services described herein for a lump sum fee of \$39,600 as outlined above and in accordance with our enclosed standard terms and conditions.

If additional services are required, B&L will request the Town's authorization under a separate supplement to proceed forward. We will not bill beyond this amount without a change in scope and prior approval of the Town.

We appreciate this opportunity to provide engineering services to the Town. If you have any questions regarding this proposal, please feel free to contact our office at your convenience.

Sincerely,

BARTON & LOGUIDICE, D.P.C.

STANDARD TERMS AND CONDITIONS
for
PROFESSIONAL CONSULTANT SERVICES
provided by
BARTON & LOGUIDICE, D.P.C. ("Consultant")

The OWNER and the CONSULTANT, for themselves, their successors and assigns, have mutually agreed and do agree with each other as follows:

1.0 Basic Agreement

Consultant shall provide, or cause to be provided, the Services set forth in the proposal (PROPOSAL) to which these terms and conditions are attached, and Owner shall pay Consultant for such Services as set forth in PROPOSAL. The PROPOSAL, in conjunction with these terms and conditions is referred to herein as "Agreement".

2.0 General Considerations

A. The standard of care for all professional or related services performed or furnished by Consultant under this Agreement will be the care and skill ordinarily used by members of the subject profession practicing under similar circumstances at the same time and in the same locality. Consultant makes no warranties, express or implied, under this Agreement or otherwise, in connection with Consultant's services.

B. Consultant shall commence to provide its services upon the full execution of this Agreement and shall provide those services within a reasonable time. In no event shall Consultant be obligated to perform services on a schedule which, in the Consultant's professional judgement, does not provide Consultant sufficient time to perform in accordance with the aforesaid standard of care.

C. All design documents prepared or furnished by Consultant are instruments of service, and Consultant retains an ownership and property interest (including the copyright and the right of reuse) in such documents, whether or not the Project is completed. Consultant grants Owner a limited license to use the instruments of service exclusively (1) performance of design or operation, (2) for Project construction as is the intended purpose of the documents, and (3) for the purpose of maintenance and repair of the Project, or (4) other documents, reports, details and plans as defined in the project Scope of Work.

D. Consultant shall not at any time supervise, direct, or have control over any contractor's work, nor shall Consultant have authority over or responsibility for the means, methods, techniques, sequences, or procedures of construction selected or used by any contractor, for safety precautions and programs incident to a contractor's work progress, nor for any failure of any contractor to comply with laws and regulations applicable to contractor's work.

E. Consultant neither guarantees the performance of any contractor nor assumes responsibility for any contractor's failure to furnish and perform its work in accordance with the contract between Owner and such contractor.

F. Consultant shall not be responsible for the acts or omissions of any contractor, subcontractor, or supplier, or of any contractor's agents or employees or any other persons (except Consultant's own employees) at the Project site or otherwise furnishing or performing any construction work, or for any decisions regarding, or interpretations or clarifications of, the construction contract or Instruments of Service made by Owner or any third party without the advice and consultation of Consultant.

G. If the Construction Contract Documents specifically require the Contractor to provide professional design services or certifications by a design professional related to systems, materials, or equipment, the Consultant shall specify the appropriate performance and design criteria that such services must satisfy. The Consultant shall review and take appropriate action on Shop Drawings and other submittals related to the Work designed or certified by the Contractor's design professional, provided the submittals bear such professional's seal and signature when submitted to the Consultant. The Consultant's review shall be for the limited purpose of checking for conformance with information given and the design concept expressed in the Contract Documents. The Consultant shall be entitled to rely upon, and shall not be responsible for, the adequacy and accuracy of the services, certifications, and approvals performed or provided by such design professionals.

H. Unless otherwise included under this Agreement, the parties acknowledge that Consultant's scope of services does not include any services related to a Hazardous Environmental Condition (the presence of asbestos, PCBs, petroleum, hazardous substances or waste, and radioactive materials). Owner represents to Consultant that, to the best of its knowledge, a Hazardous Environmental Condition does not exist at the Site, except as expressly disclosed to the Consultant in writing. If Consultant or any other party encounters a Hazardous Environmental Condition, Consultant may, at its option and without liability for consequential or any other damages, suspend performance of services on the portion of the Project affected thereby until Owner: (i) retains appropriate specialist consultants or contractors to identify and, as appropriate, abate, remediate, or remove the Hazardous Environmental Condition; and (ii) warrants that the Site is in full compliance with applicable Laws and Regulations.

