PRESENTATIONS

PUBLIC COMMENT – PRIVILEGE OF THE FLOOR:

Those members of the public wishing to address the Town Board will be asked to sign in before the meeting is called to order on the sign-in sheets being provided. Speakers will be called to the podium in the order of their signing in. Persons recognized by the Chair to speak during privilege of the floor shall direct his/her comments to the Town Supervisor as Chair of the meeting. Persons granted the privilege of the floor shall first clearly state his/her name and address for the record. Persons so addressing the Chair through the use of a prepared written statement shall submit a copy of the same to the Town Clerk for the purpose of maintaining clear and accurate official minutes of the Town Board meeting.

GENERAL RULES OF PROCEDURE FOR PUBLIC HEARINGS & PRIVILEGE OF THE FLOOR:

Any person recognized by the Town Supervisor to speak during privilege of the floor shall direct his/her comments to the Town Supervisor as chair of the meeting. Any person granted the privilege of the floor shall first clearly state his/her name and address for the record. The purpose of privilege of the floor shall be for speakers to express their views, thoughts and speak freely. Each speaker, who wishes to address the town board, shall have an equal and reasonable opportunity to be heard by the town board. Each speaker shall be afforded a maximum of four (4) minutes to address the Town Board.

BJ'S WHOLESALE CLUB WITH FUELING STATION

Town of Rotterdam
Schenectady County, New York

Project Location and Description

The Applicant is proposing the development of a 17.05± acre parcel located at 880 & 900 Duanesburg Road in the Town of Rotterdam, Schenectady County, New York (see Exhibit 1). The site is bordered on the north by an Interstate 88 on-ramp, Interstate 88, and a tandem lot, on the east by the Mohawk Valley Library System, on the south by Duanesburg Road, and on the west by Becker Road.

General Site Development

In December 2024 the Rotterdam Town Board completed TYPE 1 SEQR negative declaration and approved a zone change to allow B-2 uses. Also in December 2024, the Planning Commission granted conditional final site plan approval for the proposed development including proposed improvements to the water main system. The proposed development consists of constructing 104,495± SF 1-story BJ's Wholesale Club building comprising retail space, a tire center, and a fueling station with a canopy and kiosk, and a 2,500± SF drive-up fast food restaurant building, with associated asphalt parking, utilities, and stormwater management areas. Full access to and from the site will be off Duanesburg Road.

Water Distribution System

The property is not fully within the water district and therefore a water district extension will be needed. The existing water line within Duanesburg Road is a 12" D.I.P. As discovered from Town records, the existing water mains along Duanesburg Road are dead ends and the proposal is to extend the existing water main and provide a looped system. The proposed design is to extend the main with a 12" D.I.P that will

provide a looped system. The existing and extended main will be within the R.O.W and owned and operated by the Town of Rotterdam. No easements are necessary.

Water Demand, Supply and Use

The Town of Rotterdam has two water districts. Water district #3 is served by two drilled wells located off Route 5S in Rotterdam Junction and Water District #5, which is served by five drilled wells located off Rice Rd. The permitted pumping capacity for Water District #5 is 10,000,000 gallons per day (gpd); the maximum peak day averages 9,100,000 gallons. Pumping up to 7,00 gallons per minute with elevated storage tanks and standpipe combine to provide 5.2 million gallons of storage capacity.

As proposed, water use demands are taken from actual usage from other BJ's facility and fast-food restaurants. They are within the NYSDEC "Design Standards for Wastewater Treatment Works, 2004". The Project water use design for both buildings is 10,000 GPD.

Fire Protection

The proposed project will connect to the 12" main with a new 10" water lateral into the site and will contain three (3) new hydrants onsite, spaced appropriately around BJ's building. The fire flow was tested at each dead ended hydrant on Duanesburg Road (see below). The Flow was 920 GPM when the hydrant valve was opened with a static pressure of 50 PSI and a residual drop to 40 PSI for both tests.

Test #1

Test #2

In order to provide the needed fire flow for the project, further calculations were completed by Teligian Engineering & Consulting. A copy of their report is attached in Appendix B. In conclusion, after the public main is looped, both fire and domestic flows will be sufficient for the project.

Design for Sanitary Sewers

The sanitary sewer system to serve the proposed project area will be designed on-site with a privately owned onsite Wastewater Treatment Plant (WWTP) that will be designed, constructed and maintained in accordance with N.Y.S. Department of Environmental Conservation Standards. The BJ's building is proposed to have new 6" and 8" PVC SDR 26 laterals via gravity connecting directly into the WWTP system components. The average daily flow is estimated at 9,600 GPD. Peak daily flow is estimated at 19,200 GPD based on a peaking factor of 2.0.

Ownership & Financing

All costs (estimated at \$112,000) will be the responsibility of the developer/owner/applicant. Upon completion and acceptance of the project construction, testing and chlorination, the new main within the R.O.W. will be turned over to the Town of Rotterdam for operation and maintenance. No hook up fee is anticipated since the developer is improving the Town's water main. Typical cost will be \$93.02/EDU.

APPENDIX B
TELGIAN WATER FLOW ANAL SIS REPORT

**BJs Wholesale Club
Water Supply Test and Site Flow Analysis
Rotterdam, NY
Project # 30130.200.200**

To Whom This May Concern:

The requested water supply test and site flow analysis for the subject project are detailed in this report and submitted for review and posting. This report has been updated to incorporate new flow test results that were completed on 2/9/2024.

SUMMARY OF RESULTS (CONCLUSION C1 - AS DESIGNED)

Fireline Base of Riser (BOR) static pressure at Finish Floor Elevation (FFE):	26 psi
Fireline BOR static pressure upstream of Back Flow Preventer at FFE:	36 psi
Fireline BOR residual pressure at FFE:	19.5 psi @ 1500 gpm
Fireline BOR FFE:	379-ft. AMSL
Safety Factor Utilized in Calculations:	-10.0 psi

Fireline Backflow Preventer Required: Double Check Type Backflow Preventer Located Inside the Building (8-inch AMES 2000 SS is assumed for calculations).

A fire pump **WILL** be required for fire sprinkler demands. A water storage tank **WILL NOT** be required for fire sprinkler demands. See Conclusions and attached calculations for information.

Assumptions:

Water supply calculations presented herein are based on Telgian's best understanding of the final fire suppression system riser and lead-in locations. Actual system demands may vary depending on several factors. Calculations presented in this report take as many variables into account as possible but recommendations may change in some situations where available water pressure is borderline. It is highly recommended that additional reviews and, if necessary, calculations be completed if assumptions presented in this report change in any way.

Information Gathered:

1. ABD Engineers & Surveyors conducted a hydrant flow test on February 9, 2024, with the assistance of Rotterdam Water and Princetown Water departments. This analysis is based on results from that test.

WATER SUPPLY SITE SURVEY REPORT

BJs Wholesale Club

Rotterdam, NY

TEST DATE: 12/20/23

UPDATED TEST DATE: 02/09/24

2. Water main sizes and layout were provided by Rotterdam Water Department. Public water main sizes and layout were provided by Rotterdam Water Department Fred Mastroianni (Phone: 518-355-7575, ext. 354).
3. Telgian was unable to obtain information on backflow prevention requirements from the Rotterdam Water Department. For fire services, a double check valve assembly (AMES 2000 SS) is assumed for this calculation located inside the building. Once contact is made with the water district an update to this report will be provided.

The Site:

This site is located in the west portion of Rotterdam NY, along Duanesburg Rd. A 12-Inch assumed ductile iron water main is to be extended on Duanesburg and is proposed to supply a 10-inch service to the new club. Please note that the fire service isn't looped around the building per BJs specifications. The arrangement of these lines in the immediate vicinity of the property is shown on Attachment #1 – Location Sketch. It is proposed that sprinkler protection for this facility is to be provided by a 10-inch lead-in from the 12-Inch fire line south of the property, as shown on Attachment #1.

The Public System:

The City of Rotterdam has two water districts. Water district #3 is served by two drilled wells located off Route 5S in Rotterdam Junction. The permitted pumping capacity is 1,000,000 gallons per day (gpd). Pumping capacity is approximately 1000 gallons per minute. There is a 500,000-gallon storage tank to meet consumer demand and provide adequate fire protection.

Water District #5 is served by five drilled wells located off Rice Rd. The permitted pumping capacity is 10,000,000 gallons per day (gpd); the maximum peak day averages 9,100,000 gallons. Pumping up to 7,000 gallons per minute with elevated storage tanks and standpipe combine to provide 5.2 million gallons of storage capacity.

Water Flow Test Data:

The following summarizes the hydrant flow test results:

Two flow test were conducted, the first test the flow for the test was made utilizing the hydrants located on Duanesburg Rd, 745-ft southeast of the proposed building. Static and residual pressures were taken at the hydrant located approximately 936-ft east of the flow hydrant. For the second flow test flow for that test was made utilizing the hydrant located on Duanesburg Rd. across the way approximately 752-ft southwest of the proposed building. Static and residual pressures were taken at the hydrant located approximately 494-ft west of the flow hydrant. Please see Attachment #1 –Location Sketch for the locations of the hydrants. One 2.5- inch hydrant butt was used on each test, Pitot readings of 30 psi were obtained on the opening, having a discharge coefficient of 0.9. This resulted in a total flow of 920 gpm at a residual pressure of 40 psi on both tests. Static pressure before and after testing was 50 psi on both tests. Static and residual pressure readings were taken at an elevation of 353-ft and 377-ft., AMSL, which is 26-ft and 2-ft. below the finish floor elevation of the building (379-ft., AMSL). This test is effective at the connection of the two mains to the new water line to the building for friction loss purposes. Please see enclosed Attachment #2 for a graphical representation of this test and necessary calculations. The test was made at 9:03 a.m., EST.

WATER SUPPLY SITE SURVEY REPORT

BJs Wholesale Club
Rotterdam, NY

TEST DATE: 12/20/23
UPDATED TEST DATE: 02/09/24

* Adjustments were made for assumed pipe friction loss to the site entry point and elevation change (see attached calculations), and a backflow prevention device (-3.5 psi). A (-10.0 psi) deduction for safety buffer (required by BJs) has been taken. See following comments for additional information.

Additional Comments:

The new waterline to the building does not extend around the building as per BJs specifications. The calculations in this report include the loop around the building in order to get more pressure for the sprinkler system. See Attachment #1 Location Sketch for representation.

Information could not be obtained regarding MIC testing within the water system. It is assumed there has been no evidence of MIC within this area.

Conclusions:

C1. FIRE WATER SUPPLY: The available public supplies combined with the existing fire protection lead-in sizing and arrangement, as shown on Attachment #1, should yield a base of riser supply of 26 psi static and 1500 gpm flowing at a 19.5 psi residual. This supply is downstream of an 8-inch, AMES 2000 SS, double check type backflow preventer. This does not meet the minimum target demand of 1500 gpm at 45 psi for the supply of sprinkler protection without a pump. See Attachment #2 for a graphical representation and necessary calculations.

This analysis assumes that the installation meets the design parameters and information stated herein. If changes are made, they should be analyzed to determine resultant effects on the water supply.

APPENDIX C
SEQR DOCUMENTS

6NYCRR PART 617
NEGATIVE DECLARATION
Notice of Determination of Non-Significance
State Environmental Quality Review

Date: December 11, 2024

In accordance with Article 8 (State Environmental Quality Review) of the Environmental Conservation Law (the "Act"), and the statewide regulations under the Act (6NYCRR Part 617) (the "Regulations"), the Lead Agency has received an environmental assessment form in connection with the proposed action described below (the "Action") and the Lead Agency has determined (i) that said proposed action will result in no major impacts and therefore will not have a significant effect on the environment, and (ii) therefore that an environmental impact statement is not required to be prepared with respect to said Action.

Salt Lake City, UT 84111

Location: 880 & 900 Duaneburg Road

Action: Change of Zone request on ±17.3 acres from Agricultural (A-1) to General Business (B-2). The applicant would like to construct a ±102,500 square foot BJ's Wholesale Club with associated 8 island fueling station at 900 Duaneburg Road (Tax Map No. 57-3-7.112), and ±2,500 square foot retail building with associated drive thru at 880 Duaneburg Road (Tax Map No. 57-7-1-1.2). Consideration also given to the related application for Special Permits and Site Plan Review and Water District Extension.

Involved/Interested Agencies:

- Schenectady County Economic Development and Planning
- Schenectady County Department of Health
- NYS Dept. of Environmental Conservation - Region #4
- New York State Department of Transportation
- New York State Thruway Authority
- United States Department of Army, Corps of Engineers
- United State Fish and Wildlife Service
- Rotterdam Highway Department
- Rotterdam Police Department
- Rotterdam Planning Commission
- Metroplex Development Authority
- Fire District #6
- Schalmont School District

Reasons for Determination of Non-Significance:

The Lead Agency has reviewed the Change of Zone application, the associated site plans, a project description, full EAF, and supporting documentation, and conducted further investigation of the requested action and its environmental effects as deemed appropriate. Based upon this review and the Lead Agency's knowledge of the area surrounding the project, the Lead Agency has determined that the action will have no significant effects on the environment.

The Town of Rotterdam Department of Public Works transmitted this application information to all involved and interested agencies for review on November 9, 2023. The applicant then supplied supplemental information subsequent to the original submittal following up with the following agencies seeking letters relative to the actions. These inquiries include the following:

1. NYS Office of Archeological and Historic Preservation dated October 16, 2023;
2. US Department of Interior Fish and Wildlife Service dated October 16, 2023; and
3. NYS Department of Transportation dated May 22, 2024; and
4. Schalmont School District dated October 17, 2024

The Change of Zone request concerns a total of ± 17.30 acres consisting of two separate parcels located on the north side of Duanesburg Road immediately east of the entrance ramps to Interstate 88. The properties known as 880 and 900 Duanesburg Road are currently vacant and previously contained a single-family residential structure at 880 Duanesburg Road and a single-family residential home with a barn and associated outbuildings on 900 Duanesburg Road. These structures were demolished approximately 11 years ago. The Applicant seeks the Change of Zone to facilitate the construction of a new $\pm 102,500$ square foot BJ's Wholesale Club with fuel pumps and a proposed $\pm 2,500$ square foot fast food restaurant. In addition to the proposed fueling facility proposed for this site, there are other fuel and convenience type facilities in the immediate vicinity. There is a recently constructed gas station/convenience store, liquor store, and a fast-food establishment (Wendys) located immediately to the west of the I-88 entrance and a truck stop fueling center with fast food (Pilot/Dunkin Donuts/Subway) also located immediately to the west. There is an existing regional library facility located to the east. And additional properties to the east of these parcels in the vicinity of the site are currently zoned B-2 and contain retail businesses and a wellness center. Lands of the Schalmont Central School District are located to the south are drainage areas, woodlands, and athletic fields. The entrance to the school campus is located approximately 1000 feet east of the proposed roadway into the property to be rezoned. A Water District Extension will be required for this project and the environmental effects of this action has also been considered in this determination. Prior to the issuance of building permits, both Site Plan approval as well as a Special Use Permit would be required for this commercial use from the Rotterdam Planning Commission.

The proposed Project will utilize public water and will provide on-site septic to treat project wastewater. The proposed project will connect to the Town of Rotterdam municipal water system which is located immediately adjacent to the project property along the western side of NYS Route 7 (Duaneburg Road). The proposed water supply system will include a distribution system to service the domestic and fire flow needs of the Project. The project will require either the extension of the existing Water District #5 or the execution of an out of district contract. The water appurtenances shall be designed and constructed in accordance with all local, state, and federal requirements for dedication to the appropriate entity at the sole cost of the Applicant.

Additionally, the Water District extension, as designed conforms to all applicable State and Town Standards. The associated infrastructure will be constructed at the sole cost of the Applicant. The finances for operation and maintenance of the facilities will be financed through the sale of water to the benefitted properties.

The Town of Rotterdam Town Board as lead agency has reviewed the Full Environmental Assessment Form Part 1 completed by the Project Sponsor along with supporting reports, studies, and plans.

The conceptual site plan and potential environmental effects of the proposed Change of Zone were discussed at regularly scheduled Planning Commission Meeting on September 5, 2023 and September 19, 2023 and a unanimous positive referral to the Town Board was prepared. The project was also the subject of a public hearing conducted at the December 13, 2023 Town Board Meeting in which two (2) members of the public spoke and had questions regarding the proposed Change of Zone.

The applicant has advanced review of the site plan with the Planning Commission and has made several revisions that will further mitigate environmental impacts. Pursuant to the allowances in 6 NYCRR Part 617, the Town has retained the services of a Town Designated Engineer to assist in the review of this project.