I. The services to be provided by Consultant under this Agreement DO NOT INCLUDE advice or recommendations with respect to the issuance, structure, timing, terms or any other aspect of municipal securities, municipal derivatives, guaranteed investment contracts or investment strategies. Any opinions, advice, information or recommendations provided by Consultant are understood by the parties to this Agreement to be strictly engineering or other technical opinions, advice, information or recommendations. Consultant is not a "municipal advisor" as defined by 15 U.S.C. 78o-4 or the related rules of the Securities and Exchange Commission. The other parties to this Agreement should determine independently whether they require the services of a municipal advisor.

J. The Consultant shall not be required to execute certificates, guarantees, warranties or make representations that would, in its professional judgment, require knowledge, services or responsibilities beyond the scope of this Agreement.

K. When transmitting items in electronic media or digital format, the transmitting party makes no representations as to long term compatibility, usability, or readability of the items resulting from the recipient's use of software application packages, operating systems, or computer hardware differing from those used in the drafting or transmittal of the items, or from those established in applicable transmittal protocols.

L. To the fullest extent permitted by law, Owner and Consultant (1) waive against each other, and the other's employee's, officers, directors, agents, insurers, partners, and consultants, any and all claims for or entitlement to special, incidental, indirect, or consequential damages arising out of, resulting from, or in any way related to the Project, and (2) agree that Consultant's total liability to Owner under this Agreement shall be limited to \$100,000 or the total amount of compensation received by Consultant pursuant to the PROPOSAL, whichever is greater, (the "Limitation Amount"), and further, in no event shall the Limitation Amount exceed the amount of liability insurance proceeds actually available to the Consultant for the claim at issue at the time of settlement or final judgment net of any and all expenses paid or incurred on the claim at issue, payments made or incurred in connection with other claims made against the Consultant, or any other circumstances which may reduce, impair, or eliminate the overall availability of such insurance to the Consultant. It is intended that these limitations apply to any and all liability or cause of action.

3.0 Payment for Services

Consultant will prepare a monthly invoice in accordance with Consultant's standard invoicing practice and submit the invoice to Owner. Invoices are due and payable within 30 days of the date of the invoice. Consultant may, without liability, after giving seven days written notice to Owner, suspend services under this Agreement until Consultant has been paid in full all amounts due for services, expenses, and other related charges.

4.0 Additional Services

Additional services may be required in Consultant's professional judgement because of changes in the Project, or unforeseen circumstances. The Consultant shall furnish services in addition to those set forth in the PROPOSAL if mutually agreed by Owner and Consultant. Owner shall pay Consultant for any Additional Services provided as follows: (1) as may be mutually agreed to in writing, or (2) in the absence of a mutual agreement an amount equal to the cumulative hours charged to the Project by each member or each class of Consultant's employees engaged in providing the Additional Services times the Consultant's hourly billing rates for each applicable billing class in effect at the time the Additional Services are performed; plus reimbursable expenses and charges for Consultant's Subconsultants, if any.

5.0 Dispute Resolution

Owner and Consultant agree to negotiate all disputes between them in good faith for a period of 30 days from the date of notice by either party of the existence of the dispute. If a dispute involves matters other than a claim by Consultant for payment of fees and the parties fail to resolve the dispute through negotiation then Owner and Consultant agree that they shall first submit any and all such unsettled claims, counterclaims, disputes, and other matters in question between them arising out of or relating to this Agreement or the breach thereof ("Disputes") to mediation by a mutually acceptable mediator. Owner and Consultant agree to participate in the mediation process in good faith and to share the cost of the mediation equally. The process shall be conducted on a confidential basis, and shall be completed within 150 days of the date of notice by either party of the existence of the dispute. If such mediation is unsuccessful in resolving a Dispute, then (1) the parties may mutually agree to an alternative dispute resolution of their choice, or (2) either party may seek to have the Dispute resolved by a court of competent jurisdiction.