Further and final review of the proposed Change of Zone and Project was conducted by the Town Board on November 26, 2024 after receiving further input from Town Staff and the Town Designated Engineer for the project. The Town Board considered all comments received in its deliberations and decisions.

Based on the submitted materials, public comment, and input from the Planning Commission and Town Board, the Town completed or caused to be completed Part 2 of the Long Environmental Assessment Form and a Draft Negative Declaration dated December 11, 2024 was circulated for review and use by the Town Board in making this determination. This Draft Negative Declaration was also reviewed by GPI, the Town Designated Engineer on this project.

The evaluation indicates rezoning this property to General Business (B-2) will not result in significant environmental impacts. Any future project proposed for this site must meet the

requirements of the General Business (B-2) zone, as well as all other existing regulatory requirements at the Town, State, or Federal level; thereby adequately mitigating or avoiding significant environmental impacts.

Project History

GDPL Ville Rotterdam, LLC is contract vendee of ± 17.30 acres consisting of two separate parcels located on the north side of Duaneburg Road immediately east of the entrance ramps to Interstate 88. Applicant requests a Change of Zone on these parcels from Agriculture (A-1) to General Business (B-2) to facilitate the construction of a new $\pm 102,500$ square foot BJ's Wholesale Club with fuel pumps and a proposed $\pm 2,500$ square foot fast food restaurant.

Findings, Basis, and Rationale for Decision

The following discussion sets forth the Findings, basis, and rationale for the Town of Rotterdam's decision, including required mitigation measures. The analysis is based upon the criteria set forth in Part 1 and Part 2 of the Full Environmental Assessment form.

Impact on Land

The site includes primarily flat terrain with a mix of Moderately Well Drained to Poorly Drained Soils. Soil types include Silt Loam and Silt Clay. Average depth to Bedrock is greater than 5 feet and depth to Water Table ranges from approximately 6 to 30 feet.

There are either none or small impacts to land expected as a result of the project.

Impact in Geological Features

This Site Development will not result in any adverse impacts in Geological Features as it will not impact any unique or unusual land forms.

There are either none or small impacts to geologic features expected as a result of the project.

Impacts on Surface Water

There will be minimal impacts to Surface Water as a result of the Site Development due to small disturbances of federal wetlands as described in the Project Plans. The wetland delineation of the parcel has been completed and indicates that there is ± 1.2 acres of federal wetlands on the site however only ± 0.51 acres of federal wetlands are proposed to be disturbed. There are currently no NYS Department of Environmental Conservation jurisdictional wetlands located on or adjacent to the site. The Project will rely upon a Nationwide Permit from the Army Corp of Engineers in relation to the small disturbance.

The Nationwide permit application is submitted and the application demonstrates that the proposed action complies with the criteria and requirements for issuance of the permit. Any project action approval will be conditioned upon the issuance of a Nationwide Permit from the Army Corps of Engineers.

A Stormwater Management Report has been prepared by the Project Engineer and is dated February 13, 2024. Based upon comments from the Town Designated Engineer and some modifications to the project layout due to mitigation for avoidance of federal wetland areas, the report was revised on March 14, 2024, April 12, 2024, and November 13, 2024.

Surface Water will otherwise not be adversely be impacted by the proposed Site Development. Overall, the proposed stormwater management system reduces and/or eliminates the impacts of the proposed development by controlling and treating stormwater through the use of drainage ditches and channels, storm sewer piping, and stormwater management basins. The stormwater management system performance limits stormwater flows from the proposed development so that there is no increase in the peak flow rates at the design points of the receiving tributaries, streams, and drainage courses. The stormwater management system is designed to function adequately and not adversely affect adjacent or downstream properties.

The Project proposes the use of an on-site wastewater treatment facility to be treat effluent on-site, pass thru proposed surface stormwater bioretention basins, discharged into a culvert that travels under State Route 7 and ultimately into a receiving body of water. The Town Designated Engineer has prepared a map depicting the proposed system and pathway for discharge to the proposed surface stormwater system and its path across Duaneburg Road and through the property located to the south and ultimately into the Normanskill. This map was prepared to review the location of the proposed on-site system and to understand the pathways and distances associated with the surface water drainage both on and off the site. The discharge of surface waters has been discussed with both the NYS Department of Environmental Conservation and the Schalmont School District as there are wetland areas on the south side State Route 7 that may potentially receive this regulated water discharge. At the request of DEC, the Town and School District conducted a meeting to discuss the functionality and use of the proposed treatment system. The district had some additional questions concerning the system and the lead agency (Town of Rotterdam) requested additional information from the project applicant and Stantec Engineering on the proposed system. This information was provided to the district and there were no further comments.

This proposed surface water discharge system that contains both stormwater and treated effluent has been reviewed by the Town Designated Engineer and deemed acceptable for review and approval by the regulatory agencies. Any project action approval will be conditioned upon the issuance of a State Pollutant Discharge Elimination System (SPDES) permit from the NYS Department of Environmental Conservation for the on-site sanitary system.

There are either none or small impacts to surface water expected as a result of the project.

Impact on Groundwater

The proposed Site Development will not result in any adverse impact on Groundwater. The Project is designed with a municipal water system, which system has adequate capacity to serve the Project. The fueling area within the Project will be developed applying and implementing all applicable requirements under New York State Bulk Storage and Fuel Station regulations and requirements, including containment as prescribed in the rules and regulations. Wastewater will be treated through an onsite system, which has been designed in accordance with all New York State and Schenectady County requirements.

There are either none or small impacts to groundwater expected as a result of the project.

Impact on Flooding

The proposed Site Development will not result in any adverse impacts on lands subject to flooding. The Project site does not lie within a flood zone nor will it result in modification of existing drainage patterns.

There are either none or small impacts to flooding expected as a result of the project.

Impacts on Air

The proposed Site Development will not result in any adverse impacts on air as it will not include any state regulated air emission source. Minor air impacts may be encountered with the use of machinery that utilizes fossil fuels during construction and traffic generated as consequence of any project action. In addition, dispensing of petroleum products may have minor impacts to the air quality however these impacts and mitigation are regulated by both state and federal regulations.

This site is in close proximity to the interstate and no residential dwellings are in immediate vicinity.

There are either none or small impacts to air expected as a result of the project.

Impact on Plants and Animals

An Endangered Species Habitat Assessment Report dated October 3, 2023 was prepared and indicates that based upon NYSDEC mapping that there are no Rare Plant or Animals Mapping and also analyzed the potential presence of the northern long-eared bat.

A letter was received from the US Fish and Wildlife Service dated October 16, 2023 indicating that they had reviewed the project site and have issued a "No Effect" on the northern long-eared bat.

The proposed Site Development will not result in adverse impacts on Plants and Animals, except for minor impact arising from temporary construction activities and associated disturbance and noise, and from the use of fertilizer and of pesticides to be applied by licensed application during normal site operation.

There are either none or small impacts to plants and animals expected as a result of the project.

Impacts on Agricultural Resources

No portion of the site is currently used for Agricultural purposes nor has it been devoted to such use in the recent past years. The construction of Interstate 88 in the 1960's disrupted any potential future use of this property for agricultural purposes. The original farm home and associated barns abandoned for several years and were ultimately demolished in 2012.

With these parcels being collectively $\pm$ 17.3 acres and currently vacant with frontage on State Route 7 and adjoining Interstate 88 and drainage area. These properties have extremely limited potential for farming activities due to their size and surroundings. A review of Agricultural District mapping on the NYS Agricultural and Markets website indicates that these properties are not located in an Agricultural District.

There are either none or small impacts to Agriculture Resources expected as a result of the project.

Impacts on Aesthetic Resources

The proposed Site Development will not result in any adverse impacts on Aesthetic Resources as the proposed uses and structures are consistent with surrounding uses and structures.

There are either none or small impacts to Aesthetics Resources expected as a result of the project.

Impact on Historic and Archeological Resources

A complete and comprehensive Phase 1A cultural resources survey was performed for the proposed project area. A No Impact Letter has been received from the Office of New York State Parks Recreation and Historic Preservation dated October 16, 2023.

There are either none or small impacts to Historic and Archeological Resources expected as a result of the project.

Impact on Open Space and Recreation

The proposed Site Development will not result in any adverse impacts on Open Space and/or Recreation opportunities. The project site is bounded on the north and south by major state and interstate roadways and has limited recreational value.

There are either none or small impacts to Open Space and Recreation expected as a result of the project.

Impact on Critical Environmental Areas

The proposed Site Development will not result in any adverse impacts on Critical Environmental Areas as the project is not within nor adjacent to a Critical Environmental Areas.

Impact on Transportation

A traffic study was prepared by the project consultant and review coordinated with both the NYS Department of Transportation and the Town Designated Engineer. The proposed site development will result in an increase of traffic, in particular during the weekday morning and evening peak hours and Saturday mid-day. The methodology used in preparing the Traffic Impact Study, including trip generation, trip distribution, trip assignment, background growth and level of service analysis are consistent with standard industry practice. No additional mitigation measures are required. Therefore, the intersection and safety improvements required at the existing intersections are consistent with the site's obligation to minimize the adverse impacts of the proposed development. In addition, the geometry and intersection control at the proposed site access roads will allow these intersections to operate at acceptable levels of service on all approaches.

As part of the coordinated SEQRA review of this application, the lead agency circulated the application materials to the Schalmont School District as an interested agency. The school property is located directly south of the proposed site and the signalized entrance to the school campus is located approximately 1000 feet east. Schalmont, in a letter dated October

17, 2024 had expressed some consideration of potential mitigation as there is currently no sidewalk infrastructure both on the school campus leading to the signalized entrance nor anywhere along Duanesburg Road in the vicinity of the school campus. There is however a pedestrian actuated button at the signalized entrance but no crosswalks or roadway signage. After discussions with both the Town Staff, Town Designated Engineer, and School District in regards to the potential for the construction of sidewalks and/or the location of a mid-block crossing, it was determined that the best course of action was to make improvements to the existing signalized entrance to the school campus. As part of this effort the Town has requested a monetary contribution from the project applicant to be put toward pedestrian improvements at the signalized intersection.

As part of the site plan review process for the project action, the Planning Commission will address any potential transportation improvements including signage, striping, handicap, and pedestrian accommodations.

There are either none or small impacts to transportation expected as a result of the project.

Impact on Energy

The proposed Site Development will result in an increase of use of various forms of energy for heat, lighting, and electricity. Nonetheless, the existing infrastructure includes sufficient capacity to provide services to the project without requiring new or upgraded infrastructures.

There are either none or small impacts to energy expected as a result of the project.

Impact on Noise, Odor and Light

The proposed Site Development will result in temporary increases in noise and odors due to construction activities, and thereafter in noise generated by typical commercial retail activities. Impacts from new lighting will be created as a result of the site development proposed to be developed on site. Noise and Odor impacts are expected to be primarily temporary in nature.

A photo illumination plan will be reviewed by both the Town Designated Engineer and the Planning Commission during site plan review. Lighting will be minimized to the greatest extent practicable at the fueling canopy, structures, and site lighting will be shielded and oriented downward to reduce lighting impacts. There are proposed significant buffers included in project design and through appropriate lighting design.

There are either none or small impacts to noise, odor, or light expected as a result of the project.

Impact on Human Health

The proposed Site Development is not expected to have any adverse impacts on Human Health as the project will not create opportunities for exposure to new or existing source of contamination.

There are either none or small impacts to human health expected as a result of the project.

Consistency with Community Plans

The proposed Site Development is generally in alignment with Town, County and State land use plans for the project vicinity, including but not limited zoning which authorizes commercial and residential uses, the inclusion of areas of open space, and development which is sensitive to surrounding land uses.

The Applicant submitted evidence to the Town Board that the Project as proposed is consistent with and supports the goals and objectives of the Town's Comprehensive Plan as adopted in 2022. The Comprehensive Plan for the Town of Rotterdam says its objectives are to encourage and promote quality development and utilize existing infrastructure and Town services. The stated goals also include the following:

- "Promote investment and reinvestment to attract and retain local businesses and employment opportunities.
- Ensure that commercial growth occurs in a manner that maintains the character of the community while expanding the Town's tax base and the availability of services to members of the community.
- Support and promote existing commercial and industrial areas." Page II-2 2022 Comprehensive Plan

While the property remains zoned Agricultural, it is no longer considered a suitable zoning for the site as it is surrounded by other Commercial uses and is located at the major intersection of Duaneburg Road (NYS Route 7) and NYS Interstate-88. The Project Proposal is consistent with the Corridor Mixed Use areas and recommended actions as defined and described in the Comprehensive Plan, (2022 Comprehensive Plan III-7).

Some of the existing infrastructure and Town services the project will benefit from are as follows:

- Located immediately adjacent to the intersection for the entrance to Interstate 88, characterized as a Key Regional Access point. Locating the proposed Project at this intersection ensures that the Project will have minimal impacts on the overall transportation system
- Located in the Schalmont School District which will benefit from the increased tax revenues.
- There is an existing water main on Duaneburg Road and an analysis of the water infrastructure indicates that there is sufficient quantity and pressure to service the project.

- The proposed use is compatible with surrounding uses and ensures that a significant retail resource to the Town of Rotterdam and the surrounding communities.

There are no feasible alternatives to the action given the existing agriculture zoning of the property and the proximity to Route 7 (Duanesburg Road), the commercial corridor for the town. There are no irreversible and irretrievable commitments of important resources which would be involved in the proposed action if it is implemented, as the lands involved are not actively used for any current purpose permitted under the existing zoning, the soils are not especially valuable for agriculture use, and most adjacent properties are zoned for and/or committed to commercial uses.

The Town Board has concluded that this project is consistent with community plans.

Consistency with Community Character

The proposed Site Development is not expected to result in adverse impacts to the Community Character. The project is designed in accordance with general zoning and land use objectives of the Town and County as discussed above. The Project models the Town's vision for development practices and meets the objectives discussed through their Comprehensive Land Use Plan and other planning documents. The vacant parcels located along Route 7 of the Town of Rotterdam are surrounded by parcels already developed for commercial and residential uses. The Project is surrounded by predominantly commercial uses and a major highway interchange for I-88. The existing land is vegetated with light brush with groupings of moderate woods and mixed areas of open meadow. The proposed design works to maintain the community characteristics enjoyed in the Town. Since the Project is expected to replace the existing BJ's operation in the Town, there is no new need for community services as a result of the Project.

Existing environmentally sensitive areas such as wetlands and stream courses are protected by the establishment of buffers and avoiding to the fullest extent possible the areas from potential impacts. The Project will allow for preservation of character, protect natural resources, and avoid additional demands to the infrastructure.

The Town Board has concluded that this project is consistent with community character.

The Town Board has also reviewed the potential development thresholds of this non-project action on the property for all potential uses of this property under the General Business Zoning Classification. Any use of this property will require Rotterdam Planning Commission site plan approval.

This rezoning will not result in any impacts to utilities and all coordination and expenses related to on-site utility infrastructure improvements will be handled by the project sponsor.

After a review of the application materials, the Long Environmental Assessment Form (Parts 1 and 2), and comments received on this proposal, the Town Board of the Town of Rotterdam has determined that this proposal will not have a significant adverse impact on the environment.

The Town Board has considered the following criteria to determine if this proposal has significant adverse impacts on the environment:

- (i) a substantial adverse change in existing air quality, ground or surface water quality or quantity, traffic or noise levels; a substantial increase in solid waste production; a substantial increase in potential for erosion, flooding, leaching or drainage problems;
- (ii) the removal or destruction of large quantities of vegetation or fauna; substantial interference with the movement of any resident or migratory fish or wildlife species; impacts on a significant habitat area; substantial adverse impacts on a threatened or endangered species of animal or plant, or the habitat of such a species; or other significant adverse impacts to natural resources;
- (iii) the impairment of the environmental characteristics of a Critical Environmental Area.
- (iv) the creation of a material conflict with a community's current plans or goals as officially approved or adopted;
- (v) the impairment of the character or quality of important historical, archaeological, architectural, or aesthetic resources or of existing community or neighborhood character;
- (vi) a major change in the use of either the quantity or type of energy;
- (vii) the creation of a hazard to human health;
- (viii) a substantial change in the use, or intensity of use, of land including agricultural, open space or recreational resources, or in its capacity to support existing uses;
- (ix) the encouraging or attracting of a large number of people to a place or places for more than a few days, compared to the number of people who would come to such place absent the action;
- (x) the creation of a material demand for other actions that would result in one of the above consequences;
- (xi) changes in two or more elements of the environment, no one of which has a significant impact on the environment, but when considered together result in a substantial adverse impact on the environment; or
- (xii) two or more related actions undertaken, funded or approved by an agency, none of which has or would have a significant impact on the environment, but when considered cumulatively would meet one or more of the criteria in this subdivision.