6.0 Accrual of Claims

All causes of action between the parties to this Agreement including those pertaining to acts, failures to act, or failures to perform in accordance with the obligations of the Agreement or failures to perform in accordance with the standard of care shall be deemed to have accrued and the applicable statutes of limitations shall commence to run not later than either the date of Substantial Completion for acts, failures to act or failures to perform occurring prior to Substantial Completion, or the date of issuance of the Notice of Acceptability of Work (or similar notice of the final completion of the Project) for acts, failures to act or failures to perform occurring after Substantial Completion.

7.0 Controlling Law

This Agreement is to be governed by the law of the state in which the project is located.

8.0 Successors, Assigns, and Beneficiaries

Owner and Consultant each is hereby bound and the partners, successors, executors, administrators, and legal representatives of Owner and Consultant (and to the extent permitted herein the assigns of Owner and Consultant) are hereby bound to the other party to this Agreement and to the partners, successors, executors, administrators, and legal representatives (and said assigns) of such other party, in respect of all covenants, agreements, and obligations of this Agreement. Neither Owner nor Consultant may assign, sublet, or transfer any rights under or interest (including, but without limitation, moneys that are due or may become due) in this Agreement without the written consent of the other, except to the extent that any assignment, subletting, or transfer is mandated or restricted by law. Unless specifically stated to the contrary in any written consent to an assignment, no assignment will release or discharge the assignor from any duty or responsibility under this Agreement. This provision shall not preclude Consultant from retaining Subconsultants as it deems reasonably necessary for the completion of the services rendered hereunder.

9.0 Termination

If Consultant's services related to the project are terminated for any reason, Consultant shall be compensated for time plus reasonable expenses associated with demobilizing personnel and equipment, and, if requested in writing by the Owner, for completion of tasks whose value would otherwise be lost, to prepare notes as to the status of completed and uncompleted tasks, and to assemble Project materials in orderly files.

10.0 Total Agreement/Severability

This Agreement, including any expressly incorporated Exhibits, constitutes the entire Agreement between Owner and Consultant and supersedes all prior written or oral understandings. This Agreement may only be amended, supplemented, modified, or canceled by a duly executed written instrument. If any term or condition of this Agreement shall, to any extent, be found invalid, void or unenforceable, the remaining provisions shall remain in full force and effect to the extent allowed by applicable law.

LEGISLATIVE REQUEST FORM

DATE: January 18, 2023

TO: Mollie Collins, Town Supervisor

FROM: Morgan Coryer, Coordinator of Parks & Senior Programs

TITLE OF REQUEST: Appointment of Steve Rosen as Tai Chi for Arthritis & Fall Prevention Teacher at the Rotterdam Senior Center

TOWN BOARD MEETING: January 25, 2023

Background Information:

Steve Rosen is a certified instructor in Tai Chi for Arthritis and Fall Prevention (TCAFP). He is personally insured as a health instructor and has Red Cross certification in CPR and AED. As a Schenectady County resident, Steve has attended TCAFP classes in Niskayuna, Scotia-Glenville and Delanson as well as summer classes at the Rotterdam Seniors Center.

When the Rotterdam classes ended last August, Steve volunteered his skills to lead a regular workshop at the Seniors Center to keep class members involved in practice and skills development. He also worked with Morgan Coryer to request funding for a new formal TCAFP class in Rotterdam.

Evaluation/Analysis:

MVP is sponsoring our Tai Chi for Arthritis & Fall Prevention class in 2023. They will be paying the Town \$600 to cover the cost that will be charged by the teacher, Steve Rosen, to teach the 12-week course. See attached invoices.

Recommendation(s):

Appoint Steve Rosen as the teacher of the twelve-week TCAFP course at the Rotterdam Senior Center beginning in February 2023.

Attachment/Document(s):

Invoice to MVP for sponsorship.
Invoice from Steve Rosen for payment.

**TO AUTHORIZE AN AGREEMENT WITH AUSFELD AND WALDRUFF LAND
SURVEYORS LLP**

THEREFORE, UPON MOTION OF Councilmember _____,
seconded by Councilmember _____,

BE IT RESOLVED BY THE TOWN BOARD AS FOLLOWS:

SECTION 1. The Town Board of the Town of Rotterdam hereby authorizes the Supervisor to negotiate and execute an agreement with Ausfeld and Waldruff Land Surveyors LLP located at 323 Clinton Street, Schenectady, New York 12305, for the purposes of providing a field survey and base mapping for a section of Edgewood Avenue, from the intersection of Granville Avenue to 2703 Edgewood Avenue property, in the amount not to exceed four thousand eight hundred and 00/100 (\$4,800.00) dollars.