The Town Board has also considered the reasonably related long-term, short-term, direct, indirect and cumulative impacts, including other simultaneous or subsequent actions, which are:

- (i) included in any long-range plan of which the action under consideration is a part;
- (ii) likely to be undertaken as a result thereof; or
- (iii) dependent thereon.
- (3) The significance of a likely consequence (i.e., whether it is material, substantial, large or important) has been assessed in connection with:
 - (i) its setting (e.g., urban or rural);
 - (ii) its probability of occurrence;

- (iii) its duration;
- (iv) its irreversibility;
- (v) its geographic scope;
- (vi) its magnitude; and
- (vii) the number of people affected

PUBLIC HEARING**

PLEASE TAKE NOTICE

that the Town Board of the Town of Rotterdam, Schenectady County, New York, will meet at the Town Hall, 1100 Sunrise Boulevard, in Schenectady, New York, in said Town, on April 23, 2025, at 7 o'clock P.M., Prevailing Time, for the purpose of conducting a public hearing upon a proposed joint increase and improvement of the facilities of Water District No. 5 and Sewer District Nos. 2 and 7, in said Town, being the purchase of maintenance equipment, at a maximum estimated cost of \$967,455, at which time and place said Town Board will hear all persons interested in the subject thereof concerning the same.

Such cost shall be annually apportioned among such Districts by said Town Board, and the amounts so apportioned shall be levied and collected in each District in the manner provided by law. It is expected that the apportionment of cost between the districts shall be as follows: Water District No. 1: \$468,911.25, and Sewer District No. 2: \$430,095.75, and Sewer District No. 7: \$68,448.00.

The improvements as described above have been determined to be a "Type II Action" pursuant to the regulations promulgated under the State Environmental Quality Review Act ("SEQRA"), which as such, it has been determined that same will not result in any significant adverse environmental effects.

At said public hearing said Town Board will hear all persons interested in the subject matter thereof.

Dated:
Schenectady,
New York,
April 9, 2025.

LEGISLATIVE REQUEST FORM

DATE: April 7, 2025

TO: Town Board

FROM: Mollie A. Collins, Supervisor

TITLE OF REQUEST: Order Calling for Public Hearing for the joint increase and improvement of the facilities of Water District #5, Sewer Districts #2 and #7.

TOWN BOARD MEETING: April 9, 2025

Background Information: The Water/Sewer Maintenance Department is responsible for any water main breaks, hydrant repair/replacement, valve repair/replacement and sewer repairs. The current machinery, a “sewer jetter” is 24 years old. The department does not currently own a vacuum truck and must borrow one when needed. The department does not currently own a small dump truck only a 10-wheeler that requires a CDL.

Evaluation/Analysis: To keep the town’s water and sewer districts in good repair for the health and safety of our residents, for the safety of our employees doing the repairs, and to improve the efficiency of operations, the proper machinery is needed.

Recommendation(s): Recommend to hold a public hearing for the joint increase and improvement of the facilities of Water District #5, Sewer Districts #2 and #7 to bond for the purchase of a sewer jetter truck, vac truck, and a small dump truck.

Attachment/Document(s): Order calling for public hearing.

In the Matter of The Joint Increase and Improvement of the Facilities of Water District No. 5 and Sewer District Nos. 2 and 7, each in the Town of Rotterdam, Schenectady County, New York	ORDER CALLING PUBLIC HEARING
---	---------------------------------------

WHEREAS, the Town Board of the Town of Rotterdam, Schenectady County, New York,
has had under consideration the joint increase and improvement of the facilities of Water District

No. 5 and Sewer District Nos. 2 and 7, in said Town (together, the “Districts”), consisting of purchase of maintenance equipment; and

WHEREAS, the maximum estimated cost to said Districts of such joint increase and improvement of facilities is determined to be \$967,455; and

WHEREAS, such cost shall be annually apportioned among such Districts by said Town Board, and the amounts so apportioned shall be annually apportioned and assessed upon the several lots and parcels of land within each said District in the manner provided by law, in an amount sufficient to pay the principal and interest on said bonds as the same become due, but if not paid from such source, all the taxable real property in said Town shall be subject to the levy of ad valorem taxes without limitation as to rate or amount sufficient to pay the principal of and interest on said bonds as the same shall become due; and

WHEREAS, it is expected that the apportionment of such cost between the districts shall be as follows: Water District No. 5: \$468,911.25, and Sewer District No. 2: \$430,095.75, and Sewer District No. 7: \$68,448.00; and

WHEREAS, said capital project has been determined to be a “Type II Action” pursuant to the regulations of the New York State Department of Environmental Conservation promulgated pursuant to the State Environmental Quality Review Act (“SEQRA”), the implementation of which as proposed, as such, will not result in any significant adverse environmental effects; and

WHEREAS, it is now desired to call a public hearing on the question of the joint increase and improvement of the facilities of said Districts, in the matter described above, and to hear all persons interested in the subject thereof, concerning the same, in accordance with the provisions of Section 202-b of the Town Law; NOW,

THEREFORE, UPON MOTION OF Councilmember **DODSON**, seconded by Councilmember **SCHLAG**,

IT IS HEREBY ORDERED, by the Town Board of the Town of Rotterdam, Schenectady County, New York, as follows:

Section 1. A public hearing will be held at the Town Hall, 1100 Sunrise Boulevard, in Schenectady, New York, in said Town, on April 23, 2025, at 7 o'clock P.M., Prevailing Time, on the question of the proposed joint increase and improvement of the facilities of Water District No. 5 and Sewer District Nos. 2 and 7, in said Town, and the estimate of cost referred to in the preambles hereof, at which time and place said Town Board will hear all persons interested in the subject thereof concerning the same and to take such action thereon as is required or authorized by law.

Section 2. The Town Clerk is hereby authorized and directed to cause a notice of said public hearing to be published in the official newspaper of said Town, and also to cause a copy thereof to be posted on the signboard of the Town, such publication and posting to be made not less than ten, nor more than twenty days, before the date designated for the hearing.

Section 3. The notice of public hearing shall be in substantially the form attached hereto as Exhibit A and hereby made a part hereof.

Section 4. This Order shall take effect immediately.

The question of the adoption of the foregoing Order was duly put to a vote on roll call, which resulted as follows:

Good evening,

I would very much like to be considered for an appointment to the Parks advisory committee. I believe I would be able to develop a nature appreciation curriculum working through the Parks advisory committee if a few members are interested. We have so much to offer young minds in our Parks. Remnant Pine Bush and the Mohawk River can make an outdoor classroom adventure.

This could be done without spending a lot of resources.

I am not sure whether the committee would be interested, but I would like to find out.

Thank you for your consideration .

SUPERVISORS OFFICE

Dear Supervisor and Town Board Members,

My name is Clark Collins and I worked with Mary Barrie last year going to Jefferson School and Pinewood School teaching the children about our aquafer. When I worked for the town at the Rice Road Treatment Plant we had local schools that brought their children down to the plant and we explained how the aquafer worked.

I was told that there was an opening on the Parks Committee and I would like to be considered for that position. I would like to continue to work with Mary on educating our children about the natural resource we have with the aquafer and I look forward to working with other members of the committee to improve our parks.

I know that the town is currently looking to finish the dog park at Juracka Park and there are many options on how to utilize the Strang Farm. I would like to work with the committee to see these projects completed.

Thank you for your consideration.

Clark Collins

LEGISLATIVE REQUEST FORM

DATE: April 15, 2025

TO: Mollie Collins, Supervisor

FROM: Linda Testa, Project Coordinator, Office of the Aging

TITLE OF LEGISLATIVE REQUEST: Contract with the Mohawk Valley Society for Live Music for the 2025 Summer Concerts Series at the Rotterdam Senior Center.

TO BE PLACED ON TOWN BOARD MEETING OF: April 23, 2025, Town Board Meeting.

Background Information: The Mohawk Valley Society for Live Music works with the Town of Rotterdam to provide professional bands for our Summer Concerts Series. This year they are providing nine (9) professional bands. The first concert will be held on Monday June 2, 2025.

Evaluation/Analysis: This program is a joint venture between the Town and the Schenectady-Amsterdam Musical Union. Together we provide a concert series that is well received in the community and introduces live music to younger generations who have not been exposed to the experience. It is an extension of our programs in that it provides socialization to our senior population, and it encourages a sense of community between all residents, no matter their age.

Recommendation(s): It is recommended that the Town Board authorize the Supervisor to sign the contract with the Mohawk Valley Society for Live Music to fund the Summer Concert Series.

Attachment/Documents(s): Mohawk Valley Society for Live Music.

RE: Altamont Pump Station Pump Out and Jetting

Dear Alan:

I would like to take this opportunity to thank you for choosing Precision Industrial Maintenance, LLC (PIM) for your environmental needs. The following quotation is based on our conversation regarding the pumping out of the Altamont pump station pit for the Town of Rotterdam Department of Public Works.

Scope of Work

Provide a vacuum truck and operator and laborer to pump out septic sludge from the Altamont Pump Station in Schenectady, New York. Waste will be transported to either Rotterdam WWTP at no cost or Schenectady WWTP for disposal as needed. Approximately 400 feet of pipe will also be jetted from manhole to manhole near the pump station.

Vacuum Truck/Operator/Laborer/Pickup Cost (Off Site):	\$ 445.00/hour (portal to portal)
Vacuum Truck and Operator Cost (On-Site):	\$ 529.00/hour
Liquid Disposal Cost:	\$ 0.25/gallon
Sludge Disposal Cost:	\$ 308.00/ton

All prices include transportation, fees, and surcharges.

Other Terms and Conditions

- All work will be performed in a legal manner according to all local, state, and federal regulations.
- All local, state, and federal taxes apply unless a tax-exempt document is presented to PIM.
- If sludge is placed in the drain at Schenectady WWTP it will be charged as liquid and if the sludge is placed in the pole barn it will be charged as solid/sludge.
- On site labor will be at prevailing wage rates.
- A minimum of four hours will be charged to the project.
- This quotation is valid for 60 days and subject to verification thereafter.

OSHA has substantially changed requirements for roofing contractors. All employees related to this job have been specifically trained and equipped to comply with OSHA and NRCA (National Roofing Contractors Association) regulations.

TERMS AND CONDITIONS

1. ALL MATERIAL IS GUARANTEED AS SPECIFIED. ALL WORK IS TO BE COMPLETED IN A WORKMANLIKE MANNER ACCORDING TO STANDARD PRACTICES. THE CONTRACT DOES NOT COVER DAMAGES OR DEFECTS THAT ARE THE RESULT OF CHARACTERISTICS COMMON TO THE MATERIALS USED, OR CONDITIONS RESULTING FROM CONDENSATION, EXPANSION OR CONTRACTION OF SUCH MATERIALS. THE CONTRACT DOES NOT COVER LEAKS RESULTING FROM ICING AND/OR THE FORMATION OF ICE DAMS. OFTENTIMES LEAKS FROM ICING, AND ICE DAMS ARE CAUSED BY IMPROPER INSULATION AND/OR AIR FLOW IN THE ATTIC.
2. PINNACLE ROOFING, INC., (HEREINAFTER "CONTRACTOR") AGREES TO KEEP IN FORCE AT ITS OWN EXPENSE THROUGH THE COMPLETION OF WORK ON THE PROJECT SUCH LIABILITY INSURANCE AS WILL PROTECT IT FROM CLAIMS, UNDER WORKERS COMPENSATION AND OTHER EMPLOYEE BENEFIT LAWS, FOR BODILY INJURY AND DEATH, AND FOR PROPERTY DAMAGE, THAT MAY ARISE OUT OF WORK UNDER THE CONTRACT, WHETHER DIRECTLY OR INDIRECTLY BY CONTRACTOR, OR DIRECTLY OR INDIRECTLY BY A SUBCONTRACTOR. THE CUSTOMER AGREES TO MAINTAIN IN FORCE HIS OR HER OWN LIABILITY INSURANCE THROUGH THE COMPLETION OF THE WORK ON THIS PROJECT. IN ADDITION, THE CUSTOMER AGREES TO MAINTAIN AT HIS OR HER EXPENSE THROUGH THE COMPLETION OF WORK PROPERTY DAMAGE INSURANCE ON THE WORK AT THE SITE TO ITS FULL INSURABLE VALUE AGAINST FIRE, VANDALISM AND OTHER PERILS ORDINARILY INCLUDED IN EXTENDED COVERAGE. PROOF OF OUR INSURANCE IS AVAILABLE UPON REQUEST.
3. THE CONTRACT SHALL CONSTITUTE THE ENTIRE AGREEMENT BETWEEN THE PARTIES. ANY PRIOR UNDERSTANDING OR REPRESENTATION OF ANY KIND PRECEDING THE DATE OF THE CONTRACT SHALL NOT BE BINDING UPON EITHER PARTY EXCEPT TO THE EXTENT INCORPORATED IN THE CONTRACT. ANY MODIFICATION OF THE CONTRACT OR ADDITIONAL OBLIGATION ASSUMED BY EITHER PARTY IN CONNECTION WITH THE CONTRACT SHALL BE BINDING ONLY IF EVIDENCED IN A WRITING SIGNED BY EACH PARTY OR AN AUTHORIZED REPRESENTATIVE OF EACH PARTY.

TERMS AND CONDITIONS (CONT'D)

4. THE CONTRACT SHALL BE GOVERNED BY, CONSTRUED AND ENFORCED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK. THE FAILURE OF EITHER PARTY TO THE CONTRACT TO INSIST UPON THE PERFORMANCE OF ANY OF THE TERMS AND CONDITIONS OF THE CONTRACT, OR THE WAIVER OF ANY BREACH OF ANY OF THE TERMS AND CONDITIONS OF THE CONTRACT, SHALL NOT BE CONSTRUED AS THEREAFTER WAIVING ANY SUCH TERMS AND CONDITIONS, BUT SUCH TERMS AND CONDITIONS SHALL CONTINUE AND REMAIN IN FULL FORCE AND EFFECT AS IF NO SUCH FORBEARANCE OR WAIVER HAD OCCURRED. ANY NOTICE PROVIDED FOR OR CONCERNING THE CONTRACT SHALL BE IN WRITING AND BE DEEMED SUFFICIENTLY GIVEN WHEN SENT BY CERTIFIED MAIL OR OVERNIGHT DELIVERY SERVICE IF SENT TO THE RESPECTIVE ADDRESS OF EACH PARTY AS SET FORTH IN THE CONTRACT.
5. CUSTOMER AGREES TO PAY INTEREST AT A RATE OF 1.5% PER MONTH ON ANY OVERDUE BALANCE AS WELL AS CONTRACTOR'S COSTS OF COLLECTION INCLUDING, BUT NOT LIMITED TO, ATTORNEY'S FEES AND COSTS ASSOCIATED WITH ENFORCEMENT OF THIS CONTRACT. THE PROPOSAL PRICE IS ONLY GOOD FOR 30 DAYS. A \$25.00 FEE WILL BE ASSESSED ON ALL RETURNED CHECKS.
6. CONTRACTOR RESERVES THE RIGHT TO CANCEL THIS CONTRACT AT ANY TIME, WITHOUT GIVING A REASON, AND WITHOUT PENALTY OR OBLIGATION TO THE CUSTOMER. IN THAT EVENT, CONTRACTOR SHALL STILL BE PAID BY CUSTOMER FOR THE SERVICES RENDERED TO THE DATE OF TERMINATION.
7. CONTRACTOR SHALL NOT BE HELD RESPONSIBLE FOR ANY DAMAGES RELATING TO BODILY INJURY, PROPERTY DAMAGE AND PERSONAL INJURY CAUSED DIRECTLY OR INDIRECTLY IN WHOLE OR IN PART BY MOLD, INCLUDING FUNGUS OR MILDEW REGARDLESS OF THE COST, EVENT, MATERIAL, PRODUCT AND/ OR COMPONENT THAT CONTRIBUTED CONCURRENTLY OR IN ANY SEQUENCE TO THAT INJURY OR DAMAGE. CONTRACTOR SHALL NOT BE HELD RESPONSIBLE FOR ANY EXISTING MOLD DUE TO WATER INTRUSION OR ARISING BECAUSE OF ANY OTHER REASON WHATSOEVER.
8. IT IS THE RESPONSIBILITY OF THE CUSTOMER TO ENSURE THAT THERE ARE NO ASBESTOS CONTAINING MATERIALS THAT WOULD BE DISTURBED AS A RESULT OF THIS INSTALLATION. ASBESTOS COULD BE PRESENT IN THE ROOF SYSTEM, FIRE-PROOFING OF THE ROOF DECK, PIPE COVERINGS, CEILING TILES OR EXISTING ROOF TOP UNIT COMPONENTS BEING REMOVED, ETC. ANY NECESSARY ASBESTOS ABATEMENT WOULD RESULT IN ADDITIONAL COSTS. ANY TESTING PERFORMED OR REQUIRED FOR ASBESTOS CONTAINING MATERIALS WOULD ALSO BE AN ADDITIONAL COST.
9. CONTRACTOR SHALL NOT BE RESPONSIBLE FOR LEAKS THAT DEVELOP IN SKYLIGHTS EITHER DURING OR AFTER ROOF RENOVATION.
10. ALL ALTERATION OR DEVIATION FROM THE SCOPE OF WORK, INCLUDING BUT NOT LIMITED TO ANY SUCH ALTERATIONS OR DEVIATION INVOLVING ADDITIONAL MATERIAL AND/OR LABOR COSTS, WILL BE PERFORMED ONLY UPON WRITTEN ORDER FOR THE SAME, SIGNED BY BOTH PARTIES. IF THERE IS ANY CHARGE FOR SUCH ALTERATION OR DEVIATION, THE ADDITIONAL CHARGE WILL BE ADDED TO THE PRICE OF THE CONTRACT. ANY AND ALL MATERIALS LEFT AT THE END OF THE WORK REMAIN THE PROPERTY OF THE CONTRACTOR.
11. CUSTOMER REPRESENTS AND WARRANTS THAT HE/SHE IS THE OWNER OF THE SUBJECT PROPERTY, OR IN THE ALTERNATIVE, HAS THE EXPRESS AUTHORITY TO REPRESENT AND BIND THE OWNER OF THE PROPERTY.
12. CUSTOMER SHALL NOT WALK UNDER WORK AREA WHILE ROOF WORK IS IN PROGRESS. CONSTRUCTION SITES ARE DANGEROUS TO ANY PERSON ON THE GROUND, PARTICULARLY IN REGARDS TO FALLING DEBRIS.
13. CUSTOMER AGREES TO KEEP ROOF FREE OF FOREIGN DEBRIS AND OBJECTS THAT COULD HAVE AN ADVERSE EFFECT ON THE ROOFING SYSTEM PERFORMANCE, INCLUDING BUT NOT LIMITED TO SNOW AND ICE DAMS.
14. PROPER INSTALLATION OF THE ROOF SYSTEM MAY REQUIRE REPLACEMENT OF EXISTING FLASHING. DURING SUCH REPLACEMENT, SIDING ADJACENT TO THIS FLASHING WHICH HAS DETERIORATED MAY CRACK, BREAK OR TEAR. CONTRACTOR IS COMMITTED TO MAKING EVERY REASONABLE EFFORT TO AVOID DAMAGE, BUT IS NOT RESPONSIBLE FOR DAMAGE TO CUSTOMER'S SIDING THAT OCCURS DURING THE ROOF INSTALLATION PROCESS.
15. CONTRACTOR WILL SEND A REPRESENTATIVE TO INSPECT AND INVESTIGATE ANY REPORTED LEAK IN THE ROOF SYSTEM. MORE THAN ONE INSPECTION MAY BE NECESSARY TO ISOLATE THE CAUSE. IT IS THE RESPONSIBILITY OF THE CUSTOMER TO PROVIDE ACCEPTABLE TIMES AND DATES FOR SUCH INSPECTIONS AND ACCESS. IF, UPON INSPECTION, THE REPORTED LEAK IS DETERMINED TO BE AN ISSUE NOT THE FAULT OF CONTRACTOR, CUSTOMER AGREES TO PAY FOR CONTRACTOR'S VISIT(S) AT A RATE PROPORTIONAL TO THE TIME AND NATURE OF INSPECTION PERFORMED.
16. ROOFING CAN CAUSE DUST, DEBRIS, AND SMALL PARTICLES FROM ROOF INSTALLATION TO ENTER THE BUILDING AND ATTIC. CUSTOMER SHOULD USE CAUTION THE FIRST TIME THE ATTIC ACCESS IS USED AND SHOULD NOT LOOK UP THE ACCESS HATCH IMMEDIATELY AFTER OPENING AS SMALL PARTICLES MAY FILTER DOWN. CONTRACTOR IS NOT RESPONSIBLE FOR DUST, DEBRIS, AND SMALL PARTICLES THAT MAY ENTER THE HOUSE STRUCTURE.
17. CONTRACTOR SHALL NOT BE LIABLE FOR PRE-EXISTING STRUCTURAL/COSMETIC DEFICIENCIES IN THE ROOF ITSELF. WE WILL MAKE AN EFFORT TO INFORM THE CUSTOMER OF ANY DEFICIENCY OF WHICH WE BECOME AWARE. HOWEVER, WE ARE NOT RESPONSIBLE FOR CONDUCTING AN INSPECTION OF ANY SUCH DEFICIENCIES. THE INSTALLATION OF THE NEW ROOF SYSTEM INTENSIFIES THE APPEARANCE OF ANY DEFICIENCY. CONTRACTOR IS NOT RESPONSIBLE FOR SOLVING PRE-EXISTING STRUCTURAL/COSMETIC DEFICIENCIES OR THE APPEARANCE OF THOSE DEFICIENCIES.
19. CONTRACTOR IS NOT RESPONSIBLE FOR ELECTRICAL ACCESSORIES ATTACHED TO THE ROOF SYSTEM. THIS SHALL BE DONE BY A LICENSED ELECTRICIAN.
20. CONTRACTOR'S WORKMANSHIP IS NOT ASSIGNABLE OR TRANSFERABLE.
21. ANY CONTRACTOR, SUBCONTRACTOR, OR MATERIALMAN WHO PROVIDES HOME IMPROVEMENT CONTRACT AND WHO IS NOT PAID MAY HAVE A VALID LEGAL CLAIM AGAINST YOUR PROPERTY KNOWN AS A MECHANIC'S LIEN. ANY MECHANIC'S LIEN FILED AGAINST YOUR PROPERTY MAY BE DISCHARGED. PAYMENT OF THE AGREED UPON PRICE UNDER THE HOME IMPROVEMENT CONTRACT PRIOR TO FILING OF A MECHANIC'S LIEN MAY INVALIDATE SUCH LIEN. THE OWNER MAY CONTACT AN ATTORNEY TO DETERMINE HIS RIGHTS TO DISCHARGE A MECHANIC'S LIEN."
22. IN ACCORDANCE WITH SUBDIVISION 4 § 71-A OF THE LIEN LAW, THE CONTRACTOR IS LEGALLY REQUIRED TO DEPOSIT ALL PAYMENTS RECEIVED PRIOR TO SUBSTANTIAL COMPLETION OF WORK. IN LIEU OF SUCH DEPOSIT, THE CONTRACTOR MAY POST A BOND OR CONTRACT OF INDEMNITY WITH THE CUSTOMER GUARANTEEING THE RETURN OF THE PAYMENTS OR APPLICATION OF THE PAYMENTS TO THE PURPOSE OF THE CONTRACT.
23. CUSTOMER HAS A RIGHT TO CANCEL THE CONTRACT UNTIL MIDNIGHT OF THE THIRD BUSINESS DAY AFTER ITS SIGNS THE CONTRACT. IF CUSTOMER WISHES TO CANCEL, IT MUST DO SO IN WRITING. CONTRACTOR WILL REFUND ALL PAYMENTS MADE AND CANCEL AND RETURN ANY CONTRACT OR OTHER NEGOTIABLE DOCUMENT THE PARTIES MAY HAVE SIGNED. THE WORK TO BE PERFORMED UNDER THIS CONTRACT SHALL BE COMMENCED ON OR ABOUT _____, AND SHALL BE SUBSTANTIALLY COMPLETED ON OR ABOUT _____.

Tecta America WeatherGuard's Preferred Terms & Conditions:

1. **Nature of Work.** Tecta America WeatherGuard, LLC (TAWG) shall furnish the labor and material to perform the work described herein or in the referenced contract documents. Tecta does not provide design, engineering, consulting or architectural services. It is the Owner's responsibility to retain a licensed architect or engineer to determine proper design and code compliance, including a determination as to whether and what type of a vapor or air retarder is needed. If plans, specifications or other design documents have been furnished to Tecta, Customer warrants that they are sufficient and conform to all applicable laws and building codes. Tecta is not responsible for any loss, damage or expense due to defects in plans or specifications or building code violations unless such damage results from a deviation by Tecta from what is specified. Tecta is not responsible for condensation, moisture migration from the building interior or other building components, location or size of roof drains, adequacy of drainage, ponding on the roof, structural conditions or the properties of the roof deck or substrate on which Tecta's roofing work is installed.

2. **Drainage.** Tecta shall not be liable for any claims or damages arising from or related to deficiencies in roof drainage. It is the Customer's responsibility prior to commencement of re-roofing to retain a licensed architect or mechanical engineer to determine and evaluate the drainage design and compliance with applicable plumbing codes, including potential need for additional drains, scuppers, or overflow drains. Tecta's work does not include evaluation of code compliance, existing drainage, proper location or size of roof drains, or adequacy of drainage. Tecta is not responsible for ponding.

3. **Deck.** Customer warrants that structures on which Tecta is to work are in sound condition and capable of withstanding roof construction, equipment and operations. Tecta's commencement of roof installation indicates only that Tecta has visually inspected the surface of the roof deck for visible defects. Tecta is not responsible for the structural sufficiency, quality of construction (including compliance with FMG criteria), undulations, fastening or moisture content of the roof deck or other trades' work or design. Tecta is not responsible to test or assess moisture content of the deck or substrate.

4. **Asbestos and Toxic Materials.** This proposal is based on Tecta's not coming into contact with asbestos-containing or toxic materials ("ACM"). Tecta is not responsible for expenses, claims or damages arising out of the presence, disturbance or removal of ACM. Tecta shall be compensated for additional expenses resulting from the presence of ACM. Customer agrees to indemnify Tecta from and against any liability, damages, losses, claims, demands or citations arising out of the presence of ACM.

5. **Payment.** Unless stated otherwise on the face of this proposal, Customer shall pay the contract price plus any additional charges for changed or extra work within ten (10) days of substantial completion of the Work. If completion of the Work extends beyond one month, Customer shall make monthly progress payments to Tecta by the fifth (5th) day of the month for the value of Work completed during the preceding month, plus the value of materials suitably stored for the project. All sums not paid when due shall earn interest at the rate of 1-1/2% per month or at such rate as permitted by Illinois law. Tecta shall be entitled to recover from Customer all costs of collection incurred by Tecta, including attorney's fees, resulting from Customer's failure to make proper payment when due. Tecta's entitlement to payment is not dependent upon criteria promulgated by Factory Mutual Global, including wind uplift testing.

6. Right to Stop Work. The failure of Customer to make proper payment to Tecta when due shall, in addition to all other rights, constitute a material breach of contract and shall entitle Tecta, at its discretion, to suspend all work and shipments, including furnishing warranty, until full payment is made. The time period in which Tecta shall perform the work shall be extended for a period equal to the period during which the Work was suspended, and the contract sum to be paid Tecta shall be increased by the amount of Tecta's reasonable costs of shut-down, delay and start-up.

7. Insurance. Tecta shall carry worker's compensation, automobile and commercial general liability insurance. Tecta will furnish a Certificate of Insurance upon request. Customer shall purchase and maintain builder's risk and property insurance, including labor and materials furnished by Tecta, covering fire, extended coverage, malicious mischief, vandalism and theft on the premises to protect against loss or damage to material and partially completed work until the job is completed and accepted. Moneys owed to Tecta shall not be withheld by reason of any damage or claim against Tecta covered by liability, property or builder's risk insurance.

8. Additional Insured. If Customer requires and Tecta agrees to make Customer or others additional insureds on Tecta's liability insurance policy, Customer and Tecta agree that the naming of Customer or others as additional insureds is intended to apply to claims made against the additional insured to the extent the claim is due to the negligence of Tecta and is not intended to make Tecta's insurer liable for claims that are due to the fault of the additional insured.

9. Interior Protection. Customer acknowledges that re-roofing of an existing building may cause disturbance, dust, debris or fireproofing to fall into the interior. Customer agrees to remove or protect property directly below the roof in order to minimize potential interior damage. Tecta shall not be responsible for disturbance, damage, clean up or loss to interior property that Customer did not remove or protect prior to commencement of roofing operations. Customer shall notify tenants of re-roofing and the need to provide protection underneath areas being re-roofed. Customer agrees to hold Tecta harmless from claims of tenants who were not so notified and did not provide protection.

10. Fireproofing. Roofing contractor is not liable for fireproofing that may detach, fall or spall from the underside of the roof deck or structural members during roofing operations, including costs of clean-up and replacement of fireproofing.

11. Deck Repairs and Unforeseen Conditions. Any work required to replace rotten or missing wood or deteriorated decking shall be done on a labor and material or unit price basis as an extra unless specifically included in the scope of work. When re-roofing over an existing roof, replacement of visible wet or deteriorated insulation shall be an extra or billed at unit prices unless otherwise stated on the face of this proposal. Unforeseen conditions that may affect the work will be reported to Owner and authorization requested prior to permanent repairs being performed.

12. Damages and Delays. Tecta will not be responsible for damage done to Tecta's work by others, including damage to temporary tie-ins. Any repairing of the same by Tecta will be charged as an extra. Tecta shall not be liable for liquidated or delay damages due to a delay in completion of the Project unless the delay was caused by Tecta. Tecta shall not be responsible for loss, damage or delay caused by circumstances beyond its reasonable control, including but not limited to acts of God, accidents, snow, fire, weather, vandalism, regulation, strikes, jurisdictional disputes, failure or delay of transportation, shortage of or inability to obtain materials, equipment or labor. In the event of these occurrences, Tecta's time for performance under this proposal shall be extended for a time sufficient to permit completion of the Work.

13. Roof Projections. Tecta will flash roof projections that are in place prior to installation of roofing or shown on the architectural plans provided to Tecta. Penetrations not shown on the plans provided to Tecta prior to submittal of this proposal or required after installation of roofing shall be considered an order for extra work, and Tecta shall be compensated at its customary time and material rates for additional expense resulting from additional penetrations.

14. Wind Loads or Uplift Pressures. Design Professional is responsible to design the work to be in compliance with applicable codes and regulations and to specify or show the work that is to be performed. Tecta is not responsible for design, including calculation or verification of wind-load design. To the extent minimum wind loads or uplift pressures are required, Tecta's

bid is based solely on manufacturer's printed test results. Tecta itself makes no representation regarding wind uplift capacity and assumes no liability for wind uplift.

15. Tolerances. All labor and materials shall be furnished in accordance with normal industry standards and industry tolerances for uniformity, color, variation, thickness, size, weight, finish and texture. Specified quantities are intended to represent an average over the entire roof area.

16. Fumes and Emissions. Customer acknowledges that odors and emissions from roofing products will be released as part of the roofing operations to be performed by Tecta. Customer shall be responsible for interior air quality, including controlling mechanical equipment, HVAC units, intake vents, wall vents, windows, doors and other openings to prevent fumes and odors from entering the building. Customer is aware that roofing products emit fumes, vapors and odors during the application process. Some people are more sensitive to these emissions than others. Customer shall hold Tecta harmless from claims from third parties relating to fumes and odors that are emitted during the normal roofing process.

17. Material Cost Escalation. Steel products, asphalt, polyisocyanurate and other roofing products are sometimes subject to unusual price volatility due to conditions that are beyond the control or anticipation of Tecta. If there is a substantial increase in these or other roofing products between the date of this proposal and the time when the work is to be performed, the amount of the contract may be increased to reflect the additional cost to the roofing Tecta, upon submittal of written documentation and advance notice.

18. Backcharges. No backcharges or claims for payment of services rendered or materials and equipment furnished by Customer to Tecta shall be valid unless previously authorized in writing by Tecta and unless written notice is given to Tecta within five (5) days of the event, act or omission which is the basis of the backcharge.

19. Roof Top Safety. Owner warrants there will be no live power lines on or near the roof servicing the building where Tecta will be working and that Owner will turn off any such power supplies to avoid an electrocution risk to Tecta employees. Owner will indemnify Tecta from personal injury and other claims and expenses if Owner fails to turn-off power so as to avoid injury to Tecta personnel or resulting from the presence of concealed electrical conduit and live electrical power. Tecta is not responsible for costs of repair or damages, including disruption of service, resulting from damage to undisclosed or concealed electrical or other utility lines. Owner shall shut down roof located electronic equipment that emits or receives radio frequency waves while roofing contractor is to be working on the roof so that roofing personnel will not be subject to radio frequency waves or electromagnetic radiation while working on the roof and shall indemnify and hold Tecta and its personnel harmless from any personal injury claims resulting from a failure by Owner to do so. Tecta is not responsible for the safety of persons on the roof other than

its own employees. Owner and general contractor agree to indemnify and hold Tecta harmless, including attorney's fees, from claims for personal injury by persons or entities whom owner or general contractor have allowed or authorized to be on the roof.