LEGISLATIVE REQUEST FORM

DATE: February 8, 2023

TO: Town Board

FROM: Fred Mastroianni, P.E., Town Consultant Engineer

TITLE OF REQUEST: To authorize the Supervisor to enter an Agreement with Ausfeld and Waldruff Land Surveyors LLP to provide field survey and base mapping for a section of Edgewood Avenue, from its intersection Granville Avenue to 2703 Edgewood Avenue property.

TOWN BOARD MEETING: January 25, 2022

Background Information: The homeowner of 2703 Edgewood Avenue has concerns related to the trees located on the 2685 Edgewood Avenue property which blocks the sight distance for motorists traveling around the sharp horizontal curve. An email regarding this issue is attached. In addition, a photo is provided for further information.

Evaluation/Analysis: Based upon conversation with the Town attorney, a field survey and mapping should be prepared to determine the extent of the Town right-of-way along a portion of Edgewood Avenue that includes the area of sight distance concern. Attached is a proposal to perform the field survey work in the amount of \$4,800.00.

Recommendation(s): I recommend that the Town Board approve the cost for the survey and mapping in the amount of \$4,800.00.

Attachment/Document(s): See proposal and mapping limits from Ausfeld and WaldruffL Land Surveyors LLP.

Re: Right-of Way and Topographic Survey, for a portion of Edgewood Avenue, Town of Rotterdam being Tax Map Parcels 48.15-5-1,2,18, 48.15-6-27,28,29.1,30,31.

Dear Fred;

Ausfeld & Waldruff Land Surveyors, LLP (AWLS) thank you for the opportunity to present this proposal for Professional Land Surveying services associated with the parcels of land as referenced above. Below, please find our scope of services, schedule and fee to perform this work.

SCOPE OF SERVICES

Right-of Way and Topographic Survey:

AWLS will perform a right-of way survey for the above referenced properties. All surveying will be completed in accordance with the "Code of Practice" as adopted by the New York State Association of Professional Land Surveyors. AWLS will perform research which is normal to the completion of surveys under the above referenced code.

The topographic survey will be based upon NAVD88 datum and will include an area of approximately 1 acre. Underground utilities will be shown based upon physical location and existing mapping of record. Contours will be shown at 1-foot interval.

AWLS will provide 5 paper prints of the survey. An AutoCAD .dwg electronic file of the survey is available upon request.

SCHEDULE:

The final map will be delivered within three to four weeks maximum from formal authorization to proceed. Schedule will be snow dependent.

FEES:

Right-of-Way and Topographic Survey:

The scope of services can be performed for a lump sum fee of \$4800. This fee will be payable upon receipt of the invoice.

This quote expires 60 days from the date of the proposal.

If this proposal is acceptable, a simple email authorizing us to go ahead will work. If you have any questions, please do not hesitate to call me at 518-346-1595.

Sincerely,

Vincent P. Ausfeld P.L.S.

Councilmember MILLER-HERRERA,**

BE IT RESOLVED BY THE TOWN BOARD AS FOLLOWS:

SECTION 1. The Town Board of the Town of Rotterdam hereby delegates its authority and authorizes the Chief of Police of the Town of Rotterdam and/or his designee to approve, only upon written request accompanied by a cost estimate, the attendance of any employee and/or member of the Town of Rotterdam Police Department to attend schools, training sessions, conventions, conferences, or other meetings requiring said attendance as approved by the Supervisor. The reasonable cost of said attendance shall be paid from the appropriate line item as contained in the 2023 Annual Budget of the Town of Rotterdam, not to exceed said budgeted amount without prior Town Board approval.

SECTION 2. The Chief of Police of the Town of Rotterdam is hereby authorized to pay such person attending an authorized function which has been approved by the Supervisor and all actual and necessary expenses for travel, meals and lodging incurred by such person by reason of such attendance; including registration or other fees, as considered a valid charge to be expended from the appropriate line item in the budget of the Town of Rotterdam.