20. Conduit and Materials Attached to Deck. Tecta's price is based upon there not being electrical conduit, cables, wires or other materials embedded within the roof assembly or attached directly to the underside or topside of the roof deck upon which Tecta will be installing the new roof. Tecta is not responsible for conduit, wires, cables, pipes, fireproofing or any objects attached to the underside of the roof decking which could be damaged during installation of the new roof system or repairs.

21. Availability of Site. Tecta shall be provided with direct access to the work site for the passage of trucks and materials and direct access to the roof. Tecta shall not be required to begin work until underlying areas are ready and acceptable to receive Tecta's work and sufficient areas of roof deck are clear and available and free from snow, water or debris to allow for continuous full operation. The expense of any extra trips by Tecta to and from the job as a result of the job not being ready for the Work after Tecta has been notified to proceed will be charged as an extra.

22. Warranty. New roofing and re-roofing work will be warranted by Tecta in accordance with its standard warranty, which is made a part of this proposal and contract and incorporated by reference. A facsimile of Tecta's standard warranty is attached or, if not, will be furnished upon request. Tecta SHALL NOT BE LIABLE FOR SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES. The acceptance of this proposal by the Customer signifies his agreement that this warranty shall be and is the exclusive remedy against Tecta. A manufacturer's warranty shall be furnished to Customer if a manufacturer's warranty is called for on the face of this proposal. It is expressly agreed that in the event of alleged defects in the materials furnished pursuant to this contract, Customer shall have recourse only against the manufacturer of such material.

23. Existing Conditions. Tecta is not responsible for leakage through the existing roof or other portions of the building that have not yet been reroofed by Tecta.

24. Mold. Tecta and Owner are committed to acting promptly so that roof leaks are not a source of potential interior mold growth. Owner will make periodic inspections for signs of water intrusion and act promptly including prompt notice to Tecta if Owner believes there are roof leaks, to correct the condition. Upon receiving notice, Tecta will make roof repairs. Owner is responsible for monitoring any leak areas and for indoor air quality. Tecta is not responsible for mold or indoor air quality. Owner shall hold harmless and indemnify Tecta from claims due to indoor air quality and resulting from a failure by Owner to maintain the building in a manner to avoid growth of mold.

25. Material References. Tecta is not responsible for the actual verification of technical specifications of product manufacturers; i.e., R-value or ASTM or UL compliance, but rather the materials used are represented as such by the material manufacturer.

26. Oil-canning. Metal roofing and especially lengthy flat-span sheet-metal panels often will exhibit waviness, commonly referred to as "oil-canning." The degree of oil-canning and the appearance of the panels will vary depending on factor such as the length and color of the panels, alloy, gauge, galvanizing process, substrate condition, and exposure to sunlight. Oil-canning pertains to aesthetics and not the performance of the panels and is not controlled by the roofing Tecta. The type of metal roofing panels specified can affect the degree of oil-canning. Tecta is not responsible for oil-canning or aesthetics. Oil-canning shall not be grounds to withhold payment or reject panels of the type specified.

27. Dispute Resolution. If a dispute shall arise between Tecta and Customer with respect to any matters or questions arising out of or relating to this Agreement or the breach thereof, Tecta and Customer will seek to mediate the dispute. If mediation is not successful, arbitration shall be administered by and conducted in accordance with the Construction Industry Arbitration Rules of the American Arbitration Association unless the parties mutually agree otherwise. This Agreement to arbitrate shall be specifically enforceable under the prevailing arbitration law. The award rendered by the arbitrators shall be final, and judgment may be entered upon it in any Court having jurisdiction thereof. Any legal claim against Tecta alleging any breach of this contract or negligence by Tecta must be initiated no later than two (2) years after Tecta performed the roofing installation covered by this contract. Collection matters may be processed through litigation or arbitration at the discretion of Tecta.

Re: Plumbing/Mechanical On Call Services

Per the RFP, we are pleased to offer the following for review and approval:

BPI Mechanical is a union shop with (45) Plumbing and HVAC service technicians/pipefitters. All our technicians are dispatched from their house, with several living in close proximity of your facilities. Our main office is located at the above address.

BPI Mechanical offers 24/7/365 coverage for our customers with priority service given to those under contract. We provide our technicians with an afterhours service schedule that is made out (1) year in advance. In addition, we would assign primary technicians to the account so they will become very familiar with the facilities and site operations/policies.

BPI Mechanical has certified and trained technicians on all types and manufacturers of equipment including the following:

1. Licensed master plumber
2. Certified back flow preventer testing
3. Trane, Carrier, Daikin and York/JCI Chillers (Screw, centrifugal, recip., scroll, etc.)
4. All types and manufacturers of package units, split systems, etc.
5. All types of cooling towers, condensers, dry coolers, etc.
6. All manufacturers of ductless splits, heat pumps, DX air conditioning.
7. Liebert and Stulz data center cooling systems
8. Simple and rack type refrigeration systems
9. Fire tube, water tube, cast iron, hi efficient boilers (Steam and HW)
10. DDC controls, building management systems, energy saving strategies
11. All types/kinds of water pumps and re-circulating pumps

We are a current subscriber to ISNETWORLD and Avetta for all safety tracking and posting of safety training requirements. Our grades are A or better and we have continually update all required paperwork and forms for improved grading.

The Plumbing/Mechanical/HVAC service and preventive maintenance for equipment listed, scope of work listed and the inspection intervals we provide for our customers allow for proper and efficient equipment operation and longevity.

In addition to the above, we offer the following labor rates for any work performed as part of this scope of work. These rates will be reviewed per contract requirements.

Classification	Straight Time	Overtime	Sunday/Holiday
Master Plumber or Mechanic	\$133/hr	\$163/hr	\$216/hr
Plumber Apprentice	\$130/hr	\$160/hr	\$210/hr.
Sheetmetal Mechanic	\$133/hr	\$163/hr	\$216/hr
Sheetmetal Apprentice	\$130/hr	\$160/hr	\$210/hr.
HVAC Mechanic	\$133/hr	\$163/hr	\$216/hr
HVAC Apprentice	\$130/hr	\$160/hr	\$210/hr
DDC Control Tech	\$133/hr.	\$163/hr.	\$216/hr.
Steam/Pipe fitter Mechanic	\$133/hr	\$163/hr	\$216/hr
Steam/Pipe Fitter Apprentice	\$130/hr	\$160/hr	\$210/hr
Sheetmetal Mechanic	\$133/hr	\$163/hr	\$216/hr
Sheetmetal Apprentice	\$130/hr	\$160/hr	\$210/hr.

I trust you will find this proposal meets your requirements and standards. It is our company's goal to meet your needs and provide you with the best possible service. If you should have any questions or require additional information on the above, please do not hesitate to contact us.

Respectfully,

Daniel A. Keating

SECTION 1: INSTRUCTIONS TO BIDDERS (ITB)

1. All bids must be submitted before **11:45 a.m. on January 29, 2025**, the day of opening.
2. Electronic and in person proposals for the furnishing and delivery of goods/services as required for the Town of Rotterdam, as set forth in the specifications prepared by the Town Board and received by **11:45 a.m. on January 29, 2025** will be opened electronically and in person at that time, via Empire State Purchasing Group on the BidNet website (<http://www.bidnetdirect.com/townofrotterdam>). The Town Board will subsequently post an official report to the Empire State Purchasing Group on BidNet by the close of business the same day, of all bid submissions received. Additionally, the official bid report and all bids shall be available in the Office of the Town Clerk for public inspection during regular business hours.
3. Digital Copies of this Request for Bid may be obtained from the Empire State Purchasing Group on BidNet at <http://www.bidnetdirect.com/townofrotterdam>. Copies of RFB documents obtained from any other source are not considered official copies. The Town of Rotterdam cannot guarantee the accuracy of any information not obtained from the BidNet Direct website and is not responsible for any errors contained by any information received from an alternate source. Only those vendors who obtain ITB, RFB or RFQ documents from the BidNet system are guaranteed to receive addendum information, if such information is issued. If you obtain the document(s) from a source other than the source indicated, it is recommended that you register on the Empire State Purchasing Group website, <http://www.bidnetdirect.com/new-york> and obtain an official copy.
4. Purchases made for the Town of Rotterdam are not subject to State or local taxes or Federal excise taxes. Exemption certificates will be furnished upon request.
5. An "Affidavit of Non-Collusion" is attached and forms a part of this bid. By submission of this bid, each bidder and each person signing on behalf of any bidder, certifies under penalty of perjury, that to the best of his/her knowledge and belief that the prices of the bid have been arrived at independently without collusion, consultation, communication or agreement, for the purpose of restricting competition, as to any matter related to such prices with any other bidder or competitor; that the prices quoted have not and will not be disclosed prior to opening, directly or indirectly, to any other bidder or competitor; that no attempt has been or will be made to induce any other person, partnership or corporation to submit or not submit a bid for the purpose of restricting competition. Each bidder must state that no officer of the Town of Rotterdam or member of the Town Board is directly or indirectly interested in the proposal. Failure to sign this statement will constitute grounds for rejection of bid.
6. Each bidder must acknowledge receipt of and comply with the Town's Non-Discrimination and Harassment (Including Sexual Harassment) in the Workplace policy.
7. Bid proposals shall remain firm, pending bid award, for the year 2025.
8. The Town Board reserves the right to reject any or all bids and re-advertise.
9. All bids are to be on the basis of delivery prepaid to destination, which shall be buildings and/or grounds of the Town of Rotterdam as specified (if applicable).

10. Delivery (if applicable): Time is of the essence. Material is required as soon as possible and guaranteed date of delivery may be taken into consideration in making award. Upon failure to make delivery as promised, the Town Board of the Town of Rotterdam, New York, may consider the contract breached and will then feel free to go into the open market and to maintain an action against the contractor to recover any differences which the Town Board might stand to lose between the contract price and the market price.
11. Where items or articles or equipment or supplies are designated as manufactured by a specific manufacturer, it is to be understood that the articles as specified represent an accepted standard. Where certain brands of materials, apparatus, or equipment are specified, such goods have been selected in order to establish a standard for the particular service required, but it is not the intention to limit competition thereby. If the bidder proposes to furnish the article which is specified, he is to fill in the amount on the line indicated. If he desires to bid on a substitute for the article specified, which is claimed to be equivalent to the standard specified, the amount should be recorded and also identified as "substitute" bid and furnish the required information relating to the manufacturer. In cases where the bid is based upon a substitute article, the bidder will be asked to submit a sample. Samples will be returned, if desired, as soon as the award is made.
12. The Town Board of the Town of Rotterdam reserves the right to waive any informalities on bids received, and to accept reasonable substitutes for specified items as long as such substitutes in no way affect the performance of the item for which the bid has been requested.
13. The approximate quantities shown in the bidding documents are not meant to imply that said quantities will in fact be purchased. Payment will be based on an "as delivered" basis at the facilities listed using actual quantities received.
14. Failure to adequately and fully complete the bid packet and/or questions contained in the RFB shall be disqualified and the bid shall be rejected.

SECTION 2: NON-COLLUSION BIDDING CERTIFICATION

- A. By submission of this bid, each bidder and each person signing on behalf of any bidder certifies, an in the case of a joint bid, each party thereto certifies as to its own organization, under penalty of perjury, that to the best of knowledge and belief:
- 1) The prices in this bid have been arrived at independently without collusion, consultation, communication, or agreement, for the purposes of restricting competition, as to any matter relating to such prices with any other bidder or with any competitor;
 - 2) Unless otherwise required by law, the prices which have been quoted in this bid have not been knowingly disclosed by the bidder and will not knowingly be disclosed by the bidder prior to opening, directly or indirectly, to any other bidder or to any competitor; and
 - 3) No attempt has been made or will be made by the bidder to induce any other person, partnership or corporation to submit or not to submit a bid for the purpose of restricting competition.
- B. A bid shall not be considered for award nor shall any award be made where (A), (1), (2), and (3) above have not been complied with; provided however, that if in any case the bidder cannot make the foregoing certifying, the bidder shall so state and shall furnish with the bid a signed statement which sets forth in detail the reason therefore. Where (A), (1), (2), and (3) above have not been complied with, the bid shall not be considered for award nor shall any award be made unless the head of the purchasing unit of the political subdivision, public department, agency or official thereof to which the bid is made or his designee, determines that such disclosure was not made for the purpose of restricting competition.
- C. The fact that the bidder (A) has published price lists, rates or tariffs governing items being procured, (B) has informed prospective customers of proposed or pending publication of new or revised price lists for such items or (C) has sold the same item to other customers at the same prices being bid, does not constitute, without more, a disclosure within the meaning subparagraph (A)(1).
- D. Any bid hereafter made to any political subdivision of the state or any public department, agency or official thereof by a corporate bidder for work or state services performed or to be performed or goods sold or to be sold, where competitive bidding is required by statute, rule, regulation, or local law, and where such bid contains the certification referred to in subdivision one (1) of this section, shall be deemed to have been authorized by the board of directors of the bidder, and such authorization shall be deemed to include the signing and submission of the bid and the inclusion therein of the certificate as to non-collusion as the act and deed of the corporation.

SECTION 4: NON-DISCRIMINATION AND HARRASSMENT (Including Sexual Harassment) IN THE WORKPLACE

Policy Statement – It is the policy of the Town of Rotterdam to promote a productive work environment and to prohibit conduct by any Elected Official or employee (as defined in Section 104 of the Employee Handbook) that disrupts or interferes with another’s work performance or that creates an intimidating, offensive, or hostile work environment. In keeping with this goal, the Town is committed to educate Elected Officials and employees in the recognition and prevention of workplace discrimination and harassment, including sexual harassment, and to provide an effective means of eliminating such discrimination and harassment from the workplace. In short, the Town does not tolerate any form of discrimination or harassment, including sexual harassment, and will take all steps necessary to prevent and stop the occurrence of such activity in the workplace. The accompanying complaint procedure is intended to provide an effective mechanism for reporting, and resolving promptly, complaints of discrimination and harassment, including sexual harassment, without any risk of repercussion to any individual covered by this policy who, in good faith, files such complaint.

Applicability of Policy – This policy applies to all Elected Officials, Appointed Members of Boards and Commissions, employees, supervisors, and Department Heads, whether employed full or part-time, temporary or seasonal, paid or unpaid interns, volunteers, and those employed by companies contracting to provide services in the workplace. Depending on the extent of the Town’s exercise of control, this policy may be applied to the conduct of non-Town employees with respect to harassment of Town employees in the workplace.

Prohibited harassment (including sexual harassment) is not limited to the physical workplace itself. It can occur while Elected Officials, employees or other individuals covered by this policy are traveling for Town business or at Town sponsored events or parties. Calls, texts, emails, and social media usage by employees or other individuals covered by this policy can constitute workplace harassment, even if they occur away from the workplace premises, on personal devices, or during non-work hours.

Prohibited Activity – No Elected Official, employee or other individuals covered by this policy shall engage in any of the following:

- **Harassment:** Unwanted, unreasonable verbal or physical conduct directed toward or affecting another person that disturbs, frightens, insults, threatens, intimidates, demeans, or offends that other person, that continues or is repeated after a request to cease, and that: 1) has the purpose or effect of creating an intimidating, hostile, or offensive work environment; 2) has the purpose or effect of unreasonably interfering with an individual’s work performance; or 3) otherwise adversely affects an individual’s employment opportunities. Harassment includes offensive or inappropriate images or written materials or electronic communications (e.g. letters, e-mail, text messages, or graffiti) as well as bias-based harassment and sexual harassment (see below).
- **Bias-Based Harassment:** Harassment that denigrates, offends or shows hostility or aversion toward an individual on the basis of sex, (including gender identity and the status of being transgender), sexual orientation, race, color, national origin, religion, disability, pregnancy,

age, marital status, veteran status, military status, arrest or conviction record, genetic information or predisposing characteristics, domestic violence victim status, or any other protected status. Bias-based harassment includes, but is not limited to: epithets, slurs or negative stereotyping; threatening, intimidating, or hostile acts; denigrating jokes; and written, electronic, or graphic material that denigrates, ridicules, objectifies, or shows hostility, aversion or contempt toward an individual or group and that is placed on walls, bulletin boards, lockers or elsewhere on or in the Town's premises, vehicles, or equipment, or is circulated in the workplace, including through electronic means.

- **Discrimination:** The Town of Rotterdam is an Equal Opportunity Employer. The Town does not unlawfully discriminate on the basis of sex, (including gender identity and the status of being transgender), sexual orientation, race, color, national origin, religion, disability, pregnancy, age, marital status, veteran status, military status, arrest or conviction record, genetic information or predisposing characteristics, domestic violence victim status, or any other protected status. Unlawful discrimination based on membership in these categories is prohibited by applicable federal, state, or local laws. This policy applies to all terms and conditions of employment, including, but not limited to, hiring, placement, assignments, compensation, promotion, transfer, training, leave of absence, and termination.

Definition of Sexual Harassment – This policy places special attention on the prohibition of sexual harassment in the workplace.

Sexual harassment is a form of sex discrimination and is unlawful under federal, state, and (where applicable) local law. Sexual harassment includes harassment on the basis of sex, sexual orientation, self-identified or perceived sex, gender expression, gender identity and the status of being transgender.

Sexual harassment includes unwelcome conduct which is either of a sexual nature, or which is directed at an individual because of that individual's sex when:

- Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive work environment, even if the reporting individual is not the intended target of the sexual harassment;
- Such conduct is made either explicitly or implicitly a term or condition of employment; or
- Submission to or rejection of such conduct is used as the basis for employment decisions affecting an individual's employment.

A sexually harassing hostile work environment includes, but is not limited to, words, signs, jokes, pranks, intimidation, or physical violence which are of a sexual nature, or which are directed at an individual because of that individual's sex. Sexual harassment also consists of any unwanted verbal or physical advances, sexually explicit derogatory statements or sexually discriminatory remarks made by someone which are offensive or objectionable to the recipient, which cause the recipient discomfort or humiliation, or which interfere with the recipient's job performance.

Sexual harassment also occurs when a person in authority tries to trade job benefits for sexual favors. This can include hiring, promotion, continued employment or any other terms, conditions or privileges of employment. This is also called “quid pro quo” harassment.

Any employee who feels harassed should report so that any violation of this policy can be corrected promptly. Any harassing conduct, even a single incident, can be addressed under this policy.

Examples of Sexual Harassment - The following describes some of the types of acts that may be unlawful sexual harassment and that are strictly prohibited:

- Physical acts of a sexual nature, such as:
 - Touching, pinching, patting, kissing, hugging, grabbing, brushing against another employee’s body or poking another employee’s body;
 - Rape, sexual battery, molestation or attempts to commit these assaults.
- Unwanted sexual advances or propositions, such as:
 - Requests for sexual favors accompanied by implied or overt threats concerning the target’s job performance evaluation, a promotion or other job benefits or detriments;
 - Subtle or obvious pressure for unwelcome sexual activities.
- Sexually oriented gestures, noises, remarks or jokes, or comments about a person’s sexuality or sexual experience, which create a hostile work environment.
- Sex stereotyping occurs when conduct or personality traits are considered inappropriate simply because they may not conform to other people’s ideas or perceptions about how individuals of a particular sex should act or look.
- Sexual or discriminatory displays or publications anywhere in the workplace, such as:
 - Displaying pictures, posters, calendars, graffiti, objects, promotional material, reading materials or other materials that are sexually demeaning or pornographic. This includes such sexual displays on workplace computers or cell phones and sharing such displays while in the workplace.
- Hostile actions taken against an individual because of that individual’s sex, sexual orientation, gender identity and the status of being transgender, such as:
 - Interfering with, destroying or damaging a person’s workstation, tools or equipment, or otherwise interfering with the individual’s ability to perform the job;
 - Sabotaging an individual’s work;
 - Bullying, yelling, name-calling.

Prohibition Against Retaliation – Unlawful retaliation can be any action that could discourage an employee from coming forward to make or support a claim of discrimination or harassment, including sexual harassment. Adverse action need not be job-related or occur in the workplace to constitute unlawful retaliation (e.g., threats of physical violence outside of work hours).

Unlawful retaliation against any employee who has engaged in “protected activity” is strictly prohibited by this policy as well as (where applicable) federal, state, and local law. Protected activity occurs when a person has:

- made a complaint of harassment or discrimination, either internally or with any anti-discrimination agency;
- opposed harassment or discrimination by making a verbal or informal complaint to management, or by simply informing a supervisor or management of harassment or discrimination;
- reported that another employee has been subjected to harassment or discrimination;
- encouraged a fellow employee to report harassment or discrimination;
- participated in a workplace investigation regarding harassment or discrimination;
- testified or assisted in a proceeding involving harassment or discrimination under the Human Rights Law or other anti-discrimination laws.

Even if the alleged discrimination or harassment does not turn out to rise to the level of a violation of law, the individual is protected from retaliation if the person had a good faith belief that the practices were unlawful. However, the retaliation provision is not intended to protect persons making intentionally false charges of discrimination or harassment.

Reporting of Discrimination and Harassment (including Sexual Harassment) – Reports of alleged discrimination and/or harassment (including sexual harassment) or retaliation may be made verbally or in writing. A form for the submission of a written complaint is attached to this policy and individuals are encouraged to use this form. If an individual chooses to submit a verbal complaint, such complaint will be recorded by the receiver of this complaint on this form. Employees are encouraged to report incidents of discrimination, harassment (including sexual harassment), or retaliation to their Department Head and/or the Town Supervisor as soon as possible after their occurrence. If the employee’s Department Head is believed to be involved in the incident, or if the employee is not comfortable in addressing the incident with the Department Head, the report should be made directly to the Town Supervisor. If the Town Supervisor is believed to be involved in the incident or the employee is not comfortable reporting the incident to the Town Supervisor, the employee should report the incident to a member of the Town Board. Employees who believe they have been discriminated against or harassed and would like to obtain guidance as to how to proceed in filing a complaint, should contact their immediate supervisor, their Department Head, the Town Supervisor, or any member of the Town Board. Employees who work during off-hours are encouraged to contact their supervisor, their Department Head, the Town Supervisor, or any member of the Town Board at home if these individuals do not work during the employee’s shift. Non-employees are encouraged to report incidents of alleged discrimination and harassment (including sexual harassment) to either the Department Head of the department where services are being provided, the Town Supervisor, or a member of the Town Board.

Supervisory Responsibility – Supervisory personnel must make every effort to ensure a work environment that is free from discrimination and harassment, including sexual harassment. Any Department Head or supervisor who receives a complaint or information about suspected prohibited activity (as outlined above), observes behavior that may constitute prohibited activity, or for any reason suspects that prohibited activity is occurring, is required to report such suspected prohibited activity to the Town Supervisor, or any member of the Town Board.

In addition to being subject to corrective action or discipline if they engaged in prohibited activity themselves, supervisory personnel will be subject to discipline for failing to report suspected prohibited activity or otherwise knowingly allowing prohibited activity to continue. Supervisory personnel will also be subject to corrective action or discipline for engaging in any form of retaliation prohibited by this policy.

Investigation of Complaint – The Town Supervisor, in consultation with the Town Board, will determine the appropriate individual(s) to conduct the investigation. All complaints pursuant to this policy, whether reported in verbal or written form, will be investigated promptly, thoroughly, and in as impartial a manner as possible. The investigation will normally include conferring with the parties involved and any named or apparent witnesses. All employees are required to cooperate in an investigation, if so directed. All persons involved, including complainants, witnesses and alleged perpetrators will be accorded due process to protect their rights to a fair and impartial investigation. All relevant materials, including all electronic communications, documents, emails or phone records that are relevant to the allegations will also be considered. A written report will be prepared documenting the results of the investigation. The individual who reported the complaint and the individual about whom the complaint was made will be notified of the final determination.

Confidentiality – Complaints of discrimination and harassment, including sexual harassment, will be handled and investigated promptly and in a manner that is as impartial and confidential as possible. In no event will information concerning a complaint be released by the Town to third parties or to anyone within the Town employment who is not directly involved in the investigation or handling of the complaint unless otherwise required by law.

Corrective Action and Discipline – Any employee who is found to have violated any aspect of this policy will be subject to corrective or disciplinary action, up to and including termination of employment, as provided by Town operating procedures, including Civil Service Law Section 75, or a collective bargaining agreement. Any Elected Official who violates this policy will be subject to remedial action as provided for and/or allowed under NYS Public Officers Law, as well as any other applicable statutes. Any vendor, supplier, visitor, customer, or other non-employee who violates this policy will be subject to remedial action, to the extent that the Town is empowered to take such action.

Legal Protections and External Remedies – Nothing in this policy should be construed as in any way limiting employees' rights to file a formal complaint with the appropriate state or federal agencies responsible for administering anti-discrimination laws. Complainants should be aware that time restrictions may apply and need to be considered.

Harassment (including sexual harassment) is not only prohibited by Town policy but is also prohibited by federal, state, and (where applicable) local law. Aside from the Town's internal process, employees may also choose to pursue legal remedies with the following governmental entities at any time.

New York State Division of Human Rights (DHR)

The Human Rights Law (HRL) applies to employers in New York State with regard to harassment and protects employees and non-employees regardless of immigration status. A complaint alleging violation of the Human Rights Law may be filed either with DHR or in New York State Supreme Court. Complaints with DHR may be filed any time within one year of the harassment. If an individual did not file at DHR, they can sue directly in state court under the HRL, within three years of the alleged discrimination. An individual may not file with DHR if they have already filed an HRL complaint in state court. Filing an internal complaint with the Town does not extend the time limits to file with DHR or in court. The one year or three years is counted from date of the most recent incident of harassment. An attorney is not needed to file a complaint with DHR, and there is no cost to file with DHR. DHR will investigate the complaint and determine whether there is probable cause to believe that discrimination has occurred. Probable cause cases are forwarded to a public hearing before an administrative law judge. If discrimination is found after a hearing, DHR has the power to award relief, which varies but may include requiring the Town to take action to stop the harassment, or redress the damage caused, including paying monetary damages, attorney's fees and civil fines.

DHR's main office contact information is: NYS Division of Human Rights, One Fordham Plaza, Fourth Floor, Bronx, New York 10458, (718) 741-8400. Contact DHR at (888) 392- 3644 or visit dhr.ny.gov/complaint for more information about filing a complaint. The website has a complaint form that can be downloaded, filled out, notarized and mailed to DHR. The website also contains contact information for DHR's regional offices across New York State.

United States Equal Employment Opportunity Commission (EEOC)

The EEOC enforces federal anti-discrimination laws, including Title VII of the 1964 federal Civil Rights Act (codified as 42 U.S.C. § 2000e et seq.). An individual can file a complaint with the EEOC anytime within 300 days from the harassment. There is no cost to file a complaint with the EEOC. The EEOC will investigate the complaint and determine whether there is reasonable cause to believe that discrimination has occurred, at which point the EEOC will issue a Right to Sue letter permitting the individual to file a complaint in federal court. The EEOC does not hold hearings or award relief but may take other action including pursuing cases in federal court on behalf of complaining parties. Federal courts may award remedies if discrimination is found to have occurred. If an employee believes that he/she has been discriminated against at work, he/she can file a "Charge of Discrimination." The EEOC has district, area, and field offices where complaints can be filed. Contact the EEOC by calling 1-800-669-4000 (1-800-669-6820 (TTY)), visiting their website at www.eeoc.gov or via email at info@eeoc.gov. If an individual filed an administrative complaint with DHR, DHR will file the complaint with the EEOC to preserve the right to proceed in federal court.

Local Protections

Many localities enforce laws protecting individuals from sexual harassment and discrimination. An individual should contact the county, city or town in which they live to find out if such a law exists.

Contact the Rotterdam Police Department

If the harassment involves physical touching, coerced physical confinement or coerced sex acts, the conduct may constitute a crime. Contact the Rotterdam Police Department.

SECTION 5: TERM OF THE BID

The bid shall be in effect from the date of the contract's execution until completion of all work under the contract. Prices shall remain firm until work is completed and the entire year 2025. If the project extends beyond the year 2025, the hourly rates shall not change.

SECTION 6: GENERAL PROVISIONS OF LAWS COVERING WORKERS ON PUBLIC WORKS CONTRACT

The Labor Law requires public work contractors and subcontractors to pay laborers, workers, or mechanics employed in the performance of a public work contract not less than the prevailing rate of wage and supplements (fringe benefits) in the locality where the work is performed. The contractor shall comply with the labor law that includes the prevailing wage rate payment of all employees. The contractor shall provide supporting documentation of wages paid for each employer via certified payroll and supporting documentation.

SECTION 7: BONDS

No Bonds are required upon entering into this on-call contract. However, bonds will be required for Work Orders of more than \$25,000.

SECTION 8: INSURANCE

The successful Bidder will be required to procure and maintain, at its own expense, the following insurance coverage:

- (a) **Workers' Compensation and Employers Liability Insurance:** A policy or policies providing protection for employees in the event of job-related injuries.
- (b) **Automobile Liability Insurance:** A policy or policies with the limits of not less than \$1,000,000 combined for each accident because of bodily injury, sickness, or disease, sustained by any person, caused by accident, and arising out of the ownership, maintenance, or use of any automobile for damages because of injury to or destruction of property, including the loss of use thereof.
- (c) **General Liability Insurance:** A policy or policies of comprehensive all-risk insurance with limits of not less than:
 - Liability For: Combined Single Limit
 - Property Damage \$1,000,000 per occurrence/\$2,000,000 aggregate
 - Bodily Injury \$1,000,000 per occurrence/\$2,000,000 aggregate Personal Injury \$1,000,000 per occurrence/\$2,000,000 aggregate
- (d) **Umbrella/Excess Liability Insurance:** A policy or policies with Umbrella/Excess Coverage with limits of not less than:
 - Liability For: Combined Single Limit

All Other Circumstances \$1,000,000

- (e) **Disability Insurance:** A policy or policies providing appropriate disability benefits in accordance with Section 220 Subdivision 8 of the Disability Benefits Law (DBL).

Each policy of insurance required shall be of form and content satisfactory to the Town Attorney.

- (a) The Town shall be named as an additional named insured on all liability policies.
- (b) The policy shall not be changed or cancelled until the expiration of thirty (30) days after written notice to the Town of Rotterdam. It shall be automatically renewed upon expiration and continued in force unless the Town is given at least thirty (30) days written notice to the contrary.

No work shall be commenced under the contract or purchase order until the successful Bidder has delivered to the Town proof of issuance of all policies of insurance required by the contract to be procured by the successful Bidder. If at any time, any of said policies shall expire or become unsatisfactory to the Town, the successful Bidder shall promptly obtain a new policy and submit proof of issuance of the same to the Town for approval. Upon failure of the successful Bidder to furnish, deliver and maintain such insurance as above provided, the contract or purchase order may, at the election of the Town, be forthwith declared suspended, discontinued, or terminated. Failure of the successful Bidder to procure and maintain any required insurance shall not relieve the successful Bidder from any liability under the contract, nor shall the insurance requirements be construed to conflict with the obligations of the successful Bidder concerning indemnification.

SECTION 9: INDEMNIFICATION

The successful Bidder shall defend, indemnify and save harmless the Town, its employees and agents, from and against all claims, damages, losses and expenses (including, without limitation, reasonable attorneys' fees) arising out of, or in consequence of, any negligent or intentional act or omission of the successful Bidder, its employees or agents, to the extent of its or their responsibility for such claims, damages, losses and expenses.

SECTION 10: BID FORM

- (a) The Bid Form is provided herein; additional copies may be obtained from the Town.
- (b) Bids must be made on the Bid Form provided by the Town. The Bid Form must be completed manually in black ink or typed. The Bid Form must also be signed by an authorized representative of the bidder.
- (c) Bids by corporations must be executed in the corporate name by the president or a vice-president (or other corporate officer accompanied by evidence of authority to sign on behalf of the corporation) and the corporate seal must be affixed by the secretary or an assistant secretary. The corporate address and state of incorporation must be shown below the signature.
- (d) Bids by partnerships must be executed in the partnership name and signed by a partner, whose title must appear under the signature. The official address of the partnership must be shown below the signature.
- (e) All names must be printed or typed below the signature.
- (f) The bid must contain an acknowledgement of receipt of all Addenda (the number of which will be filled in on the Bid Form).

- (g) The address and email address to which communications regarding the bid are to be directed must be included on the Bid Form.

SECTION 11: AWARD OF BID

- (a) After the award has been approved by the Town governing authority, the successful bidder will be issued a Notice of Award. A notice of contract award shall not be binding upon the Town until the contract has been fully executed by both parties. The following documents shall be incorporated, to the extent deemed appropriate in the sole discretion of the Town, within the contract between the Town of Rotterdam and the apparent successful Bidder: the successful Bidder's bid, this Request for Bids and any written Addenda issued by the Town of Rotterdam in response to inquiries of prospective bidders.
- (b) No successful bidder to whom a contract or purchase order is let, granted or awarded, shall assign, transfer, convey, sublet, or otherwise dispose of same, or of its right, title, and interest herein, including the performance of the contract or purchase order or the right to receive monies due or to become due, or of its power to execute the contract or purchase order without the prior written consent of the Town of Rotterdam Supervisor. In the event the contractor shall without prior written consent assign, transfer, convey, sublet or otherwise dispose of the contract or purchase order or of its right, title and interest therein, including the performance of this contract or purchase order, or the right to receive monies due or to become due, or its power to execute such contract or purchase order to any other person or corporations, or upon receipt by the Town of Rotterdam of an attachment against the successful bidder, the Town of Rotterdam shall be relieved and discharged from any and all liability and obligation growing out of such contract or purchase order to such contractor, and the person or corporation to which such contract or purchase order shall have been assigned, its assignees, transferees or sub lessees shall forfeit and lose all monies theretofore assigned under the contract or purchase order, except so much as may be required to pay its employees.