SECTION 3. The Chief of Police of the Town of Rotterdam shall adhere to the following guidelines when approving attendance and expenditures of funds as follows:

- A. Job related activities only.
- B. Expenditure levels:
 - 1. Mileage for use of personal vehicle at authorized town rate.
 - 2. The Supervisor of the Town of Rotterdam authorizes full reimbursement for lodging charges for those who have been pre-approved for attendance to various conferences/conventions.
 - 3. Meals: Breakfast not to exceed \$10.00; Lunch not to exceed \$15.00 and Dinner not to exceed \$25.00.
 - 4. Other expenses: miscellaneous expenses such as tolls, course registration fees and materials, transportation and gratuities, etc. upon documentation and reasonable use.

- C. Claims and receipt guidelines pursuant to the Office of the NYS Comptroller, Division of Municipal affairs, Reference Guide #8, as revised 2/29/84 must be followed.

SECTION 4. This resolution shall become effective January 1, 2023.

RESOLUTION NO. 28.23

At the Organizational public meeting of the Town Board of the Town of Rotterdam, held at the John F. Kirvin Government Center 1100 Sunrise Blvd. Rotterdam, New York on Sunday, January 1, 2023, at 1:00 p.m., the following resolution was duly adopted:

APPROVING THE EXTENSION OF BENEFITS TO QUALIFIED ELECTED AND FULL-TIME APPOINTED POSITIONS

WHEREAS, the Town Board of the Town of Rotterdam has determined that certain elected and appointed officials provide valuable service to the town; and

WHEREAS, the Town of Rotterdam needs to clarify the intent of the Town with regard to the benefits provided to certain elected and appointed positions; **NOW**

THEREFORE, UPON MOTION OF Councilmember **DODSON**, seconded by Councilmember **MASTROIANNI**,

BE IT RESOLVED BY THE TOWN BOARD AS FOLLOWS:

SECTION 1. Effective January 1, 2023, members of the Town Board of the Town of Rotterdam, including the Supervisor, Deputy Supervisor and Town Councilmembers shall not be entitled to dental insurance, vision care insurance or medical and/or health insurance from the Town in any amount. This section shall not apply to any benefits received by an above-mentioned elected official when such benefits are received as a result of prior employment with the Town of Rotterdam.

SECTION 2. The Town Board of the Town of Rotterdam hereby approves the extension of benefits as they relate to contracts from January 1, 2006, as in effect and all subsequent contractual agreements, to the following elected and full-time appointed positions of Town Comptroller, Town Justice, Highway Superintendent, Town Clerk, Receiver of Taxes, Deputy Town Clerk, Deputy Receiver of Taxes and Assessor.

SECTION 3. The Town Board of the Town of Rotterdam hereby affords, at a minimum, the benefits contained in the Memorandum of Agreement dated December 5, 2016 through December 31, 2021, as in effect and all subsequent contractual agreements negotiated between the Town of Rotterdam and the Town of Rotterdam Unit of the Civil Service Employees Association Inc., to all elected and full-time positions contained in Section 2 above.

SECTION 4. The only exceptions to Section 3 above shall be the following:

The salaries of the aforementioned appointed employees shall be established by the Town Board.

Any appointed employee who shall leave their position as an appointed exempt employee after the effective date of this resolution to accept a position as an employee of the Town of Rotterdam whereby they would become eligible for benefits under the existing CSEA contract, shall have the right to carry over all accumulated sick leave, personal and vacation time which may have been earned while in their previous position as an appointed employee.

Any appointed employee who shall assume a position as an elected official of the Town of Rotterdam shall be compensated for all accumulated vacation time upon the effective date of their elected position.

The Supervisor of the Town of Rotterdam, subject to state law and the approval of the Town Board of the Town of Rotterdam, shall establish the workweek and hours of employment for all appointed employees.

The individuals holding the appointed and elected positions as listed in Section 2 above shall not be entitled to earn overtime pay or to accumulate compensatory time as part of their employee benefits.

SECTION 4. This resolution shall become effective January 1, 2023.