SECTION 12: REMEDY FOR BREACH

In the event of a breach by the Contractor, the Contractor shall pay to the Town all direct and consequential damages caused by such breach, including, but not limited to, all sums expended by the Town to procure a substitute contractor to satisfactorily complete the contract work, together with the Town's own costs incurred in procuring a substitute contractor.

SECTION 13: DELIVERY AND PAYMENT

- (a) Prior to payment, the items furnished and/or work performed will be inspected by the Town to determine their conformity to specification. No payment will be made for items or work not meeting specifications.
- (b) Payment will be made upon the submission of a completed payment request and supporting documentation.
- (c) The Town of Rotterdam is not subject to federal, state, or local taxes.
- (d) Pursuant to NYS Finance Law §139-F, the contractor shall periodically, in accordance with the terms of the contract, submit to the Town a request for a progress payment for the work performed and/or materials furnished to the date of the request, less any amount previously paid against contract to the contractor. In accordance with the terms of the contract, the Town shall approve and promptly pay the request less any amount necessary to satisfy any claims, liens or judgements which have not been suitably discharged as well as a retainage

of 5 percent (5%) of each progress payment. If there is no requirement by the Town for a performance bond as well as a labor and material bond in the full amount of the contract, the retainage will be in excess of 5 percent (5%) but no more than 10 percent (10%).

- (e) When the work as stated in the terms of the contract are substantially completed, the contractor shall request a final and complete inspection of all work to be completed as defined by the bid specifications as well as any approved change orders, after which the contractor will submit to the public owner and/or his agent a request for payment of the remaining amount of the contract balance. The Town shall pay the contractor the requested amount due less two times the value of any remaining items to be completed and an amount necessary to satisfy any claims, liens or judgments against the contractor which have not been suitably discharged.

SECTION 14: OCCUPATIONAL SAFETY AND HEALTH ADMINISTRATION (OSHA) CONSTRUCTION SAFETY AND HEALTH COURSE

In compliance with NYS Labor Law Sec. 220-h, the contract required for the construction, reconstruction, maintenance and/or repair of the public work herein described, where the total cost of all work to be performed is at least TWO HUNDRED THOUSAND (\$200,000.00) DOLLARS, shall require that all laborers, workers, and mechanics employed in the performance of the work on the public work site either by the Contractor, Sub-Contractor or other person doing or contracting to do the whole or a part of the work herein described, shall be certified prior to performing any work on the project as having successfully completed a course in construction safety and health approved by the U.S. Department of Labor's Occupational Safety and Health Administration that is at least ten hours in duration.

SECTION 15: SAMPLES AND SHOP DRAWINGS

Prior to commencing work under this Contract, the Contractor shall furnish such samples of materials proposed for use in the work, along with manufacturers' certificates, shop drawings, test results made by independent testing facilities and any other information as may be required by the Town or specified herein.

SECTION 16: SUBCONTRACTORS

Subcontractors will not be allowed to work on any project without prior written approval from the Town. All costs and contract language agreed upon between the Town and Contractor shall apply to any subcontractors that have been approved by the Town.

SECTION 17: ETHICS

The bidder shall not accept or offer any gifts of anything of value nor enter any business arrangement with any employee, official or agent of the Town of Rotterdam. Any contract between a Bidder and Town employees, board members, other than with the Department Head responsible for the bid, shall be grounds for disqualification.

SECTION 18: CLAIMS AGAINST THE TOWN

The claims by the Contractor against the Town for damages from any cause shall be reported to the Town, in writing, at the time such alleged damage occurs. All such claims, if continuous, must also be presented at the end of the month in which such damages or claims occur and if the same continues during more than one month, at the end of each month of the continuance

of such claimed damages. Any provisions relative to extra work and claim therefore and reports thereof appearing elsewhere in this Contract shall not be superseded by the provisions of this section but will be in addition thereto.

SECTION 19: LAWS AND ORDINANCES

On all operations connected with the work herein specified, the Contractor shall keep fully informed of all Federal, State and Town Laws, Ordinances, rules and regulations, including but not limited to OSHA, controlling or limiting in any way the actions of those engaged on the work of affecting the materials and equipment used, and shall strictly comply in every way with such laws, ordinances, rules and regulations.

SECTION 20: PROTECTION OF EXISTING STRUCTURES

When work is to be done around existing structures, the Contractor will exercise every precaution against possible injury to them. In case any structure is damaged, the total cost of such work shall be borne by the Contractor at no cost to the Town. The Contractor shall be held responsible for all materials and work during the progress of construction and for all injury to existing structures met with in the execution of the work. The Contractor will be required to make good at their own cost any injury or damages which said materials, work or structures may sustain from any source or cause before the acceptance of the work on the Contract.

SECTION 21: HEALTH AND SAFETY REQUIREMENTS

- (a) Pursuant to the General Duty Clause of the U.S. Occupational Safety and Health Act of 1970 (OSHA), Public Law 91-596, Section 5, the contractor is directly responsible for the health and safety of their staff, subcontractors, and other firms working for the contractor, Department staff on the site, and the affected public. The Town of Rotterdam does not have the authority to enforce OSHA regulations, but the Town of Rotterdam does have the authority to enforce the contract.
- (b) Pursuant to 29 CFR 1926 Subpart C, contractors entering a contract with the Town of Rotterdam are expected to provide the Town of Rotterdam with a safety and health plan that incorporates the following safety elements, when applicable to the scope of work:
 - (1) High Visibility Apparel/ Personal Protective Equipment per 29 CFR 1926 Subpart E.
 - (2) Accident Reporting per 29 CFR 1926 Subpart C
 - (3) Imminent Danger Situations and Emergency Actions per 29 CFR 1926 Subpart P
 - (4) Fall Protection per 29 CFR 1926 Subpart M
 - (5) Working Over Water per 29 CFR 1926 Subpart O
 - (6) Electrical Safety per 29 CFR 1926 Subpart K
 - (7) Open Excavations and Trenches per 29 CFR 1926 Subpart P
 - (8) Hazardous Materials per 29 CFR 1926 Subpart Z
 - (9) Involving Radioactive Materials per 29 CFR 1926 Subpart D/12 NYCRR 38
 - (10) Silica protection per 29 CFR 1926, 29 CFR 1926.55/ Subpart D.
 - (11) Demolition of Buildings and Structures 29 CFR 1926, Subpart T
 - (12) Drilling and blasting per 29 CFR 1926, Subpart U
 - (13) Equipment Safety Procedures per 29 CFR 1926, Subpart O

- (14) Lifting per 29 CFR 1926, Subpart N
- (15) Confined Spaces per 29 CFR 1910, Subpart J
- (16) Fire and Explosion Prevention per 29 CFR 1926, Subpart F

SECTION 22: CONTRACTOR(S) SELECTION CRITERIA

The Town will be awarding up to three (3) contracts using a “Best Value” methodology including evaluation of price, responses of contractor questionnaire and references. Points will be awarded based on the following categories:

- 1. 50 points for Qualifications, Experience, References
- 2. 75 points for On-Call Plumbing Contractor Rates.
- 3. 50 points for overhead and profit mark-up as percentage of construction cost.

Points scoring for category 1 will be as follows:

- 15 points - previous experience in providing superior plumbing construction, maintenance, and repair services at like-sized public and/or private facilities.
- 15 points - assessments of work quality, performance and working relationships by current and recent clients that indicate high levels of satisfaction and effectiveness as evidenced by references.
- 10 points - qualifications of staff proposed to provide on-call plumbing contractor services at Town Facilities. Experience and background of those who will be providing services for the Town.
- 10 points - well-organized communication systems that demonstrate an ability to complete tasks efficiently and effectively and do not require constant supervision by the Town.

Points scoring for category 2 will be as follows:

- 10 points – Master Plumber rate for Monday through Friday from 8:00 am to 5:00 pm
- 10 points - Master Plumber rate for Monday through Friday overtime (OT)
- 5 points - Master Plumber rate for Saturdays, Sundays and Holidays
- 10 points – Apprentice Plumber rate for Monday through Friday from 8:00 am to 5:00 pm
- 10 points - Apprentice Plumber rate for Monday through Friday overtime (OT)
- 5 points - Apprentice Plumber rate for Saturdays, Sundays and Holidays
- 10 points – General Plumber rate for Monday through Friday from 8:00 am to 5:00 pm
- 10 points - General Plumber rate for Monday through Friday overtime (OT)
- 5 points - General Plumber rate for Saturdays, Sundays and Holidays

Points scoring for category 3 will be as follows:

- The scoring will be based upon the number of bids received with the highest score for the lowest overhead and profit percentage.

The winning bids will be selected based on the total combined points.

SECTION 23: WORK SITE CLEANUP

- (a) The Contractor shall exercise great care not to damage public or private property. Any damage done shall be repaired or replaced by the Contractor at his own cost and expense.
- (b) As the work progresses, all rubbish, refuse and unused materials, tools and equipment shall be removed at once. After final inspections of the work have been made the Contractor shall remove all stakes, boards, sticks and similar obstructions whether used for grade, reference,

or other purposes upon this Contract. The Contractor shall restore the work site and adjacent properties affected by the construction work to the same condition as they were before the work was commenced.

SECTION 24: GENERAL DESCRIPTION OF WORK

1. General - The selected contractor(s) shall provide labor, materials and equipment as needed to repair or replace mechanical systems that have been damaged on an on-call basis as requested by the Town. The extent of plumbing work is not known currently. No work shall be subcontracted to another contractor without written approval from the Town. It is anticipated that the Town will have on-call a maximum of three (3) contractors for this on-call construction services.
2. On-Call Contractor Services Procedure and Response – Upon notification of a pending plumbing project, the selected contractor(s) shall:
 - Coordinate with the Town to meet with DPW staff to discuss the project and conduct a site visit to the project area within two (2) business days from the notification date.
 - Submit a written cost and schedule to perform the work within five (5) calendar days from the notification date.
 - Once cost is finalized and approved, commence construction work within five (5) business days and complete the work as per agreed upon schedule.
 - Failure to respond to an on-call plumbing project notification, meeting with the town and conducting a site visit, or to submit a cost and schedule within the timeframes stated above, unless an extension is approved in advance by the Town, more than two (2) times during the contract term shall be grounds of termination of the on-call contract for cause by the Town.

INSTRUCTIONS TO BIDDERS

1. All bids must be submitted before 10:00 a.m. on April 9, 2025, the day of opening.
2. Electronic and in person proposals for the furnishing and delivery of goods/services as required for the Town of Rotterdam, as set forth in the specifications prepared by the Town Board and received by 10:00 a.m. April 9, 2025 will be opened electronically and in person at that time, via Empire State Purchasing Group on the BidNet website (<http://www.bidnetdirect.com/townofrotterdam>), and the Town Clerk at Town Hall. The Town Board will subsequently post an official report to the Empire State Purchasing Group on BidNet by the close of business the same day, of all bid submissions received. Additionally, the official bid report and all bids shall be available in the Office of the Town Clerk for public inspection during regular business hours.
3. Digital Copies of Drawings and Specifications may be obtained from the Empire State Purchasing Group on BidNet at <http://www.bidnetdirect.com/townofrotterdam>. Copies of RFP documents obtained from any other source are not considered official copies. The Town of Rotterdam cannot guarantee the accuracy of any information not obtained from the BidNet Direct website and is not responsible for any errors contained by any information received from an alternate source. Only those vendors who obtain ITB, RFP or RFQ documents from the BidNet system are guaranteed to receive addendum information, if such information is issued. If you obtain the document(s) from a source other than the source indicated, it is recommended that you register on the Empire State Purchasing Group website, <http://www.bidnetdirect.com/new-york> and obtain an official copy.
4. Purchases made by the Town of Rotterdam are not subject to State or local taxes or Federal excise taxes. Exemption certificates will be furnished upon request.
5. An "Affidavit of Non-Collusion" is attached and forms a part of this bid proposal. By submission of this bid, each bidder and each person signing on behalf of any bidder, certifies under penalty of perjury, that to the best of his/her knowledge and belief that the prices of the bid have been arrived at independently without collusion, consultation, communication or agreement, for the purpose of restricting competition, as to any matter related to such prices with any other bidder or competitor; that the prices quoted have not and will not be disclosed prior to opening, directly or indirectly, to any other bidder or competitor; that no attempt has been or will be made to induce any other person, partnership or corporation to submit or not submit a bid for the purpose of restricting competition. Each bidder must state that no officer of the Town of Rotterdam or member of the Town Board is directly or indirectly interested in the proposal. Failure to sign this statement will constitute grounds for rejection of bid.
6. Each bidder must acknowledge receipt of and comply with the Town's Non-Discrimination and Harassment (Including Sexual Harassment) in the Workplace policy.
7. Bid proposals shall remain firm, pending bid award, for a period not to exceed thirty (30) days from the bid opening date.
8. The Town Board reserves the right to reject any or all bids and re-advertise.

9. All bids are to be on the basis of delivery prepaid to destination, which shall be buildings of the Town of Rotterdam as specified.
10. Delivery: Time is of the essence. Material is required as soon as possible and guaranteed date of delivery may be taken into consideration in making award. Upon failure to make delivery as promised, the Town Board of the Town of Rotterdam, New York, may consider the contract breached and will then feel free to go into the open market and to maintain an action against the contractor to recover any differences which the Town Board might stand to lose between the contract price and the market price.
11. Where items or articles or equipment or supplies are designated as manufactured by a specific manufacturer, it is to be understood that the articles as specified represent an accepted standard. Where certain brands of materials, apparatus, or equipment are specified, such goods have been selected in order to establish a standard for the particular service required, but it is not the intention to limit competition thereby. If the bidder proposes to furnish the article which is specified, he is to fill in the amount on the line indicated. If he desires to bid on a substitute for the article specified, which is claimed to be equivalent to the standard specified, the amount should be recorded and also identified as "substitute" bid and furnish the required information relating to the manufacturer. In cases where the bid is based upon a substitute article, the bidder will be asked to submit a sample. Samples will be returned, if desired, as soon as the award is made.
12. The Town Board of the Town of Rotterdam reserves the right to waive any informalities on bids received, and to accept reasonable substitutes for specified items as long as such substitutes in no way affect the performance of the item for which the bid has been requested.
13. The approximate quantities shown in the bidding documents are not meant to imply that said quantities will in fact be purchased. Payment will be based on an "as delivered" basis at the facilities listed using actual quantities received.
14. Failure to adequately and fully complete the bid packet and/or questions contained in the RFP shall be disqualified and the bid shall be rejected.

NON-COLLUSION BIDDING CERTIFICATION

- A. By submission of this bid, each bidder and each person signing on behalf of any bidder certifies, and in the case of a joint bid, each party thereto certifies as to its own organization, under penalty of perjury, that to the best of knowledge and belief:
- 1) The prices in this bid have been arrived at independently without collusion, consultation, communication, or agreement, for the purposes of restricting competition, as to any matter relating to such prices with any other bidder or with any competitor;
 - 2) Unless otherwise required by law, the prices which have been quoted in this bid have not been knowingly disclosed by the bidder and will not knowingly be disclosed by the bidder prior to opening, directly or indirectly, to any other bidder or to any competitor; and
 - 3) No attempt has been made or will be made by the bidder to induce any other person, partnership or corporation to submit or not to submit a bid for the purpose of restricting competition.
- B. A bid shall not be considered for award nor shall any award be made where (A), (1), (2), and (3) above have not been complied with; provided however, that if in any case the bidder cannot make the foregoing certifying, the bidder shall so state and shall furnish with the bid a signed statement which sets forth in detail the reason therefore. Where (A), (1), (2), and (3) above have not been complied with, the bid shall not be considered for award nor shall any award be made unless the head of the purchasing unit of the political subdivision, public department, agency or official thereof to which the bid is made or his designee, determines that such disclosure was not made for the purpose of restricting competition.
- C. The fact that the bidder (A) has published price lists, rates or tariffs governing items being procured, (B) has informed prospective customers of proposed or pending publication of new or revised price lists for such items or (C) has sold the same item to other customers at the same prices being bid, does not constitute, without more, a disclosure within the meaning subparagraph (A)(1).
- D. Any bid hereafter made to any political subdivision of the state or any public department, agency or official thereof by a corporate bidder for work or state services performed or to be performed or goods sold or to be sold, where competitive bidding is required by statute, rule, regulation, or local law, and where such bid contains the certification referred to in subdivision one (1) of this section, shall be deemed to have been authorized by the board of directors of the bidder, and such authorization shall be deemed to include the signing and submission of the bid and the inclusion therein of the certificate as to non-collusion as the act and deed of the corporation.

RESOLUTION NO. 167.25 DATED APRIL 23, 2025

**A RESOLUTION MAKING CERTAIN DETERMINATIONS IN RELATION
TO AND APPROVING THE ESTABLISHMENT OF EXTENSION NO. 28
TO WATER DISTRICT NO. 5 IN THE TOWN OF ROTTERDAM,
SCHENECTADY COUNTY, NEW YORK, PURSUANT TO ARTICLE 12-A
OF THE TOWN LAW**

WHEREAS, a map, plan and report have been prepared in such manner and in such detail as has heretofore been determined by the Town Board of the Town of Rotterdam, Schenectady County, New York, relating to the establishment of Extension No. 28 to Water District No. 5 of said Town;

WHEREAS, said map, plan and report were prepared by a competent engineer, duly licensed by the State of New York, and have been filed in the office of the Town Clerk of said Town, where the same are available during regular office hours for examination by any persons interested in the subject matter thereof;

WHEREAS, said Extension No. 28 to Water District No. 5 shall be bounded and described as hereinafter set forth as Appendix A attached hereto and hereby made a part hereof;

WHEREAS, the improvement proposed for said Extension No. 28 to Water District No. 5 consists of the purchase and installation of water mains, including original equipment, machinery, apparatus, appurtenances, and incidental improvements and expenses in connection therewith, as more fully described in the aforesaid map, plan and report;

WHEREAS, the maximum amount proposed to be expended for said improvement is \$112,000;

WHEREAS, of said maximum estimated cost, \$112,000 is expected to be paid with monies to be received by the Town from the developer of the property constituting said Extension; and

WHEREAS, of said maximum estimated cost, \$-0- of bonds and/or notes of said Town are expected to be issued to pay for the maximum estimated cost of the improvements in connection with the establishment of said Extension; and

WHEREAS, the costs of the provision of services in said Extension shall be through the imposition of a schedule of water rates pursuant to Section 198 of the Town Law to the extent that such water rates provide a source of revenue for such expenditures and expenses shall otherwise be payable as provided in Article 12-A of the Town Law by the annual apportionment and assessment upon the several lots and parcels of land within said Extension in the manner provided by law as determined by the Town Board pursuant to Section 202 of the Town Law; and

WHEREAS, said establishment of the Extension and the capital project therefore have been determined to be an “Type I Action” pursuant to the regulations of the New York State Department of Environmental Conservation promulgated pursuant to the State Environmental Quality Review Act (“SEQRA”), which, as proposed, it has been determined will not have any significant adverse effect upon the environment and SEQRA compliance materials are on file in the office of the Town Clerk were they may be inspected during normal business hours; and

WHEREAS, the estimated cost of the establishment of Extension No. 28 to Water District No. 5 to the typical property therein is \$93.02 and to a single-family home, is \$93.02 in the first year in which operation, maintenance, debt service and other charges and expenses are to be paid and the estimated cost of hook-up fees is \$0.00 as to both; and

WHEREAS, a detailed explanation of the manner by which such estimated connection costs and first-year costs to the typical property were computed, has been filed in the office of the Town Clerk at Town Hall in Schenectady, New York, where the same are available during regular office hours for examination by any person interested in the subject manner thereof; and

WHEREAS, an Order was duly adopted by said Town Board on March 26, 2025, reciting a description of the boundaries of said proposed Extension No. 28 to Water District No. 5, the improvements proposed, the maximum amount proposed to be expended for said improvements, the fact that said map, plan and report were on file in the Town Clerk's office for public inspection and specifying the April 23, 2025, at 7:00 o'clock P.M., Prevailing Time, at the Town Hall, 1100 Sunrise Boulevard, in Schenectady, New York, in said Town, as the time when and the place where said Town Board would meet for the purpose of holding a public hearing to consider the establishment of said Extension No. 28 to Water District No. 5 and said map, plan and report filed in relation thereto and to hear all persons interested in the subject thereof concerning the same; and

WHEREAS, notice of the aforesaid public hearing was duly published and posted in the manner and within the time prescribed by Section 209-d of the Town Law, and proof of publication and posting has been duly presented to said Town Board; and

WHEREAS, said public hearing was duly held at the time and place in said order, as aforesaid, at which all persons desiring to be heard were duly heard; and

WHEREAS, said Town Board has duly considered said map, plan and report and the evidence given at said public hearing; NOW,

THEREFORE, UPON MOTION OF Councilmember _____,
seconded by Councilmember _____, the Town Board of the Town of Rotterdam, Schenectady County, New York, be it resolved as follows:

Section 1. Upon the evidence given at the aforesaid public hearing, it is hereby found and determined as follows:

- a) The notice of hearing was published and posted as required by law and is otherwise sufficient;
- b) All the property and property owners within said proposed Extension No. 28 to Water District No. 5 are benefited thereby;
- c) All the property and property owners benefited are included within the limits of said proposed Extension No. 28 to Water District No. 5; and
- d) The establishment of said proposed Extension No. 28 to Water District No. 5 is in the public interest.

Section 2. The establishment of Extension No. 28 to Water District No. 5 of the Town of Rotterdam, Schenectady County, New York, to be bounded and described as hereafter set forth, and the improvement therefor consisting of the purchase and installation of water mains, including original equipment, machinery, apparatus, appurtenances, and incidental improvements and expenses in connection therewith, at a maximum estimated cost of \$112,000, are hereby approved.

Section 3. Said Extension No. 28 to Water District No. 5 shall be bounded and described as set forth in Appendix A as aforementioned.

Section 4. The Town Clerk shall, within ten (10) days after the effective date of this resolution, file certified copies of this resolution in duplicate in the Office of the State Department of Audit and Control at Albany, New York.

Section 5. This resolution is adopted subject to permissive referendum.

Section 6. This Resolution shall take effect immediately.

LEGISLATIVE REQUEST FORM

DATE: April 17, 2025
TO: Mollie Collins, Town Supervisor
FROM: Peter Comenzo, Senior Planner *PC*
TITLE OF REQUEST: Extension Request Water District #5, Extension #28
TOWN BOARD MEETING: April 23, 2025

Background Information: In December 2024 the Rotterdam Town Board completed TYPE 1 SEQR Negative Declaration and approved a zone change to allow B-2 uses. Also in December 2024, the Planning Commission granted conditional final site plan approval for the proposed development including proposed improvements to the water main system. The proposed development consists of constructing 104,495± SF 1-story BJ's Wholesale Club building comprising retail space, a tire center, and a fueling station with canopy and kiosk, and a 2,500± SF drive-up fast food restaurant building, with associated asphalt parking, utilities, and stormwater management areas. Full access to and from the site will be off Duanesburg Road.

Evaluation/Analysis: The property is not fully within the water district and therefore a water district extension will be needed. The existing water line within Duanesburg Road is a 12" D.I.P. As discovered from Town records, the existing water mains along Duanesburg Road are dead ends and the proposal is to extend the existing water main and provide a looped system. The proposed design is to extend the main with a 12" D.I.P that will *ABD Engineers & Surveyors, LLP 4 880 & 900 Duanesburg Rd Water Ext. 5657A- MPR REV#1 Rotterdam, NY* provide a looped system. The existing and extended main will be within the R.O.W and owned and operated by the Town of Rotterdam. No easements are necessary. Public Hearing to be held on April 23, 2025.

Recommendation(s): At conclusion of public hearing, Town Board to consider adoption of water district extension.

Attachment/Document(s): Map Plan & Report ABD Engineers last revised 3/20/25

In the Matter of The Joint Increase and Improvement of the Facilities of Water District No. 5 and Sewer District Nos. 2 and 7, each in the Town of Rotterdam, Schenectady County, New York	PUBLIC INTEREST ORDER
---	-----------------------

WHEREAS, the Town Board of the Town of Rotterdam, Schenectady County, New York, has duly caused to be prepared an estimate of cost, pursuant to Section 202-b of the Town Law, relating to the proposed joint increase and improvement of the facilities of Water District No. 5 and Sewer District Nos. 2 and 7, each in the Town of Rotterdam, Schenectady County, New York (together, the “Districts”), consisting of purchase of maintenance equipment, at a maximum estimated cost of \$967,455; and

WHEREAS, it was expected that the apportionment of such cost between the Districts shall be as follows: Water District No. 1: \$468,911.25, and Sewer District No. 2: \$430,095.75, and Sewer District No. 7: \$68,448.00; and

WHEREAS, such cost shall be annually apportioned among such Districts by said Town Board, and the amounts so apportioned shall be annually apportioned and assessed upon the several lots and parcels of land within each said District in the manner provided by law, in an amount sufficient to pay the principal and interest on said bonds as the same become due, but if not paid from such source, all the taxable real property in said Town shall be subject to the levy of ad valorem taxes without limitation as to rate or amount sufficient to pay the principal of and interest on said bonds as the same shall become due; and

WHEREAS, the capital project hereinafter described has been determined to be a Type II Action pursuant to the regulations of the New York State Department of Environmental Conservation promulgated pursuant to the State Environmental Quality Review Act, the implementation of which as proposed, as such, it has been determined will not result in any significant adverse environmental impact; and

WHEREAS, at a meeting of said Town Board duly called and held on April 9, 2025, an Order was duly adopted by it and entered in the minutes specifying the said Town Board would meet to consider the joint increase and improvement of facilities of Water District No. 5 and Sewer District Nos. 2 and 7 in said Town at a maximum estimated cost of \$967,455, and to hear all persons interested in the subject thereof concerning the same at the Town Hall, 1100 Sunrise Boulevard, in Schenectady, New York, in said Town, on April 23, 2025, at 7 o'clock P.M., Prevailing Time; and

WHEREAS, said Order duly certified by the Town Clerk was duly published and posted as required by law; and

WHEREAS, a public hearing was duly held at the time and place set forth in said notice, at which all persons desiring to be heard were duly heard; NOW,

THEREFORE, UPON MOTION OF Councilmember _____,
seconded by Councilmember _____, by the Town Board of the Town of Rotterdam, Schenectady County, New York, as follows:

Section 1. Upon the evidence given at the aforesaid public hearing, it is hereby found and determined that it is in the public interest to make the joint increase and improvement of the facilities of Water District No. 5 and Sewer District Nos. 2 and 7, each in the Town of Rotterdam, Schenectady County, New York, consisting of purchase of maintenance equipment, at a maximum estimated cost of \$967,455, allocated as follows: Water District No. 1: \$468,911.25, and Sewer District No. 2: \$430,095.75, and Sewer District No. 7: \$68,448.00.

Section 2. This Order shall take effect immediately.

The following resolution was offered by Councilman _____ who moved its adoption, seconded by Councilman _____ to-wit:

A RESOLUTION AUTHORIZING THE ISSUANCE OF \$967,455 SERIAL BONDS OF THE TOWN OF ROTTERDAM, SCHENECTADY COUNTY, NEW YORK, TO PAY THE COST OF THE JOINT INCREASE AND IMPROVEMENT OF THE FACILITIES OF WATER DISTRICT NO. 5 AND SEWER DISTRICT NOS. 2 AND 7, EACH IN THE TOWN OF ROTTERDAM, SCHENECTADY COUNTY, NEW YORK.

WHEREAS, pursuant to the provisions heretofore duly had and taken in accordance with the provisions of Section 202-b of the Town Law, and more particularly an Order dated the date hereof, said Town Board has determined it to be in the public interest to jointly improve the facilities of Water District No. 5 and Sewer District Nos. 2 and 7, each in the Town of Rotterdam, Schenectady County, New York, at a maximum estimated cost of \$967,455; and

WHEREAS, the capital project hereinafter described, as proposed, has been determined to be a Type II Action pursuant to the regulations of the New York State Department of Environmental Conservation promulgated pursuant to the State Environmental Quality Review Act, which, as such, it has been determined will not have any significant adverse impact on the environment; NOW,

THEREFORE, UPON MOTION OF Councilmember _____,
seconded by Councilmember _____,

BE IT RESOLVED, by the Town Board of the Town of Rotterdam, Schenectady County, New York, as follows:

Section 1. For the class of objects or purposes of paying the cost of the joint increase and improvement of Water District No. 5 and Sewer District Nos. 2 and 7, each in the Town of Rotterdam, Schenectady County, New York, consisting of the purchase of maintenance equipment, there are hereby authorized to be issued \$967,455 serial bonds of said Town pursuant to the provisions of the Local Finance Law.

Section 2. It is hereby determined that the maximum estimated cost of the aforesaid class of objects or purposes is \$967,455, which class of objects or purposes is hereby authorized at said maximum estimated cost, and that the plan for the financing thereof is by the issuance of the \$967,455 serial bonds of said Town authorized to be issued pursuant to this bond resolution.

Section 3. It is hereby determined that the period of probable usefulness of the aforesaid class of objects or purposes is fifteen years pursuant to subdivision 28 of paragraph a of Section 11.00 of the Local Finance Law as each item of equipment costs \$30,000 or more. It is hereby further determined that the maximum maturity of the serial bonds herein authorized will exceed five years.

Section 4. The faith and credit of said Town of Rotterdam, Schenectady County, New York, are hereby irrevocably pledged for the payment of the principal of and interest on such bonds as the same respectively become due and payable. An annual appropriation shall be made in each year sufficient to pay the principal of and interest on such bonds becoming due and payable in such year. To the extent not paid from monies raised from said Water District No. 5 and Sewer District Nos. 2 and 7 as applicable in the manner provided by law, apportioned to Water District No. 1: \$468,911.25, and Sewer District No. 2: \$430,095.75, and Sewer District No. 7: \$68,448.00, there shall annually be levied on all the taxable real property of said Town, a tax sufficient to pay the principal of and interest on such bonds as the same become due and payable.

Section 5. Subject to the provisions of the Local Finance Law, the power to authorize the issuance of and to sell bond anticipation notes in anticipation of the issuance and sale of the serial bonds herein authorized, including renewals of such notes, is hereby delegated to the Supervisor, the chief fiscal officer. Such notes shall be of such terms, form and contents, and shall

be sold in such manner, as may be prescribed by said Supervisor, consistent with the provisions of the Local Finance Law.

Section 6. The powers and duties of advertising such bonds for sale, conducting the sale and awarding the bonds, are hereby delegated to the Supervisor, who shall advertise such bonds for sale, conduct the sale, and award the bonds in such manner as the Supervisor shall deem best for the interests of said Town; provided, however, that in the exercise of these delegated powers, the Supervisor shall comply fully with the provisions of the Local Finance Law and any order or rule of the State Comptroller applicable to the sale of municipal bonds. The receipt of the Supervisor shall be a full acquittance to the purchaser of such bonds, who shall not be obliged to see to the application of the purchase money.

Section 7. All other matters except as provided herein relating to the serial bonds herein authorized including the date, denominations, maturities and interest payment dates, within the limitations prescribed herein and the manner of execution of the same, including the consolidation with other issues, and also the ability to issue serial bonds with substantially level or declining annual debt service, shall be determined by the Supervisor, the chief fiscal officer of such Town. Such bonds shall contain substantially the recital of validity clause provided for in Section 52.00 of the Local Finance Law, and shall otherwise be in such form and contain such recitals, in addition to those required by Section 51.00 of the Local Finance Law, as the Supervisor shall determine consistent with the provisions of the Local Finance Law.

Section 8. The validity of such bonds and bond anticipation notes may be contested only if:

- 1) Such obligations are authorized for an object or purpose for which said Town is not authorized to expend money, or

2) The provisions of law which should be complied with at the date of publication of this resolution are not substantially complied with, and an action, suit or proceeding contesting such validity is commenced within twenty days after the date of such publication, or

3) Such obligations are authorized in violation of the provisions of the Constitution.

Section 9. This resolution shall constitute a statement of official intent for purposes of Treasury Regulations Section 1.150-2. Other than as specified in this resolution, no monies are, or are reasonably expected to be, reserved, allocated on a long-term basis, or otherwise set aside with respect to the permanent funding of the object or purpose described herein.

Section 10. This resolution, which takes effect immediately, shall be published in summary form in the official newspaper, together with a notice of the Town Clerk in substantially the form provided in Section 81.00 of the Local Finance Law.

The question of the adoption of the foregoing resolution was duly put to a vote on roll call,