RESOLUTION NO. 59.23

At the regularly scheduled public meeting of the Town Board of the Town of Rotterdam, held at the John F. Kirvin Government Center 1100 Sunrise Blvd. Rotterdam, New York on Wednesday, January 11, 2023, at 7:00 p.m., the following resolution was duly adopted:

TO AMEND RESOLUTION NO. 296.21 RELATING TO USE OF ARPA FUNDS

WHEREAS, by Resolution No. 214.21 adopted on August 11, 2021, the Town Board voted in favor of authorizing the then-Town Supervisor to enter into a lease agreement with ViaPort Rotterdam, located at 93 West Campbell Road, 12306, for the lease of office space; and

WHEREAS, on or about November 2, 2021, the then-Town Supervisor executed a certain Lease Agreement for Office Space at 93 West Campbell Road by and between Via Port New York, LLC and the Town of Rotterdam (hereinafter, the "Lease Agreement"); and

WHEREAS, by Resolution No. 296.21, the Town Board resolved as follows:

"SECTION 1. The Town Board of the Town of Rotterdam, upon recommendation from the Director of Finance, does hereby accept the American Rescue Plan Act (ARPA) funds (into line A 4989 4989 00 (Fed Aid)) for use in support of 2021 expenses outside the initial budget with expenditures designated toward the purchase of 210 Phillips Road (\$260,000.00) and 212 Phillips Road (\$215,000.00) for the future use as Town parkland (total of \$475,000.00 paid from line A7110 4153 (Parks Improvements)), and to begin rehabilitation of the former Kmart space to enable consolidating the Town offices, court facilities, and Police Department (\$1,000,000 paid from line A 1620 4900 (Bldg Repairs))."

WHEREAS, the designation in Resolution No. 296.21 to use \$1,000,000 in ARPA funds to rehabilitate the former Kmart space to enable consolidating the Town offices, court facilities, and Police Department was made in connection and with reference to the Lease Agreement; and

WHEREAS, by Resolution No. 237.22 adopted on August 3, 2022, the Town Board found and determined that the Lease Agreement and deposit of funds as security thereunder were not properly authorized; and

WHEREAS, on August 4, 2022, and pursuant to the authority and direction of Resolution No. 237.22, written demand was made to Via Port, through its counsel, for return of the Town funds that had been deposited as security under the Lease Agreement; and

WHEREAS, on September 30, 2022, Via Port, through its counsel, notified counsel for the Town that Via Port viewed Resolution No. 237.22 as constituting a default of the Town's obligations under the Lease Agreement, setting forth that the terms of the Lease Agreement

provided a remedy for such alleged default in the form of payment of a lump sum amount equal to the Base Rent and Additional Rent which would have been payable thereunder by the Town (had the Lease Agreement not been terminated) for the full lease term of 10 years; and

WHEREAS, by Resolution 300.22, the Town Board authorized execution of a settlement agreement resolving all claims by and between the Town and Via Port relating to the dispute concerning the Lease Agreement; and

WHEREAS, such settlement agreement provided, among other things, for the Town to recover from Via Port \$1,000,000 in ARPA funds that had been deposited by the Town with Via Port pursuant to the Lease Agreement; and

WHEREAS, on October 28, 2022, Via Port returned to the Town the \$1,000,000 in ARPA funds in accordance with the settlement agreement; and

WHEREAS, in light of the return of the \$1,000,000 in ARPA funds and the termination of the subject Lease Agreement, the Town Board determines it to be appropriate to amend Resolution 296.21 accordingly; **NOW**,

THEREFORE, UPON MOTION OF Councilmember **DODSON**, seconded by Councilmember **MASTROIANNI**,

BE IT RESOLVED BY THE TOWN BOARD AS FOLLOWS:

SECTION 1. Section 1 of Resolution 296.21 is hereby amended to read in its entirety as follows:

“SECTION 1. The Town Board of the Town of Rotterdam, upon recommendation from the Director of Finance, does hereby accept the American Rescue Plan Act (ARPA) funds (into line A 4989 4989 00 (Fed Aid)) for use in support of 2021 expenses outside the initial budget with expenditures designated toward the purchase of 210 Phillips Road (\$260,000.00) and 212 Phillips Road (\$215,000.00) for the future use as Town parkland (total of \$475,000.00 paid from line A7110 4153 (Parks Improvements)).”
